OUR COUNTRY: First, Last and Forever.

The movement to change the Schuylkill Traction Company's tracks from Coal street to Centre street should be encouraged, thus obviating much of the dissatisfaction that now exists as to the condition of the former thoroughfare.

The 3rd Nebraska Regiment is now clamoring to be sent to the Philippines. The attitude of the successor of Col. William Jennings Bryan is in quite obvious contrast to the fighting proclivities of the silver orator during his brief career in the volunteer service.

The praise which Archbishop Ireland is receiving in Europe for his eulogy of Joan of Arc is not the first given him for a treatment of the same subject. The first prize of the many he captured during his school days was for a paper on the Maid of Orleans.

ACCORDING to report the Spanish clergy in Cuba and Porto Rico bitterly criticize the American authorities for introducing in the island the idea that marriage is a civil contract, and are still more indignant because the new laws recognize the possibility of divorce.

THE GERMAN-American who has just got himself into prison in Germany for applying an offensive epithet in that country to the Kaiser will hardly arouse much sympathy in the United States. This person ought to have known, and doubtless did know, that no such liberty to abuse the head of the state is allowed in Germany as there is in this country.

THE Presbyterian Church of the United States is to be congratulated on the announcement made by the Moderator that with the exception of the Freedmen's Board, all the boards of the church have closed the church year without any indebtedness. The return of prosperity to the country has evidently had its effect upon the financial condition of the church. Only a few years ago, almost if not all of its boards were struggling with a debt which was hampering it in its work.

JOHN O. URBAN, Esq., brought to the convention a big batch of pamphlets containing a synopsis of the speeches made by him throughout New York State in 1906 in behalf of William Jennings Bryan and the Chicago platform. The pamphlets were eagerly devoured by the members of the committee—Chronicle. The manner in which the members of the Democratic Standing Committee "devoured" the pamphlets is not made clear by our contemporary. It is inferred, however, that the mastiquating process occurred previous to the rejection on the part of the committee of Mr. Ulrich's resolutions endorsing Bryan and the Chicago platform. We would suggest that the doses be reduced hereafter.

Currency Reform.
It is understood that the House Republican Caucus Committee, appointed to frame a scheme of currency reform, has agreed upon a measure along the following lines:
The redemption of all obligations of the government in gold on demand.
Greenbacks, when once redeemed for gold, to be retained only for gold.
Permitting national banks to issue notes of the par value of their government bonds deposited in the Treasury, instead of ninety per cent., as at present.
Permitting the minimum capital of national banks to be twenty-five thousand dollars, instead of fifty thousand dollars, as at present.
This plan is much less comprehensive than ardent advocates of general currency revision have urged, but was adopted because harmonious agreements on it was possible which was not the case when more radical measures were suggested.

TALES OF OUR HEROES.

An Opportunity to Secure the Book Presented to Shenandoah People.
The Herald has succeeded in making arrangements with the publishers of the "Hero Tales of the American Soldier and Sailor," whereby the people of Shenandoah can secure this work at a nominal cost. This work can only be secured through our local agents, Messrs. Hooks & Brown, who will make a thorough canvass.

The book contains 600 pages and 100 illustrations and is finely bound in illustrated cloth. It contains the most important battles that the American soldier and sailor have fought and graphically illustrates them. Special attention is given to the late Spanish war, and among the illustrations are "The Destruction of the Maine," Dewey's "Victory," "The Defense of the Albatross" and "The Defense of Camp McClalla" and many others.

The books retail all over the country at \$2.00 per copy and thousands have been sold. The terms upon which the books will be sold here are as follows: Any person who will order a copy of the Herald for six months will be supplied with a copy of this excellent history of our country's defenders for 75 cents. Remember, a \$2.00 book for 75 cents, the only condition being that you agree to take the Herald for six months.

The Herald is progressive, enterprising, wide-awake and always will be. Its daily visits will keep you better informed than any other paper on the news of this locality, county, state and nation. Copies of the book can be examined at the store of Hooks & Brown, No. 4 North Main street.

Grippe Cured.
"Last winter I had a bad cold and severe cough. I was lame in every joint and muscle. I was sick and felt as though I was coming down with typhoid fever. It was no doubt a bad case of grippe. Mr. E. P. Budge gave me a bottle of Brazilian Balm, saying he was sure it would help me. The relief was almost instantaneous. It quickly stopped my cough and took the grippe with all the pains and soreness out of my system. I gave the balance of the 50-cent bottle to Mrs. Bishop Wiley for her daughter. It proved so beneficial she says she never intends to be without it."—Edwin Fitz Jones, Cincinnati, Ohio.

Austin Formally Charged With Murder
Belleville, Mo., May 22.—Austin Formally charged with the murder of his mother and brother at Middleburg and who is believed to have tried to kill himself, may recover. He is still at the house of a neighbor, where the inquest was held yesterday. Austin told the coroner that he, the mother and brother and himself, but no credence is given the statement. Austin was yesterday charged with the murder, and is now under guard. There is great indignation among the people that part of the county, and threats to lynch Austin if he recovers are freely made.

Robbed a Famous Shrine.
Santiago de Cuba, May 22.—The startling discovery was made on Sunday that the famous shrine of Nuestra Señora Caridad, at El Cobre, had been robbed of jewels valued at \$25,000, and that the head of the statue had been broken off and removed. The report caused great excitement in the town, where the shrine has long been the principal attraction. It is supposed to have miraculous healing powers, and is visited annually by thousands of pilgrims from all parts of Cuba, from Mexico and even from Europe, who have loaded the image with rich gifts.

Horseless Carriage Race Against Time
Cleveland, O., May 22.—An automobile started from Cleveland for New York yesterday in an attempt to break the horseless carriage time record between the two cities. The run is made under the auspices of the Plain Dealer. The machine carried Mr. Alexander Winton, the horseless carriage manufacturer, and a Plain Dealer representative. The latest talk with him is a message from Mayor Farley of Cleveland to Mayor Van Wyck of New York. "The route selected is about 800 miles in length.

All the healing, balsamic virtues of the Norway pine are concentrated in Dr. Wood's Norway Pine Syrup, nature's own remedy for coughs and colds.

Boer Officiate's Conspiracy.
London, May 22.—The Johannesburg correspondent of the Morning Post, in a dispatch dealing with the recent arrest of former British officers on the charge of a conspiracy to promote a rising, says he is now convinced that the conspiracy was primarily formed by Boer officials. Police Commissioner Schutte was the prime mover. Schutte, who evidently used President Kruger's son as a tool, has been forced to resign, but will appeal to the volksraad for reinstatement.

Brooklyn's \$200,000 Fire.
Brooklyn, May 23.—Fire on Freeman street, in the tenement district, yesterday destroyed \$200,000 worth of property. Sixty families were made homeless, and many women had narrow escapes, and Fireman McGinnis' heroic rescue of a woman and child will doubtless win him a medal of honor. The brave fireman had his face burned and his wrist broken. Four others received more or less serious burns. The fire destroyed four manufacturing establishments, throwing 150 men out of work. Nine tenement houses were also destroyed.

Washington, May 22.—Secretary Gage has issued an order to the collector of customs at San Francisco directing him to permit the landing of 450 Chinese persons upon satisfactory proof that they are employed by exhibitors or concessionaires of the Philadelphia exposition to be held during the coming autumn.

WASHINGTON'S PEACE JUBILEE.
The "Three Days' Celebration Opened With National Salutes This Morning."
Washington, May 22.—The National Peace Jubilee, with which Washington will celebrate the return of peace, began today, and will continue for three days. Incoming trains are bringing many strangers to the city, particularly from the south. The weather bureau predictions are for continued cool and fair weather during the jubilee days. Buildings on Pennsylvania avenue and the downtown streets are covered with bunting, a notable feature being the reappearance of the red and yellow Spanish flag alongside the Spangled Banner of the victors. Portraits of the latest heroes of the nation, including Dewey, Schley, Hobson, Roosevelt and others, are conspicuous in the decorations.
