OUR COUNTRY: First, Last and Forever.

CONSIDERABLE interest is being
manifested among the Republicans
of this district in the election of a
delegate to the state convention.

YOU cannot reach HERALD readers
through any other medium. And
this paper has more readers than all
the other publications in Shenandoah.

It is now almost three months
since the Borough Auditors began
their work of auditing the accounts
of the officials of Shenandoah, and
up to the present time no report has
been made to the Town Council.

If the Schuykill Traction Com-
pany desires to earn the good graces
of the people of this town, they will
abandon the narrow thoroughfare
in the town, and lay their tracks on
West Centre street. And none should
be better pleased than the residents
on Coal street.

THE telegraph tells us that a Read-
ing lawyer was assaulted on the street
in that city by two women, because
the limb of the law referred to them
in an uncomplimentary manner while
they were on the witness stand. Im-
agine what would be the result, if
you can, had the women in question
been witnesses in the Schuykill
county court.

THE silver wing of the Democratic
party in this county are much put
about because the members of the
Standing Committee refused to en-
dorse Bryan and the Chicago plat-
form. When it is considered that
those who favored the Ulrich resolu-
tions were not members of the com-
mittee, but were merely substitutes,
it is plain that the committee acted
wisely in turning down these inter-
lopers.

THE Democratic press, or to be
more accurate, the silver press, are
now abusing ex-Senator Peffer, who
has deserted their cause and returned
to his first love, the Republican party.
We are not sure that the latter party
is to be congratulated; but it might
be pertinent to inquire, if Peffer
acted the Benedict Arnold in his de-
sertion of the Bryan cause, what
position did he occupy when he left
the Republican party seeking false
gods?

THE committee having in charge
the solicitation of funds in behalf
of the widows and orphans of the
victims of the Lattimer riots in 1897,
have just made public their report.
The receipts of the charity fund is
given as \$4,305.50, and the disburse-
ments to widows and orphans and
other dependent relatives of the
victims was \$4,190.71, leaving a bal-
ance of \$115.59. The committee also
collected \$4,169.71 to prosecute Sheriff
Martin's deputies, and for that pur-
pose they expended \$4,751.58.

CHRISTIAN Scientists are not a bit
dismayed by the popular clamor
directed against their cruel methods.
They consider it a good advertisement
for them, and they are now going
to play the game to the last trick, now
that they have secured the attention—
no matter what kind of attention—
of the public. To this end they have
decided to charter the Metropolitan
opera house in New York city, for
next Sunday, and they will then hold
a giant meeting to demonstrate to
the world at large the salient points
of their religion.

EDITOR PARKER, of the Mahanoy
City Record, has just returned from a
trip throughout the state, and he
comments as follows: "While the
coal regions are dull to desperation,
in other sections of the state business
is enjoying a genuine boom, an un-
mistakable boom. In Philadelphia
idle men and women are comparat-
ively few. Said a man in the employ
of a large manufacturing establish-
ment: 'It used to be that all we had
to do when we wanted a man for
extra work was to go to the shop door
and pick out the best man from the
crowd that were waiting there for
the crumbs of work. It isn't that way
now. When you want a man you
must seek him, and there is a tick-
ling about terms. It is so in other
parts of the state.'"

MANY young women are completely prostrated for a
week out of every month by menstrual sufferings.
The terrors of menstruation overshadow their whole
lives. How needless this is in most cases is shown by the
thousands of grateful letters constantly
coming to Mrs. Pinkham at Lynn, Mass.,
from women she has helped.

MISS JOSE SAUL, Dover, Mich., writes
as follows to Mrs. Pinkham:
"I suffered untold agony every
month and could get no relief until I
tried your medicine; your letter of ad-
vice and a few bottles of Lydia E. Pinkham's Vegetable
Compound have made me the happiest woman alive.
I shall bless you as long as I live."

MISS ROSA HELDEN, 126 W.
Cleveland Ave., Canton, O.,
writes:
"DEAR MRS. PINKHAM—
Four years ago I had almost
given up hope of ever being
well again. I was afflicted
with those dreadful headache
spells which would sometimes
last three or four days. Also
had backache, bearing-down
pains, leucorrhoea, and terri-
ble pains at monthly periods
confining me to my bed. After
reading so many testimonials
for your medicine, I concluded
to try it. I began to pick up
after taking the first bottle, and
continued to gain rapidly, and
now feel like a different woman.
I can recommend Lydia E. Pinkham's Vegetable
Compound in highest terms
to all sick women."

Pain leaves its mark. Faces become pale and thin. Fea-
tures grow sharp and haggard. The stamp of suffering is un-
mistakable. Write to Mrs. Pinkham for aid. Her experience
is the widest in the world and her advice is free.

The Peace Conference.
The Hague, May 24.—The three com-
mittees appointed by the peace con-
ference held their first sessions yester-
day afternoon, these being devoted
solely to inaugural formalities and an
exchange of ideas with regard to pro-
cedure. They will meet again on Fri-
day. M. De Staal, head of the Rus-
sian delegation and president of the
conference, attended the meeting of the
arbitration committee, sitting next to
M. Leon Bourgeois, head of the French
delegation. The measures to preserve
the secrecy of the deliberations have
been redoubled.

THE WRECKED STEAMER PARIS.

Leading Cornish Diver Believes the
Big Atlantic Diver Becomes the
Falmouth, May 24.—A leading Cornish
diver who returned here last
night from the stranded steamer
Paris takes a very pessimistic view of
the prospects of saving the liner. To
a press correspondent he said: "I do
not anticipate that the Paris will ever
be refloated. She is pierced by rock
amidships, her foreholds are badly
damaged, the bulkheads are practi-
cally useless, and even if she were got
out of the rocks I believe she would sink.
In my opinion the only remedy is a
false bottom, which it would take a
month to complete, and I believe that
even moderately rough weather in the
morning would break up the ship."

Michigan's Railroad Taxation.
Lansing, Mich., May 24.—The house
yesterday refused to concur in the
railroad taxation bill passed by the
senate nearly two weeks ago, increas-
ing railroad taxation under the present
law about \$32,000 annually. In the
afternoon the house passed a bill, by a
vote of 72 to 22, which increases the
taxes on railroads operated in this
state to \$50,000 in round figures over
last year's assessment. This renews
the fight over the question of railroad
taxation, and it is not possible that
the legislature can now adjourn on the
date fixed in the pending senate resolu-
tion, May 28. Governor Pingree be-
lieves the senate will be forced now
to take some action tending toward a
decided increase in railroad taxation.

Victoria's Eightieth Birthday.
A Great Gathering of the Royal Fam-
ily at Windsor Castle.
London, May 24.—The gathering of
the royal family at Windsor Castle to-
day to celebrate the eightieth birthday
of Queen Victoria is the largest, with
the exception of the jubilee gathering,
that has assembled there in many
years. Not only are four generations in
succession present, but there is a
great gathering of children and grand-
children of her majesty. The royal
household is already in gala array; the
country itself is brilliant with flags,
chestnut and laburnum blooms, while
the grey old castle is gay with the
royal standard and British flags.
The program opened with a service,
a musical performance by the choir societies
in the quadrangle of the castle, at 10
o'clock this morning. This was fol-
lowed by the presentation of addresses
and rose baskets by the royal war-
rent holders, a parade of the Second
regiment of Scots Guards, the firing of
a few 40 lb. and a thanksgiving ser-
vice in St. George's chapel. A perfor-
mance of "Lohegrin" takes place this
evening in the Waterloo chamber of
the castle, in which the entire Covent
Garden company will appear.
Although the official celebration in
London will not occur until June 3,
there were thanksgiving services to-
day in St. Paul's cathedral and West-
minster Abbey, as well as in many
other large churches, and reviews at all
the military barracks.
