A Wreck From Grippe, Catarrh and Asthma.

RESTORED WITH BRAZILIAN BALM

I was known as "The Woman who Cough s," for I coughed incessantly. I was a school teacher till my health failed. Catarrh had to the arrest of the men who attacked eaten away the partition in my nose. It had produced Bronchitis, Asthma, dreadful Stomach troubles and weak kidneys. In fact it had gone all through my system, making me an easy victim for the Grippe which left me a wreck in mind and body. This was the condition the doctors left me in, after dosing me with opium, quinine, etc. Then I bought cough cures without end but they only made me worse, I was in despair till I got hold of Brazilian Balm and Toxicola Tablets. They acted like magic from the first, and in a few weeks I was cured and better than I had been in years. Talk about wonderful remedies, Brazilian Balm and Toxicola saved my life.

RIOTING IN CLEVELAND.

Strike Sympathizers Attack Cars and Assault the Crews.

THREE TAKEN TO HOSPITALS.

Bricks and Stones Thrown Into a Car Containing Women Passengers-Po-Hee Think the Riots the Work of an Organized Band.

Cleveland, June 16 .- While the sixth day of the street railway men's strike started peaceably enough, there was serious rioting before nightfall, and three non-union men were taken to hospitals in consequence. The trouble began shortly after noon near the Lake View car barns on Euclid avenue. A crowd gathered and attacked a car on which several non-union men were riding without police protection. A volley of stones and bricks was hurled at the car and the conductor, James Murphy, who came from St. Louis, was hauled from the platform. Murphy drew a revolver and fired into the air and then took to his heels. The mob then assaulted some of the other nonunion men on the car, injuring them quite severely, but the rioters had dis-appeared when the police arrived. Soon after another car was attacked,

apparently by the same mob, which had collected in another place. There were several women passengers in the car, but bricks and stones were hurled through the windows. The women screamed and made a rush for the doors, and all escaped injury. The conductor, Anthony Wuerst, who came from Milwaukee, was struck in the face by a brick, cutting a bad gash, and a stone which hit him on the head rendered him unconscious. The motor man, J. H. Fox, also of Milwaukee, was so badly hurt that he had to be carried with Wuerst to the car barns. Both men were subsequently sent to a hospital. In this case, as in the othe, the mob had dispersed when the police

A little later a third car was stopped by a crowd of men which had been concenled in the bushes at the side of the street. Fifteen or twenty men boarded the car, and a desperate fight ensued between them and E. W. New-man and C. W. King, the conductor and motorman, both of whom came from Buffalo. Both men were chased from the car and were beaten with clubs and kicked in a brutal manner. New-man was so badly injured that it was necessary to send him to a hospital. This mob also disappeared before the police arrived, most of the rioters hav-ing ridden bicycles, which were con-

cealed in a lot near by.
About 5:30 o'clock a car left the Lake
View barns for town. At the corner of Anndale and Wade Park avenues it was stopped by a crowd of men, who began to hurl bricks and stones. The motorman, whose name is Schryver, and who came from Cincinnati, left the car and started to run. He was hit with a brick and badly hurt, but he managed to escape, and has not been seen since. J. R. Leatherwood, of Cincinnali, the conductor, stuck to the car. He was finally hit in the temple with a brick, and dropped to the floor of the car. The crowd then dispersed. Leatherwood finally succeeded in running the car back to the barns, when he became unconscious, and he is now in a serious condition. The police think this mob was the same that attacked the other cars, and they are convinced that it is an organized band whose purpose is to make systematic attacks upon the cars.

There were two other inciplent riots during the day. One occurred on Willson avenue, where a crowd of men with two furniture vans proceeded to block the car tracks with barrels, tree trunks and all sorts of rubbish. two men were arrested. The police also dispersed a mob on Prospect street which was obstructing the passage of a suburban car, and two ar rests were made.

The company has offered a reward of \$500 for information which will lead

Devery Tells Why He Did Not Stop the Journes-Fitzshmeons Fight.
New York, June 16.—The sittings of
the Mazet investigating committee yesterday proved interesting, and in at least one instance exciting, but after a squabble with the minority members over the matter of adjournment the

sessions were adjourned until Aug. I. Chief of Police Devery was called upon by Mf. Moss to explain why he first threatened to stop the Flizaim-mons-Jeffries prize fight and then went to the ringside and allowed it to go on to a knockout finish. Chief Devery idmitted that he took an interest in prize fighting, and upheld prize fight-ing and the Horton law. Devery said the recent fight complied with the law and was in all respects a "clean out contest." He fenced a great deal regarding whether Pitzsimmons was knocked out, and ended up by saying he thought the Cornish man had had

enough.
Testimony was given to the effect that policemen were guilty of black-malling disorderly women. This was testified to by an 18-year-old girl, who had attempted to kill herself in a Bow-ery music hall. She said the policemen had a regular schedule of prices for protection to the women of the lower east side, which the women had to pay under pain of arrest.

Committeeman Hoffman, on behalf of the minority, submitted a statement in which he declared that the com-mittee had so far accomplished noth ing; that many witnesses essential to the inquiry, including Senator Thomas C. Piatt, his sons and Elihu Root and Benjamin B. Odell had not been called and asked on behalf of the minority that the inquiry be adjourned without
