DURING this century the struggle has been to settle rights, as those of Americans on the seas, in our last war with England, and rights at home, as in the Civil war ; abroad, it was to maintain the balance of power, as in the war between France and Germany, or to extend political influence, as in the war between Russia and Turkey. Very few of those rights or purposes are any longer in question; there is no longer any serious thought of disturbance on account of them. The struggle of the century at hand will be industrial and proceed toward Cape Bismarck, on the commercial, and the disturbances which it will cause will be national the event of a combination which be made to find the explorer, threatens to overwhelm one of the leading powers. "One Good Turn Deserves Another."

It is so easy to go through life doing good and helping to make others happy. A lady who had been ill with a complication of troubles, having been thoroughly cured and now enjoying perfect health, felt it a duty to tell her friends that the specific that brought her back to health was Hood's Sarsaparilla.

Thus, after Hood's had served her well, she felt it deserved a good turn at her hands. Thousands tell the same story of blood purified and health restored. Hood's Sarsaparilla possesses merit peculiar to itself.

Catarrh - "I suffered over six years with catarrh. Spent over \$100 in advertised cures, inhalers etc., without benefit. Finally tried Hood's Sarsuparills and it accom-plished a complete and lasting cure." M. A. Assey, Victor Ava., Worcester, Mass.

Castritis - "Nervousness caused by a fright made my wife suffer intensely from gastritis. Morphine was necessary to releave the suffering. Hood's Sarsaparilia and Hood's Plis were tried after all cise failed and in four days she improved and in It days she was cured." C. W. T. Schmidt, Cedar Falls, Iowa.

Blood Poison - "At 12 I had bone disease and used grutches. Doctor prescribed and wanted to scrape it. My grandfather gave me Hood's Sarsaparilla. After taking four betties I it. four bottles I threw away crutches, am well and go to school." CHARLES CAMPRILL, 1816 Ontario Ave., Ningara Falls, N. Y.

Dizzy Spella - "After the measles my daughter had dizzy spells, which we thought would pass off but they did not until we gave her Hood's Sarasparilla. In five days they disappeared and in one month she regained her usual health," B. H. Karrinsexx, 53 Graves Place, Retland, Mich.

incligestion - "I now have a good appetite, eat well, siesp well and my dyspepsia and indigestion have left me. The reason is I book Hood's Sarusparilla which entirely sured me. I am Baggage Master on the B. & O. Raisond." Thomas Coles, tip Carr St., Sandusky, Chio.

Mayor Jones said he wouldn't be the candidate of any party for that office, but if neither arty adopted a platform satisfactory the people he would be their can didate. This statement was regarded as very significant, as the name of Mayor Jones has been mentioned very prominently as a candidate before the Republican state convention, which meets at Columbia on June 3. It was also considered as significant, because the Ohlo Federation of Labor has issued a call for a mass meeting to be addressed at Columbus by Mayor Jones on the night of June 3, and the meeting is to be held in the same hall that will be occupied by the Republican convention during the day.

After presenting his arguments in favor of restoring to the people all the rights that were created by them in values and otherwise Mayor Jones concluded by singing his song entitled Industrial Freedom," to the tune of Marching Through Georgia," in which the whole audience joined. The demonstrations continued in and about the hall long after the meeting adjourned.
