Philippines, discontent, and even mu-tiny, among the soldiers being stated

if a few should, the military authori-ties in the Philippines will promptly suppress them. Postmaster General Emory Smith made this statement: "These pamphlets actually incite to mutiny, and it would be utterly unjustifiable to permit their circulation among the soldiers in the Philippines. Their circulation is a movement to induce the soldiers to disobey orders, and in effect to embarrass and resist the government in whose service they are engaged. Their circulation, except in the mails for the Philippines, is not in-terfered with, because, in being sent

themselves. "I do not believe there is any intention to prosecute Mr. Atkinson, as the matter now stands. The authority to do so, however, is plain. He has not only attacked the president and government in the most virulent language and disputes the national policy, but also calls on the American troops to defy the government. Certainly this government is empowered to stop or check, as it sees fit, the circulation of these seditious publications,"
