TRUE BILL AGAINST COYLE

Grand Jury Indicts ex-Senator in Bribery Case—Simonton Warns Jurymen.

Harrisburg, June 16.—The grand jury last evening found a true bill against ex-Senator John J. Coyle, for attempting to bribe Representative Engler, of Lycoming county, to vote for the McClellan bill. The legislative bribery cases were all sent to the grand jury, but before they were sent the District Attorney had the grand jury brought into the court room where Judge Simonton gave them some information relating to legislative bribery.

The judge told the jury, after he had read the law relating to the crime, that they must consider the bills of indictment the same as they would consider any crime; should pay no attention whatever to politics in connection with them, and should solely inquire into the testimony and ascertain if the parties mentioned in the indictments did offer money or anything else in their endeavor to secure the votes of members of the Legislature on any pending legislation.

The jury took the bills and retired. It first inquired into those of John J. Coyle, against whom there were eight counts for corruptly soliciting Representatives Engler, Christie and Johnson. Engler and the other witnesses went before the jury and gave their testimony, and after deliberating the grand jury returned a true bill against Coyle for corruptly soliciting Engler. The other seven counts, being covered by the true bill already found against Coyle, were ignored.

The bills against the other defendants will be examined by the grand jury to-day. All the secret who had interests in the prosecution and defense were here, but as the cases will very likely be postponed, some of the witnesses were dismissed to go home. It was intended to try the cases at the present term of court, but there are so many cases before the court that it will be impossible to try them, and they will be postponed until September.

A LIVELY SESSION!

Councilmen Discuss and Act Upon Several Important Matters.

THE TELEPHONE FRANCHISE!

An Ordinance Permitting the Equitable Telephone Company to Erect Poles and Stretch Wires Adopted. Proposed Redemption of Borough Bonds.

A regular meeting of the Borough Council was held last evening. All the members were in attendance, and the session was a lively one. The question of street paving did not come up until the tail end of the meeting, when Councilman James attempted to speak up, but was called to order by President McGuire and an adjournment took place while the Councilman was protesting. Councilmen McGuire, Tracey, Coakley, Boehm, Magrath, Straughn, James, Hand, Harkins, Brennan, Howells, Shoemaker, Murphy, Bell and Neisewter were in their seats and the annex of the Council chamber was filled by a number of spectators, including the secret who had interests in the proceedings, among them S. G. M. Hollister, Esq., representing the Equitable Telephone Company, the home corporation, and a Mr. Lindenmuth and another young man with a flashy necktie, representing the Bell Telephone Company.

Frank J. King sent in a communication in which he asked damages for the loss of services sustained through his son being injured on account of an alleged defective pavement in front of No. 230 East Centre street. An offer to settle for \$50 was made. The matter was referred to the street committee with instructions to ascertain the name of the property owner and give him a chance to pay the amount of damages claimed.

Mr. Coakley said the roads and highways committee had not met Mr. Ash, manager of the Lakeside Electric Railway Company, and that he had promised to consult with the officials of the company with a view to having the improvement of East Centre and West Coal streets proceeded with. It was also stated that the gutter at the corner of Chestnut and Poplar streets required attention, the committee recommending that an open gutter be substituted for the drain pipe placed there by the borough. The latter matter was referred to the street committee with power to act.

Mr. James moved that the matter of paving East Centre street be laid on the table indefinitely and that the Borough Solicitor be instructed to go into court and ask for judgment of the case of the borough against the Lakeside Electric Railway Company. He said that he made the motion in view of the fact that testimony had been taken in the case and there appeared to be nothing required but an order in the affirmative on the motion to pave.

Mr. Straughn then moved that the Borough Solicitor be instructed to appear in court next Monday and request that the earliest possible day be fixed for argument of the suit with a view to placing East Centre street in a passable condition, it having been stated that constables threatened to report the condition of that street and West Coal street to court. This motion prevailed.

The street committee was instructed to look into the crossing at the intersection of Main and Coal streets two feet in width, and to recommend a temporary loan of \$4,000 to be made for 90 days. The recommendation was adopted. This was necessary to meet the interest on bonds issued, and a temporary loan while Council contemplated spending money in street paving. President McGuire said "we are borrowing this money on money in sight."

Mr. Straughn reported that all arrangements had been made for the issuance of a new duplicate to include the borough, school and county duplicates, and that it will be ready some time next month.

Mr. Bell then submitted the following resolution which, he said, would result in a saving of \$2,500 a year to the borough:

Be it resolved by the Borough Council of the Borough of Shenandoah, that the bonded indebtedness known as water bonds now bearing five per cent, and the bonded indebtedness known as borough bonds now bearing four per cent, be refunded and released in denominations ranging from \$100 to \$1,000; and that they be denominated as water bonds and borough bonds, and the same be authorized to sign and execute the said bonds, and to affix the seal of the borough corporation thereto and that the tenders be notified by advertisement for the purchase of said bonds for a price not less than par and accrued interest from August 1, 1899.

Mr. Bell stated that the resolution he offered was an exact copy of one recently adopted by the Borough Council of Pottsville. It was referred to the Finance Committee.

Council decided to purchase four branch pipes with harness, valued at \$38 each, two for each of the hose companies, but the purchase order was not made and was laid over.

Mr. Bell stated that the Bell Telephone Company had offered to re-wire the town for the fire alarm system, providing the borough furnish the wire. Mr. Lindenmuth, representing the company referred to, said the offer stood good provided the wire be furnished when the company has its men here to repair its own system, which will probably be next week.

Council awarded P. W. Bell the contract for furnishing 2,000 feet of wire for the fire alarm system, at 25 cents per foot. The wire is to weigh 24 ounces to the foot.

Mr. Bell subsequently moved that the Fire Apparatus Committee be empowered to purchase sufficient wire at the price bid to re-wire the entire fire alarm system and the motion was carried with an amendment by Mr. Straughn that a special meeting of Council be held next Tuesday evening to hear a report of the committee on the quantity of wire required, and the cost.

The Survey Committee was instructed to have the Borough Surveyor make measurements of them alley for use in the suit of the borough against J. J. Franey, which will be up before the Grand Jury next Monday; and the Law Committee was instructed to assist the Chief Burgess and Borough Solicitor in preparing the case.

Mr. James then presented a report of the Ordinance Committee, recommending the granting of a right of way to the Equitable Telephone Company, of town. The ordinance was read, adopted, and ordered to be signed by the proper borough officials and published. It provides that if it is not accepted within three months from the date of execution, and operations are not begun within one year, it shall be null and void.

Mr. Bell was opposed to having any poles erected in the town and said he favored the ordinance provided the new company would enter into an agreement to use the poles of some other company, and show that it intends to do business. He added that Mr. Seiler (William J. Seiler, Jr.) had stated that the franchise of the company could be sold at any time after the right of way had been secured.

Mr. Neisewter asked where he got his information and Mr. Bell responded with substance that Mr. Lindenmuth (representative of the Bell Telephone Company) had made the statement.

Mr. Hand thought that the ordinance ought to provide that the moment the company sells to some other party, or a combine, the grant be null and void. He said the people are crying against trusts and Council should begin its opposition to them with the ordinance. To this Mr. James responded that the proper way to fight trusts is to encourage competition.

The adoption of the ordinance was opposed by Messrs. Coakley, Bell, Brennan, Murphy, Howells and Neisewter.

The following proposed ordinance was presented by Mr. James and read by the secretary:

"No bulk, bay, jut or oriel windows projecting beyond the building line of any street shall hereafter be erected by any person or persons, firm or corporation upon the first story of any building.

Bulk, bay, jut or oriel windows may hereafter be erected upon the second, third and rear ends of buildings extending over the pavement of the street from any story except the first within the lines drawn from the intersection of the party lines and building lines at an angle of twenty degrees with the latter, and to a distance of not more than one foot beyond it. Whenever it shall come to the knowledge of the borough that any person or persons, firm or corporation are erecting or caused to be erected, or are about to erect or cause to be erected any bulk, bay, jut or oriel window, under the provisions herebefore recited, it shall be the duty of the borough to cause to be removed the said bulk, bay, jut or oriel window about being constructed or erected, or hereafter erected and the said person or persons, firm or corporation shall be held liable for the cost of such removal and be empowered to call to the assistance for the purpose aforesaid such number of persons as may under the circumstances be necessary to remove the same."

On motion of Mr. Neisewter the matter was referred to the law and ordinance committee, in conjunction with the Borough Solicitor.

Borough Solicitor Burke stated that it was necessary for Council to give special attention to the case of Moser against the borough, and that the Mahanoy City Water Company, which is defendant in a similar suit by the same party, desired to have the borough cooperate with it in the matter.

Moser claims damages on the ground that his mill has been deprived of a proper supply of water by the water works appropriating the supply of streams used for power in operating the mill.

It was decided that the law committee visit the stream in question and make other investigations and preparations to defend the borough's interests in the suit. At the same time the borough will co-operate with the Mahanoy City Water Company.

Borough Solicitor Burke stated that he intended to submit the suit of the borough against the Lakeside Electric Railway Company to the court next Monday. He also stated that at the next meeting he would submit a written opinion on the question of authority of the Borough Auditors to contract for the printing of their report.

The contract of Michael O'Hara for hauling coal to the pumping station of the water works was read and approved.

Mr. Murphy thought the High Constable ought to go about the town at night and shoot the dogs running at large, leaving the carcasses for the fertilizer company to glean the next morning.

Mr. Coakley said he saw seventeen hogs on the streets when he was going to work one morning, and that they tear down fences and properties.

On motion of Mr. James the Chief Burgess was instructed to enforce the ordinances prohibiting dogs, hogs and cattle roaming at large.

Mr. James asked that he be allowed to speak for a few minutes. As he looked at the clock President McGuire urged a postponement of the subject. Mr. James promised to take up but a few minutes and started to urge a postponement of street paving. President McGuire ruled him out of order and a motion to adjourn was put and carried before Mr. James had time to collect his thoughts for a reply.

Barrow Gets Fourteen Years.

Special to EVENING HERALD.

New York, June 16.—George Barrow, one of the kidnapers of the child Marion Clark, was convicted before Justice Furman, in the Supreme Court, this morning and, immediately after the verdict was rendered, received a sentence of fourteen years imprisonment.

Bella Anderson, alias Carrie Jones, the nurse girl who was implicated in the kidnapping, was sentenced on her plea of guilty to four years imprisonment. Her sentence was modified in her case because she turned state's evidence. Barrow's wife is still to be tried.

Deaths and Funerals.

James Paulmann, for many years employed by the U. S. Express Company, died at his home in Reading on Friday morning. David C. Heile, aged 76 years, died at the home of his daughter, Mrs. David Herring, at Mahanoy City, yesterday. The funeral will take place tomorrow afternoon.

Mrs. Ellen Price, wife of John P. Price, and a sister of Mrs. Jabez Powell, of this town, died at her home in Mahanoy City this morning from the effects of a paralytic stroke received about three weeks ago. She was 58 years old and is survived by her husband and nine adult children. The funeral will take place on Monday afternoon and interment will be made at Tanamqua.

This will be the star attraction in town to-morrow night. This team is scoring a hit in Pottsville this week, where they are playing an engagement.

Warning on Bell Telephone Company.

The Illinois Telephone and Telegraph Company will begin at once to break ground for the introduction of a telephone system in Chicago, under a 30 year franchise granted February 20. The new company will use an automatic phone system. The new system will banish the telephone girl, as every subscriber will be able by a simple device to make his own connection. The Illinois company is waging war on the Bell people.

MEZTRETZAT NOMINATED

Pennsylvania Democrats' Choice For Supreme Judge.

REILLY FOR SUPERIOR JUDGE.

The Permanent Chairman of the Convention Named For the Judgeship by Acclamation, As Was William T. Cressay For State Treasurer.

Harrisburg, June 16.—The contest before the Democratic state convention for supreme court judge ended last evening with the unanimous nomination of Judge S. L. Meztretzat, of Fayette county, on the 28th ballot. Charles J. Reilly, of Williamsport, permanent chairman of the convention, was nominated by acclamation for judge of the superior court, and Representative William T. Cressay, of Columbia, was the unanimous choice for state treasurer.

The convention was probably the most remarkable political gathering ever held in this state. Aside from the splendid personnel of the delegates and the good feeling that prevailed among the friends of the various candidates for supreme judge, it was remarkable for having continued through two days.

The convention started to ballot at 8 o'clock Wednesday evening for the nomination of a supreme judge, and after balloting until 12 o'clock a recess was taken until 10 o'clock yesterday morning, with no signs of an election. Several ballots were taken during the morning, and then a recess was taken until 3 o'clock, when the balloting was resumed. This continued until 6 o'clock last evening when the nomination was made. York started the break to Meztretzat, on the 28th ballot, by casting its 13 votes for him. Before the vote was announced Congressman Ermentrout withdrew from the contest for judge of the superior court, and Representative Meztretzat, Mr. Donnelly, of Philadelphia, gave the 60 votes of Philadelphia solidly to Meztretzat. Centre county changed from Krebs to Meztretzat. Ex-Congressman Kerr, of Clearfield, who had managed Krebs' contest, withdrew his name from the contest, and Meztretzat, this insured the latter's nomination, and there was a wild scene of enthusiasm. There were loud calls for Robert E. Umbel, of Uniontown, the manager of Judge Meztretzat's campaign, and that gentleman climbed onto the stand and gave him three hearty cheers, and he made a brief speech of thanks.

Colonel Frank J. Fitzsimmons, of Lackawanna, who managed Judge Smith's campaign, moved to make the nomination of Judge Meztretzat unanimous, which was done with great enthusiasm. When the convention again settled down to business the names of Representative George R. Dixon, of Elk, and Mr. Reilly were presented for superior court judge. General A. H. Ermentrout, of Somerset, withdrew Mr. Dixon's name, and on his motion Mr. Reilly was nominated by acclamation. The convention then completed the ticket by the nomination of Mr. Cressay for state treasurer, his name having been placed before the convention by his colleague, Mr. Dixon.

The 27th ballot, which follows, shows how the various candidates maintained their strength almost to the finish, the nomination having been made unanimously on the succeeding ballot:

Albright, 16; Allen, 23; Bechtel, 11; Ermentrout, 65; Kennedy, 39; Krebs, 53; Lynch, 18; Meztretzat, 144; Smith, 20; Wolverton, 16; Yerkes, 11.

The nomination for supreme court judge is equivalent to an election, by reason of the fact that two are to be elected in November, and no elector is entitled to vote for more than one. It is expected that Mr. Cressay will appoint Judge Meztretzat to the vacancy caused by the death of Judge Williams as soon as his nomination is certified to the state department. This will create a vacancy on the bench in Fayette county and give the governor a common plea judge to appoint. The governor tendered the vacancy on the supreme bench to David T. Watson, of Pittsburg, and ex-Congressman Simon P. Wolverton, of Northumberland, both of whom declined. He has since had the place open, and there is every reason to believe that he will make the Meztretzat appointment promptly.

Harrisburg, June 16.—The contest before the Democratic state convention for supreme court judge ended last evening with the unanimous nomination of Judge S. L. Meztretzat, of Fayette county, on the 28th ballot. Charles J. Reilly, of Williamsport, permanent chairman of the convention, was nominated by acclamation for judge of the superior court, and Representative William T. Cressay, of Columbia, was the unanimous choice for state treasurer.

The convention was probably the most remarkable political gathering ever held in this state. Aside from the splendid personnel of the delegates and the good feeling that prevailed among the friends of the various candidates for supreme judge, it was remarkable for having continued through two days.

The convention started to ballot at 8 o'clock Wednesday evening for the nomination of a supreme judge, and after balloting until 12 o'clock a recess was taken until 10 o'clock yesterday morning, with no signs of an election. Several ballots were taken during the morning, and then a recess was taken until 3 o'clock, when the balloting was resumed. This continued until 6 o'clock last evening when the nomination was made. York started the break to Meztretzat, on the 28th ballot, by casting its 13 votes for him. Before the vote was announced Congressman Ermentrout withdrew from the contest for judge of the superior court, and Representative Meztretzat, Mr. Donnelly, of Philadelphia, gave the 60 votes of Philadelphia solidly to Meztretzat. Centre county changed from Krebs to Meztretzat. Ex-Congressman Kerr, of Clearfield, who had managed Krebs' contest, withdrew his name from the contest, and Meztretzat, this insured the latter's nomination, and there was a wild scene of enthusiasm. There were loud calls for Robert E. Umbel, of Uniontown, the manager of Judge Meztretzat's campaign, and that gentleman climbed onto the stand and gave him three hearty cheers, and he made a brief speech of thanks.

Colonel Frank J. Fitzsimmons, of Lackawanna, who managed Judge Smith's campaign, moved to make the nomination of Judge Meztretzat unanimous, which was done with great enthusiasm. When the convention again settled down to business the names of Representative George R. Dixon, of Elk, and Mr. Reilly were presented for superior court judge. General A. H. Ermentrout, of Somerset, withdrew Mr. Dixon's name, and on his motion Mr. Reilly was nominated by acclamation. The convention then completed the ticket by the nomination of Mr. Cressay for state treasurer, his name having been placed before the convention by his colleague, Mr. Dixon.

The 27th ballot, which follows, shows how the various candidates maintained their strength almost to the finish, the nomination having been made unanimously on the succeeding ballot:

Albright, 16; Allen, 23; Bechtel, 11; Ermentrout, 65; Kennedy, 39; Krebs, 53; Lynch, 18; Meztretzat, 144; Smith, 20; Wolverton, 16; Yerkes, 11.

The nomination for supreme court judge is equivalent to an election, by reason of the fact that two are to be elected in November, and no elector is entitled to vote for more than one. It is expected that Mr. Cressay will appoint Judge Meztretzat to the vacancy caused by the death of Judge Williams as soon as his nomination is certified to the state department. This will create a vacancy on the bench in Fayette county and give the governor a common plea judge to appoint. The governor tendered the vacancy on the supreme bench to David T. Watson, of Pittsburg, and ex-Congressman Simon P. Wolverton, of Northumberland, both of whom declined. He has since had the place open, and there is every reason to believe that he will make the Meztretzat appointment promptly.

A GOLD STANDARD

Will Be the Republican Slogan—Hanna Will Retain Chairmanship.

Milwaukee, June 16.—National Republican Chairmanship Henry C. Payne, of Wisconsin, just returned from New York, where he attended a conference of the senate finance committee, makes a statement that in his opinion a bill will be formulated at the coming session of congress that will place the United States upon a gold standard.

Regarding the reports that Senator Hanna would retire from the chairmanship of the national committee, to be succeeded by himself, Mr. Payne said:

"I do not believe there is any truth in such reports. I am quite sure that Mr. Hanna has not decided to retire and that he will continue as chairman. I had a talk with Senator Hanna and believe this to be his intention."
