ANOTHER CAPTURE!

Captured by Our Victorious Troops in the Philippines.

OUR FLAG OVER SAN ISIDRO.

Minnesota, Oregon and North Dakota Regiments Encountered the Enemy Two Miles From the Capital and Pursued Them Through and Beyond It.

Manila, May 18.—Colonel Summers' command, consisting of the Twenty-second Infantry on the left, the Minnesota regiment in the center and the Oregon and North Dakota regiments on the right, preceded by scouts and accompanied by Scott's battery of artillery, advanced from Bataarte at daylight yesterday.

The rebels retiring when our artillery opened fire. Just outside the town a rebel force, estimated to number 2,000 men, was entrenched. It made a slight resistance, but evacuated its position when our troops turned its right flank.

The enemy's loss was 15 men killed and 20 wounded. Our troops also captured three prisoners and many rifles. In the American side one soldier of the Oregon regiment and one of the Minnesota regiment were slightly wounded.

After capturing the town Colonel Summers' troops continued their advance, pursuing the retreating rebels for several miles.

The expedition under Major Kobb, of the Third artillery, consisting of the Seventeenth infantry, a battalion of the Ninth and one battery of the First artillery, left Calumpit at daybreak yesterday, marching from Rio Grande to join General Lawton's division at Arayat.

Major Kobb's column reached San Luis, eight miles up the Rio Grande, yesterday, meeting with some resistance, but the American side was victorious. One man was wounded during a brush with the rebels.

At daybreak today the Americans began a further advance toward Candaba, about six miles up the river beyond San Luis.

The insurgents along General MacArthur's front evacuated their positions during the night, presumably moving further up the railroad.

The Twenty-second Infantry has sailed for the transport Leon XIII for Jolo Island, to relieve the Spanish garrisons there.

While the rebels still threaten San Fernando in considerable force, large numbers of natives, a majority of them being families with their household goods, are returning daily to the towns inside the American lines, at Apalit especially.

Many of the richer Filipinos are coming to Manila and laborers are resuming work in the rice fields. The latter have been treated with respect for American sovereignty by removing their hats to the passing trains.

Owing to the bad condition of the wagon roads the work of repairing the railroad is being actively pushed. All the broken bridges have been trampled, and only a few excavations remain to be filled up. Trains will undoubtedly be running through to San Fernando in a few days.

The only natives there are some Filipinos from Macabebe, who are treating with our soldiers. At daylight yesterday Lieutenant Hill, who with 25 men of the Fourth infantry was concealed in the trenches near Paig, was attacked by a force of rebels, who evidently imagined they could capture one of our outposts, because only a few shots had been fired by the American force. A few volleys put the enemy to flight, the rebels losing five men killed and a number of wounded.

Aguinaldo's ex-secretary, Escamilla, who was arrested here on Feb. 25, is now employed as official interpreter by the authorities.

Special to Evening Herald, Washington, May 18.—Major General Otis cables to the War Department that Aguinaldo, the Filipino insurgent leader, will send in a commission to-morrow to seek terms of peace.

NO EXTRA SESSION YET. President McKinley Has Not Yet Considered the Subject.

Hot Springs, Va., May 18.—President McKinley has not yet given consideration to the subject of an extra session of congress. This statement was made officially here last night, and was brought forward by published announcements that an extra session had been decided upon on the one hand and on the other that such a session would not be called.

The dispatch of General Otis regarding the capture of San Isidro by General Lawton, and his forcing of the scattered insurgent ranks into the mountains, was forwarded here by the war department. The news it bore was so pleasing to Mr. McKinley that he immediately sent his congratulations to General Lawton in the following telegram:

"To Otis, Manila: Convey to General Lawton and the gallant men of his command my congratulations upon the successful operations during the past month, resulting in the capture this morning of San Isidro."

The president's visit here is nearly at an end. It is almost certain that the party will reach Washington some time Saturday. The rest from official routine, the freedom from intrusion and the exercise in the open air has given the president the recuperation he needed.

Keeping Barbers Busy. The law recently enacted at Harrisburg regulating barber shops will work quite an innovation in the shops all over this state.

The law requires that a steam bath every time it is used, while the razor used upon a customer must be dipped into an antiseptic solution before being applied to another man's face.

Individual cups must be used, as no two persons are to be shaved with a razor from the same cup, while fresh soap must be used with each customer. A fresh towel will also be provided for each person shaved. Combs, brushes and other implements must be washed and thoroughly cleaned and the shops must at all times be clean and tidy. In order to secure the enforcement of this law three inspectors are to be appointed, and it will be their duty to canvass their districts just as is done by the factory inspectors.

She alleged that, after inducing her to leave her household effects to this town and procuring the marriage license, Anzick made arrangements to leave the town and abandon her. Justice Shoemaker succeeded this morning in bringing about an understanding between the parties and, accompanied by Policemen Feigle and Constable Phillips, the couple went to a priest and were joined in marriage.

Explosion of Powder. John Beneshofski, of Bowers street, was painfully burned about the face, neck and hands in the Indian ridge colliery last night, by an explosion of powder. While he was making a cartridge a spark fell from his lamp into the powder and caused the explosion. Beneshofski was attended by Dr. Church, and to-day was sent to the miners' hospital.

NEWS FROM POTTSVILLE

One Cause of Delay in the Trial of Cases.

THE BOND ISSUE CONTROVERSY!

Controller Muldon keeps the Documents Locked up and Steps are to be Taken to Compel Their Delivery to the Purchasers—Trolley Talk.

Pottsville, May 18.—Judges Bechtel and Marr are disposing of cases as rapidly as possible, but it is not likely that all of them marked for trial will be reached during the week. The lawyers themselves are responsible for this, by interjecting irrelevant testimony and unnecessary arguments. One case tried yesterday, in which a verdict was secured for less than \$200 occupied the entire day.

RESPONSIBLE FOR AGENTS' ACTS. In his charge to a jury yesterday afternoon Judge Marr defined the liability of a principal as to an agent's acts. By R. F. Phillips, of Pinegrove, and Joe Shadle, now of Reading, were the defendants in three suits with as many prosecutors, in a suit to recover judgment for goods furnished. Shadle conducted a general store at Pinegrove, was sold out by the sheriff, and Dr. Phillips became the purchaser, placing Shadle in charge as his agent. Judgment was given in favor of the plaintiff in two cases, and the third case was continued. Landis & Co., of Philadelphia, and Simon Miller & Sons were the plaintiffs. The defendants put up the plea that Dr. Phillips placed certain restrictions upon his agent, that the latter was not authorized to order goods unless the order was counter-signed by him. The plaintiffs having no knowledge of this restriction, Judge ruled that the defendant was liable for the claim.

LOWER COURT AFFIRMED. The Supreme Court has affirmed Judge Eedlich in the case of A. G. Faust vs. P. & R. R. Co. in which the jury awarded the plaintiff \$1,500 damages for the loss of two of his children, who were run over and killed at Brush Valley.

THE BOND ISSUE. Controller Muldon continues to keep the bonds, signed by the Commissioners and awaiting his signature, locked up in the vault in the Controller's office. It will be recalled that the entire issue of \$175,000 was awarded to E. C. Jones & Co., of Philadelphia, at a joint meeting of the Commissioners and Controller, but the latter, after consulting his counsel, refused to attach his signature. Consequently there is a halt in the proceedings, and in the meantime the county is paying the maximum interest, which is about \$12.50 each day.

Notwithstanding the purchaser is willing to accept the bonds without the signature of the Controller, claiming that it is not necessary, the Commissioners will take no further step and will not deliver the bonds to Jones & Co. It was stated to-day that ex-Judge Kock, counsel for Jones & Co., will on Monday ask the court to grant a mandamus to compel the Controller to deliver the bonds to the purchaser. This will test the legality of the contract and determine whether or not the Controller's signature is necessary.

TROLLEY CONSOLIDATION. The county seat newspapers contain official notice that application will be made to the Governor this month for the charter of the Pottsville Union Traction Company, with a capital of \$100,000. The incorporators are Philadelphia capitalists, and will control all of the electric railway roads, four in number, now operating in the lower part of the county. The foundation of the new company disposes of the rumor that the big trust combine, which is buying up trolley roads all through the state, was to purchase the roads in this vicinity.

DEMOCRATIC CONVENTION. The members of the Democratic Standing Committee will meet here next Saturday morning, in Union Hall, for the purpose of determining the time and place for holding the next county convention. There is much discussion among the leaders as to when the convention should be held, some favoring an early convention and a small number arguing for a late date. Last year the convention was held on July 11th. The two weeks' term of criminal court begins June 19th, and it is fair to assume that the Democrats will be called together next month. It will likely be held July 30.

Public Library Notice. All persons holding books belonging to the Shenandoah Free Public Library will please return them on Thursday afternoon, 18th inst., and not later than Saturday evening, 20th inst. By order of the Board of Library Trustees. FRANK HANNA, Librarian. 3-15-99

Deaths and Funerals. The funeral of Vincent, an infant child of Matt Smarowski, took place this afternoon. It was largely attended. The remains of James Glennon, of Jackson, were interred at Mahanoy City this morning. High mass was celebrated at St. Canisius church.

The funeral of Catherine, widow of Thomas O'Hara, took place this morning from the residence at 21 South West street. There was a large attendance of relatives and friends. Solemn requiem mass was celebrated in the Assumption church. The remains were taken on the 12:30 p. m. P. & R. train to New Philadelphia, for interment there. J. J. Franzy was the funeral director.

Hall For Slender. Deputy Sheriff Toole yesterday afternoon served the papers on the defendants in the slender suit of Mrs. Sarah Faust against John South and his wife, Kate. The suit is for \$1,000 damages. All the parties reside in this town. The defendants entered \$200 bail with the Deputy Sheriff.

A ROBBERY.

One of the Culpitias Caught Selling Part of the Booty.

The barber shop at the southeast corner of Main and Oak streets was robbed yesterday afternoon, at two o'clock. Razors, strops, scissors, etc., to the value of about fifteen dollars, were carried away. Entrance was gained to the place, during the absence of the proprietors, by forcing open a window.

Last evening a boy named John August offered a strop and razor for sale to Harry Morris, who knew of the robbery, for 25 cents. Morris took August to the barber shop, and there the boy confessed to the robbery, implicating three other boys. No arrests were made, as all the stolen property was recovered through information given by August. Some of it was found under the steps of the old church, on East Oak street, and another lot was recovered from a rock bank of the Plank Ridge colliery.

American and German Compressed Yeast is sold by all grocery keepers. All first class bakers use it. Fresh, reliable and quick. Makes the best bread. Try it. 4-24-14

"The Hub." A large wagon wheel and a sign in big letters "The Hub" are the latest additions to J. J. Franzy's awning at his building, corner of Main and Liberty streets. "The Hub" is the title of a new department store to be opened in a few days by the owner of the building. The stock is arriving daily and is being arranged for the opening. The new store will occupy the store room recently vacated by the Conway store.

The Fairy Operetta. The fairy operetta "Cinderella," which will be produced in Ferguson's theatre on Friday, May 26th, will embrace the largest cast that ever appeared in a production at the theatre. It will number 140 persons. A special feature of the performance will be the portrayal of the character "Prince" by a boy actor from the Church of the Nativity, South Bethlehem. He has a remarkable fine voice.

Military Removal. Mrs. J. Hoffman has removed her military store to 110 North Main street. A call from her patrons is solicited. 5-17-14

The Tamaqua Wreck. The coroner's jury impeached to investigate the circumstances attending the railway wreck which took place near Tamaqua on Tuesday morning last evening rendered the following verdict: "That Engineer Grier came to his death from a railroad spike being placed upon the rail by Oliver Ohl, of West Penn township." Ohl is detained at the Pottsville jail.

BEECHAM'S PILLS will dispel the "blues." Taken of Esteem. The members of the Thimble Bee met yesterday afternoon, at the residence of Mrs. Paul W. House on South White street, and during a social hour presented the instructions of the Bee, Mrs. W. J. Morgan, with a handsome cut glass cream pitcher, as a token of esteem. Refreshments were served and the members extended expressions of good will to Mrs. Morgan, who left town for Philadelphia, accompanied by her son, James. Mrs. Morgan will be joined in the city by her husband about the first of June.

Trousers as Low as \$3.00. Splendid assortment, KELLY & CONWAY, Ferguson House block. 4-5-14

Not so Bad as Reported. A special representative of the New York National Building and Loan Association is in Mt. Carmel giving information to shareholders. There are many people in Shenandoah having money invested in this fund, which was thought to be insolvent. The representative, however, says the fund is not in nearly as bad shape as at first thought, and volunteers the statement that the withdrawal value of shares at the present time is only 5 per cent. less than the actual amount paid in.

Coal Train Wrecked. Special to Evening Herald. Phoenixville, May 18.—A coal train on the Philadelphia and Reading Railway early this morning jumped the track at Fort Kennedy, six miles north of this city. The train ran into the small station, wrecking it, and cars were thrown from the rails and the track was torn up for a distance of about twenty-five yards. All traffic was delayed for several hours. No person was injured.

Schuykill's New "Boss." Republican politicians who are in league with the state machine are now giving it out that W. J. Whitehouse, Esq., has been named as a dispenser of post offices and other public places in Schuykill county. Such statements are given out by Mr. Whitehouse's closest associates, but they cannot understand why the pap label should have been wrested from Mr. Brauman. Mr. Whitehouse, for this honor, is expected to keep the Quay men in line, at least until the nominating convention, but he has undertaken a very big-sized job, and may not be able to deliver the goods.
