

It is Incontrovertible!

The Editor of the "Christian Million," under the heading of General Notes, on August 26, 1914, wrote:

"A good article will stand upon its own merits, and we may rely upon it that nothing will continue long which does not, in a more or less degree, harmonize with the statements which are published concerning it."

Mr. Hall Caine, Author of "The Deemster," "The Manxman," "The Christian," etc., when speaking on "Criticism," recently said:

"When a thing that is advertised greatly in good it goes and goes permanently; when it is bad, it only goes for a while; the public finds it out."

The Proprietor of **BEECHAM'S PILLS** has said over and over again:

"It is a fallacy to imagine that anything will last just because it is advertised. How many nostrums have been started with glare and snuffed out in gloom? The fact is, a man is not easily gulled a second time; and every dissatisfied purchaser does ten times more harm than one satisfied does good. Assuredly the sale of more than 6,000,000 boxes of BEECHAM'S PILLS per annum, after a public trial of half-a-century, is a testimony of their popularity, superiority and proverbial worth."

Beecham's Pills have for many years been the popular family medicine wherever the English language is spoken, and they are sold without a trial, in boxes of 100 pills each, at all drug stores.

COUNCIL'S CARES.

Business Left Over From the Regular Meeting Disposed Of.

The Borough Council held another meeting last night to dispose of business left over from the meeting Thursday night. The members present were Messrs. McGuire, Cookley, Boehm, Straughn, Ball, Neiswander, Howells, Harhaus, Tracy, Brennan, Hand and James.

The first business transacted was the payment of the late tax, amounting to \$118.86. Abraham Green, in behalf of a committee representing the Beane Hook and Ladder Company, stated that the company had received a bill for water rent for three years, for the dwelling at the rear of the company's headquarters and asked that the company be exempted from payment of water rent for the property, taking the position that fire companies should receive water free. Council took the position that the water rent should be paid, as the company is deriving revenue from the property.

High Constable Peter Kelly sent in the following communication: "I would like you to let me know what you want me to do for the amount of salary I receive, as your Burgess and Health Officer are continually requesting me to remove nuisances. Am I not entitled to some pay for the same, or is it intended that I am to work a full month for the small sum of \$15?" The communication was accepted and filed.

Fire Marshal P. J. Reynolds reported that there were two fires during the month, with but slight damage.

The report of the Chief of Police showed that there were 15 arrests. Of these 10 paid fines and 5 served time. The fines collected were \$10 by the Chief Burgess and \$1 by Justices, a total of \$11. Lodgings were furnished to 11 persons.

The Chief Burgess submitted the following report on collections for the month: Fines, \$16; theatre licenses, \$5; ball licenses, \$0; auction licenses, \$18; building permits, \$2; total, \$41.

A bill of Gagne Bros., of Ashland, for \$27.74 was ordered paid after deducting \$3 for haulage, the firm having shipped the material to town, instead of Brandonville.

An animated discussion, evinced by personalities, was caused by the consideration of several bills introduced by the chairman of committees without the knowledge of the committee or authority of Council, and they were referred back to the committee. Among these was a printing bill introduced by the Chief Burgess, and a bill from the water committee in which the borough was charged for furnishing teams for plumbers doing work for the borough.

The action of Council last night will probably prohibit any future trouble in this respect as the members of Council have taken a determined stand upon the question. The discussion resulted in the adoption of the following resolution, presented by Mr. Straughn:

"Resolved, That the chairman of no committee has authority to contract bills without the consent or approval of the majority of the committee; that no committee has authority to contract a debt for labor or supplies exceeding \$25, unless permission is first granted by Council; provided, that there is no necessity for immediate action and which cannot be deferred until the meeting of Council."

It was further decided, by motion, that hereafter Council will take up the consideration of bills, before committee reports are received, and that no bills will be considered unless they are in the hands of the committees for consideration the night previous to the regular meeting of Council.

A bill of W. J. Britt for repairing the paved portion of South Main street, dug up in repairing a leaking pipe at the Brennan property, was referred to the street committee.

A bill from Michael Helfron amounting to \$45.74, for repairing the water main on Line street, damaged by mine workings pushing down the surface of the street, was referred to the street committee, with instructions to make efforts to collect the bill from the Girard Estate.

After disposing of several bills on the secretary's table Council adjourned.

THE SCHOOL BOARD.

Proceedings at an Adjourned Meeting Held Last Night.

An adjourned meeting of the School Board was held last night to transact business left over from the regular meeting held last Wednesday night and to pay bills. The Directors in attendance were Messrs. Conklin, Hanna, Mallick, Martin, Dove, Britt, Whitaker and Devitt.

The Finance committee reported that Solicitor Burke had advised that the balance of the eight per cent. of the school bonds, to be redeemed during the fiscal year, could be redeemed with the funds in hand. The committee was authorized to draw lots to determine what bonds shall be called in.

A temporary loan of \$700 for ninety days, to meet current expenses, was authorized.

An order was drawn in favor of Solicitor Burke for \$55, for services in the case of Mrs. Mary Mellet, who sought to be relieved as one of Collector Scanlan's bondsmen.

The following resolutions were presented by the committee appointed at the last meeting and adopted:

Resolved, That the attention of the Shenandoah School District School Board has been called to the fact that owing to a scarcity of finance, the Governor of this Commonwealth is seriously considering a reduction of our state appropriation to the public school system. Therefore, be it

Resolved, That we inform the said Governor of Pennsylvania, that a reduction as contemplated would seriously affect our district and necessitate a reduction of our school term to the detriment of our children.

Resolved, That we, members of the School Board of the district of Shenandoah, hereby request Hon. W. A. Stone, Governor of the Commonwealth of Pennsylvania, to use all honorable means to maintain the appropriation for the public schools as granted by the Legislature.

Resolved, That a copy of the foregoing resolutions be speedily printed and sent and a copy forwarded to the said Governor.

Respectfully submitted,
THOMAS DOVE, JR.,
M. J. WHITAKER,
Committee.

All bills and salaries were ordered paid, after which the Board adjourned to meet at the call of the president, for the transaction of general business.

The book contains 600 pages and 100 illustrations and is finely bound in illustrated cloth. Special attention is given to the late Spanish war, and among the illustrations are "The Destruction of the Maine," "Dewey's Victory," "Cervera's Defeat," "Hobson's Landing with the Merrimac," "The Defense of Camp McClellan" and many others.

The books retail all over the country at \$2.00 per copy and thousands have been sold. Who will doubt the wonderful efficacy of Paine's Celery Compound in the face of the following endorsement from the Bishop of the diocese of Burlington?

WELLS, RICHARDSON & CO.,
GENTLEMEN:—I have been asked why I recommend Paine's Celery Compound, and I desire to put on record frankly my reasons for this endorsement, hoping that my words may inspire those readers who need health and strength, with faith to try Paine's Celery Compound and prove to themselves its worth.

At the Fanny Allen Hospital, an institution in which I am deeply interested, Paine's Celery Compound has been used successfully.

The Sisters of Mercy at Mount St. Mary's Academy on Mansfield Ave. rely upon Paine's Celery Compound as a tonic and strength-giver.

In my own household, one of the domestic has taken Paine's Celery Compound for liver trouble of long standing and says, "It has done more good than any other medicine."

Several priests have spoken to me in praise of this remedy, and I believe it has the confidence of my associates.

Even did I not know from personal observation of the worth of Paine's Celery Compound, I should feel like praising it for the simple reason that it is prepared by the Wells & Richardson Co., a firm whose members I have known for nearly a quarter of a century, and in whom I have perfect confidence.

Very truly,
JOHN S. MICHAUD,
Coadjutor Bishop of Burlington, Vt.

Father Michaud, one of the ablest priests of the Roman Catholic church in America, was consecrated Coadjutor Bishop of Burlington in 1882 by the Most Reverend John T. Williams, D. D., Archbishop of Boston, assisted by Rt. Rev. D. Bradley and Rt. Rev. H. Gabriels, D. D. The diocese then contained 27 churches, 68 priests, 15 convents, one college, 5 academies, one orphanage, two hospitals, 18 parochial schools, and a Catholic population of 35,000. Father Michaud built the Providence Orphan Asylum, a commanding structure that is the source of much pride, the Fanny Allen Hospital at Burlington, and a church which is considered the finest in the state.

His kind-hearted desire to be of service to the people and the great sincerity that breathe through every line of Bishop Michaud's recommendation of Paine's Celery Compound ought to leave no doubt in any one's mind of the tremendous superiority of Paine's Celery Compound over all the remedies that have recently been clamoring for attention.

Paine's Celery Compound will make you well, and enable you to stay so!

The system strengthened, purified, and regulated by this greatest of remedies will resist all invasion of disease!

There is no household that can afford to be without it. Its praises have been sounded by men and women in every walk of life—by the wealthiest, the most famous, and by the humblest, but equally grateful.

Paine's Celery Compound is within the reach of every one. It is a simple matter to test its astonishing efficacy.
