"My Face is my Fortune, Sir,"

Said the pretty maid in the old English ballad. Eyes make or mar many a face, the other features may be ever so comely, a pair of weak, red inflamed or twitching eyes will spoil its beauty. Properly adjusted glasses will cure most of these troubles by removing the cause. But don't get the idea that anybody or everybody can do the "proper adjusting." We have made a study of the eye.

The Mercantile Taxes.

Unless there is a grand rush to pay their mercantile taxes between this and the last day of June, County Treasurer Davis will have a large number of merchants to bring suit against for the collection of such taxes. Comparatively few merchants have lifted their heads, for some unexplainable reason, and after July 1st the Treasurer will be forced to enter suit against all delinquents which will add to the tax levied by the Mercantile Appraiser.

Her Inference.

"Now, I suppose," remarked Mrs. Snuggers, to the surgeons of the army who were attached to the medical corps. "Your supposition does you great credit. It," replied Mr. Snuggers sarcastically, "It's a wonder you didn't imagine that doctors joined the army for the purpose of building bridges or going up in a balloon. Where should army surgeons be except in the medical corps?"

"Well, I thought that they might possibly belong to the launcers."—Pittsburg Chronicle.

COUNTY POLITICS.

What is Going on Among the Statesmen of Both Political Parties.

Special HERALD Correspondence.

Pottsville, June 23.—The principal subject of discussion among the statesmen of both parties to-day was the retirement of Judge Cyrus L. Pershing, as president Judge of this district, and his probable successor. Among the Democrats the best known names in favor of the nomination of George J. Wadlinger, Esq., one of the brainiest lawyers at the Schuylkill county bar, and who was a formidable candidate at the last convention of his party; rather, I should say, before the convention met, as he withdrew his name and declined to go before the convention, for the sake of harmony. The answer, ex-Congressman James R. Kelly is also mentioned in this connection, and as his friends throughout the county have been "perniciously active" in the selection of county delegates it seems reasonable to suppose that he will have a large following in the convention. The names of the other political lawyers mentioned in connection with the judicial nomination, but Messrs. Wadlinger and Kelly seem to have the call, and it will be an interesting contest.

The Republicans are not without sufficient judicial timber, and whoever the nominee of that party may be, he is more than capable of the hands of the Governor to fill the unexpired term from August 5th until January 1st, 1909, five months. Governor Stone, it is believed, will await the choice of the Republican county convention, on July 17th, and appoint the party nominee to the unexpired term. The people will have an opportunity to determine his judicial capacity previous to the November election, as he will dispense justice at the September term of court. The leading candidates on the Republican side are ex-Judge Koch, Hon. C. N. Braum and George Bonds, Esq. True, the first named fellow is the natural course of events, but the Republican state-makers are divided on this point, and among a certain faction the leaders are at work creating sentiment for former Congressman Drummer as the judicial candidate; C. E. Berger, Esq., for District Attorney; James McElenny, of Mahanoy City, as the successor to Probationary Deegan; John L. Schoener, the present Clerk of the Courts, for a second term; Frank C. Reese, of Shenandoah, for Register; Dr. Daniel Dechert, Schuylkill Haven, for Treasurer, and William Carter as the Poor Director. As to Commissioner they are undecided, but express a preference for Horace F. Reber, of Pinegrove, and either Joseph W. Smith, of Pottsville, or Mark Bowman, of Mahanoy City. For Recorder they have elected John Rowe, of Ashland, but the indications are this part will be smoothed. There is not much doubt of Emanuel Jenkyns receiving a re-nomination. Now, kind reader, how do you like the array of patriots presented for your edification and endorsement?

Another slate, presented by a different coteries of leaders, comprises the following names: Judge, Hon. R. H. Koch; District Attorney, George Bonds, of Pottsville; Treasurer, C. N. Braum, of Pottsville; Probationary, James McElenny; Clerk of the Courts, John L. Schoener; Recorder, Emanuel Jenkyns; Register, John S. Randall, of Tanawaga; Poor Director, Fred. Ahrensfield, Minersville; County Commissioners, Frank R. Kantner and Benj. P. Kauffman, of Tremont; or Horace F. Reber, Pinegrove.

The unexpected retirement of Judge Pershing, and the public announcement yesterday, acted like a bomb in the camp of the politicians. The plans of the candidates for offices were unmercifully shattered, and the manipulation of the wires for the past several weeks have been for naught, and the combinations formed by the candidates and the leaders of the party have been ruthlessly broken. This is true of both political parties. They are now all at sea, and it is doubtful to predict with any degree of accuracy who the party standard-bearers will be. The Judge and the effect it will have upon the chances of the Republican candidates was the topic of conversation among the politicians to-day. The vacancy on the Bench has infused new life in the ranks of the Republicans, and the leaders predict that with a strong candidate, advocating minority representation on the Bench, will add much strength to the Republican cause. The outlook this year for the Republicans is much more favorable than last year.

THE DEMOCRATIC FAMILY.

Our Democratic friends are still discussing the attending features of their recent state convention. Both the silver and the gold wing of the party claim a victory for their respective beliefs. The Schuylkill delegation was controlled by men who are opposed to forcing the financial question to the front in this campaign. On the way to Harrisburg the silver-tongued statesmen from your town were told some unpleasant things, and your correspondent is informed that the men who "sneak into these delegations by proxy," will use the words of one delegate, were severely attacked and

Russia's "Disarmament" Plans.

Bridgeport, June 23.—It was learned today that within a short time the plant of the American Ordnance company has been visited by a representative of the czar of Russia. It is stated that the ordnance company was asked by the representative of the czar whether the following order could be filled: One hundred field batteries of six guns each, six and twelve pounders, quick fire guns, and 1,500 cannons and limbers. The value of the order would be about \$6,000,000. The officials of the ordnance company refuse to admit or deny that such an order has been placed.

Roosevelt's Popularity in Chicago.

Chicago, June 23.—Governor Theodore Roosevelt, of New York, arrived in Chicago over the Grand Trunk road late yesterday on his way to Las Vegas, N. M., to attend the reunion of the rough riders, which will take place June 24, the anniversary of the fight at La Grulla. He was met by a large crowd assembled at the station to welcome the governor, and as he stepped off the train he was greeted with hearty cheering. The governor, accompanied by a welcoming committee, was escorted to the Auditorium hotel. He left here at 10 o'clock last night for Las Vegas.

their Democracy questioned. A careful reader of the platform adopted at Harrisburg will discern in the words "and in the hands of W. J. Bryan" an indirectness that exhibits little or no admiration for the Chicago platform, and the same careful reader will discern from the first plank in the platform that the "Bryan business" is to be fought over again in this state, with more or less vigor than in 1896.

A delegate from this county is authority for the statement that "Boss" Guifley was compelled to betray Judge Yerkes by the Bryan men. According to this authority Messrs. Harry and Guifley, at one time the interest of political opponents, but recently working unitedly with the view of carrying down the Bryan ticket, at a Republican convention bowing to their will, agreed as early as last February to favor the nomination of Judge Yerkes for the Supreme Court. The Pittsburgh "Boss" was aware of Yerkes support of the cause of Palmer and Backner, but this rather elevated him in the eyes of the Bryan men, who used the Bryan cry as a popular one in 1896 with which to defeat his then political opponent, Harry, and that he has no great faith in the Bryan dogmas. This is why the silver men say they were given a gold brick in the election of Guifley as the national committee member.

The last day of the convention the Bryanites threatened Guifley, and finally compelled him to surrender, and to break his pledge with Harry, thus bowing Yerkes completely out of the contest. Chairman Billing and ex-Chairman Garman, who for several years have been the national committee candidates, were the men who carried to Guifley threats and hostile declarations, and the latter ran up the white flag.

Guifley's seat in the national committee is now in danger and his leadership is weakened. All because he worked to rule out Bryan and to support Yerkes for the Chicago platform. Certain members of the party in this state are now willing to push Guifley out of the committee as they were a year ago to let him, and claim that the unsuiting of Harry was irregular and without rule or precedent. Whether Guifley is to be retained or not is a question yet to be determined by the national committee in regular session.

THE COUNTY DEMOCRATS.

Local Democrats—especially those of gold tendencies—are determined to ignore national issues entirely in the county fight, and are working to that end with all their might. They are determined to elect the two delegates from this county who will favor Bryan and his theories. Said a well-known gold-standard Democrat: "We are not yet prepared to concede the ability of these cheap money men to deliver the goods. Many changes are possible in a year. The Bryanites will be glad to have a field in some of his admirers are claiming. Furthermore there will be an endorsement of the Chicago platform, nor of Bryan, by the convention of July 10th."

Thus it can be seen that our Democratic friends are still divided on national issues and are likely to remain in that mind. Rex.

Cure croup, sore throat, pulmonary troubles—Monarch over pain of every sort.
Dr. Thomas' Electric Oil.

Valdosta, Ga., June 23.—Mrs. Jane Graves, of Alexandria, Va., was brought here yesterday and lodged in jail on the charge of murdering her husband. The tragedy occurred Sunday and was reported as a suicide. The citizens in that community were not satisfied with this theory, and the coroner's jury returned a verdict of death. Enough circumstantial evidence was gotten to justify the arrest of the woman. She declares her husband was killed by a shot through the window. George Register, who worked with Graves, stated that he saw Mrs. Graves shoot her husband, then throw away the empty cartridges of the pistol in his hand as he lay upon the floor in the throes of death. The couple had quarreled because the husband objected to her going out riding with a young man.

Carthage, Mo., June 23.—In an interview here W. A. Peffer, former United States senator from Kansas, denied that he had joined the Republican party. I expect to do all I can honorably to keep the Democratic party out of power in the nation."
