Lieutenant Fred W. Pierce, of the Sixth United States artillery, committed suicide here this morning. He came from Iloilo a week ago on leave, but lingered here beyond the limit and failed to reply to repeated telegrams from his commander. Yesterday he was put under arrest on his commander's order. This morning anothe officer called to see him, when he sud-denly pulled a revolver from under his

pillow and shot himself through the head. His friends say his mind was affected by a recent sunstroke. The rebels on Saturday night made
