IS THIS YOUR STORY?

"Every morning I have a bad taste in my mouth; my tongue is coated; my head aches and I often feel dizzy. I have no appetite for breakfast and what food I eat distresses me. I have a heavy feeling in my stomach. I am getting so weak that sometimes I tremble and my nerves are all unstrung. I am getting pale and thin. I am as tired in the morning as at night."
What does your doctor say?
"You are suffering from impure blood."
What is his remedy?

You must not have constipated bowels if you expect the Sarsaparilla to do its best work. But Ayer's Pills cure constipation.

We have a book on Palenes and Weakness which you may have for the asking.

President's Return to Washington.
Hot Springs, Va., May 19.—The president's visit here will close tonight. The return to Washington will be by a circuitous route. Leaving Hot Springs at 10:30 p. m., the train will run over the Chesapeake and Ohio to Staunton, Va., where the Baltimore and Ohio tracks will be taken into the Shenandoah valley. It is the intention to run the train slowly through this section, without stops, however, in order that the party may see the battlefields of Winchester and Cedar Creek. The main line of the Baltimore and Ohio will be reached at Harpers' Ferry and thence over it to Washington, the train reaching the capital tomorrow.

The funeral will take place on Sunday afternoon and services will be conducted in the Welsh Baptist church. Interment in the Odd Fellows cemetery.
Says the March Chunk News: "Mrs. Rachel Johnson, died yesterday at her home, at Raleigh, North Carolina, aged 78 years. The deceased was a daughter of William H. POLITICAL POINTS.

Judge Bechtel has announced his candidacy and will seek the nomination for Supreme Court Judge at the hands of the Democratic state convention, and his friends have assurances that he will lead in the race. While the Schuylkill Judge is a candidate he will make no scruple for the office. It is said "Boss" Guffy looks with favor upon Judge Bechtel's candidacy, and if this be true Schuylkill will be represented upon the Supreme Court bench, as there are two Judges to be elected, and the minority party must be represented. And it can be truthfully said that Judge Bechtel will honor the position.

The Democratic hosts will assemble in Pottsville to-morrow and select the date for the county convention.
There are said to be a half dozen candidates for state delegate in this district, which will have but one representative in the Republican state convention.

It is an open question who has the support of the federal plums in this county. Up to the present time County Treasurer Davis is leading them out—to both Democrats and Republicans.
It promises to be a battle royal between the Democratic candidates in this town at the primary elections.

John T. Shoener, the present Clerk of the Courts, in another column, announces his candidacy for reelection, subject to Republican rules. Mr. Shoener needs no introduction to the voters of the county, as he is one of the best known men in public office. His personal popularity was fully attested three years ago, and since he has been in office has ruled with a long list of friends.
The nomination for State Treasurer on the Democratic ticket appears to be between representatives Crosey, Dixon and Hasson, with the chances in favor of Mr. Crosey.

If you are looking for something new, and tired of newspaper changes will do, just watch Pottsville. Something new in the line bobs up every day, and great indeed is the variety thereof.—Ashland Telegram.
County Commissioner Kaufman is a candidate for reelection. He is not identified with either faction of the Republican party, and should be secure the nomination, which now seems to be assured, his election at the hands of the people is a foregone conclusion. His record during the past year is referred to by his friends with much pride. A mass of stirring qualities, and in courts, Mr. Kaufman would add strength to the ticket.

Court House Notes.
Prothonotary Deegan is again on duty. The Judges in the Lyon-Dunn contest court have not yet submitted their final report, which is due no longer over due. Lawyers on both sides are anxious for a verdict in the case.

Isaac Krotosky, of New York, filed an answer to the rule of the defendant to open judgment in the case of Isaac Krotosky vs. his E. K. Eiser. He denies certain allegations made by the defendant.
The slender suit of D. Grossman, vs. David Levine, will be arbitrated on May 31 next, at Shenandoah. Grossman and Levine are members of the Jewish synagogue of that place. The defendant charged with having accused Grossman at a synagogue meeting with having committed murder.

The case of Lichtschtein & Hopkins, wholesale cloak dealers of Philadelphia, vs. the Northwestern Insurance Company, of Milwaukee, was argued before Judge Marx yesterday morning and was still on trial today. The plaintiffs opened a store in Pottsville in 1897, under the name of the Philadelphia Cloak Store, and the stock was insured by the defendant company. A fire occurred in the building and the question at issue is as to how much the plaintiffs are entitled to for damages sustained.

The case of Champion Sewing Machine Company vs. J. Fink Thompson, of Schuylkill Haven, has been on trial two days and was given to the jury this morning. It involves a claim for commission for selling the machines.

Mr. Schack has given notice of an appeal in the two cases in which Dr. E. F. Phillips and Joel Shadle, of Tower City, were defendants, and on which verdicts were this week rendered in favor of the plaintiffs for the full amounts claimed.

Westerners For the Navy.
Washington, May 19.—Secretary of the Navy Long is deeply interested in the result of an experiment, which is to be made under the direction of Captain John M. Hawley, for the enlistment of 300 or 250 men in the middle west and west. It is believed western enlistments will quicken that section's interest in the navy. Many inquiries have been received by the department from the west by young men of adventurous spirit who would like to join the navy, but who cannot afford the expense of traveling to New York or Boston, with the chance of rejection after their arrival. It is proposed, therefore, to send a recruiting officer through the west next month to gather in recruits.
