#### MRS. PETERS ELOPES.

She Abandons Her Husband For a Medicine Man.

Quite a stir was occasioned in town this norming by G. Meade Peters, the well known caterer of town, announcing that his wife had abandoned him, taking along her 8 yearold son, Wolls. Mr. Peters at the same time announced that a man named R. O. Gorman, a maker and seller of modicine, had also dis-appeared. Gorman had been a boarder at he Peters house for the past four mouths. It has been learned that Mrs. Peters, he son and Gorman left town together last night, on the 10:04 P. & k. train. They purchased tickets for Mahanoy Plane, and were seen together at the railway station there. They purchased tickets at that station for Shame kin. Since that time nothing has been

learned of them. The husband is satisfied that his wife has eloped with the medicine Gorman was under \$300 bail to appear at the next term of the criminal court at Potts-ville and answer a charge of being implicated in an assault on Peters recently. When the an learned of the departure be tele-

# VICTIMS

A Serious Wreck Occurred Near Tamaqua This Morning.

#### AN ENGINEER KILLED OUTRIGHT!

Are Not Expected to Survive -- Three Passengers Were Injured -- A Spike on a Rail caused

Tamaqua, May 16,-A collision occurred this morning between a passenger train and a graphed to the Shamokin police, giving a full coal train of the Philadelphia and Reading description of Gorman and asking that he be had on a charge of jumping his bail. Hallway at Lengenceker's siding, about two miles south of this place, whereby the engimiles south of this place, whereby the engineer of the passenger train was instantly killed, two firemen were fatally injured, and three passengers sustained painful, though not very serious injuries. Many of the pasingers suffered from shock.

The man instantly killed was Samuel G. Grier, of Newberry, aged 10 years, wife and seven children. He was the engineer of the passenger train. His head was battered to sees and his body badly mutilated.

The injured are: LAFAYETTE KERSTETTER, freman on the assenger train; 39 years old; wife and family at Shamokin; badly injured and scalded; cannot live.

Joun Shour, fireman of the coal train lives at Port Richmond; back broken and otherwise injured; cannot five; removed to Pottaville, and then sent to his home. PETER J. O'NEILL, passenger on smoking ar, shoulder blade broken.

FRANK BETZ, Ashland, master mason for & R. Ry. Co , slightly injured ; mostly FRANK BASTIAN, Mabanoy City, right leg

and out of season for his party and caudi-dates. He is at present clork in the Com-missioners' office, and under a former ad-ministration was chief clerk, which he filled with much ability. an obstruction in the shape of a railroad spike, which was lying across the rail. The engine jumped the track and made a head-on plunge into the engine of a coal train standsociety news: "A double wedding is ing on a parallel track. The engineer of the promised for the near future. Two promipassenger train, Samuel G. Grier, was instantly killed. The front coach of the nent young men of town will tie themselves instantly killed. The frost coach of the to two sisters, residents of Shenandoah. The passenger train was thrown on its side and down the embaukment. All the passengers

were badly shaken up, but none sustained langerous injury. Frank Bastian, of Mahanoy City, who was among the injured, stated that the passenger train was running at a high rate of speed The Seventeen Club last evening called at train was running at a high rate of speed the residence of Hon. John W. Morgan, on When it struck the obstruction and curve The engine jumped the track and the smok-ing car followed. The engine ran along the bome, on South Jardin street. Upon arrival sills for several yards before it struck the there the club presented Mrs. Morgan with a handsome china fruit dish as a token of esteem. The presentation was made by Mrs. George Seager. A collation followed. Shop Improvements.

## BUFFALO STRIKE!

It Has Resulted in Closing Down All the Elevators.

CONNERS VIOLATED AGREEMENT,

According to the Statements of the Men. But the Contractor Donles the Charge-Bishop Quigley, After Investigation, Sides With the Strikers. Buffalo, May 16.—The dock situation

is worse today than at any time since the opening of the season. The monthly men, the men who work in-Mr. Seeds was formerly proprietor of the side of the elevators, are out, and have Hotel Windsor at Clearfield and has had a agreed to remain out until the grain licket.

The other change pending is in connection ers claimed that Mr. Conners had viosociation had made with the union. The bishop summoned many witnesses

> At the conclusion of the conference in view of the course adopted by the contractor he would not advise them to return to work. It has been decided, he said, that the only way to win a victory that would have any material results was for all the laboring men employed on the docks, including grain shovelers, monthly men, freight handlers, coal passers, ore handlers and holsting engineers to unite and con-tinue the contest until the grievances said that no settlement would be efto employ none but members of the new grain shovelers' union. If this demand was not agreed to, Bishop contract. No settlement of the difficulty will be reached now until all

The freight handlers, monthly men Schnell, also of Paterson, N. J. When the stand by the grain shovelers, and the coal passers and ore handlers will make the same agreement today. The additions to the strikers yes-terday, beside the monthly men, were

the local branch of the International Union of Engineers, many of whom are employed on the hoisting engines along the dock. They adopted a resolution to assist the grain shovelers.

Bishop Quigley last night appointed Timothy P. Donovan as inspector of the docks, in accordance with the agreement entered into by the Lake Carriers' association, Mr. Donovan will have access to all elevators and vessels, and his samary the Lake Carriers' association. the Lake Carriers' association. "I have not violated the agreement made by the Lake Carriers' association in any

ment that I required that all men seek-ing employment should present cards issued by me is false. I made no such arrangement, and did not sanction any such action on the part of my bosses."
President Keefe, of the International 'Longshoremen's association, has tele-graphed that he is coming back to Buffalo immediately for the purpose of affiliating the new grain shovelers union with the 'longshoremen's asso-ciation. The members of the state board of mediation and arbitration also have been requested to return.
