TRAINS IN COLLISION.

P. & R. Track Near Lost Creek Blocked by the Wreckage.
At three o'clock this afternoon work engine No. 474 of the P. & R. Railway, in charge of Conductor Farrow, and running south with three cars of coal, pushed in advance, and engine No. 538 running north and pushing a trip of empty gondolas, Conductor Kelly in charge, collided at a point between Lost Creek and Colorado. The first car loaded with rails was pushed half way through one of the gondolas, pushed by engine No. 538. The car that was nearest to engine No. 474 was broken in half. Two of the cars loaded with rails were thrown from the track and on to the slope of the mountain. Two of the cars in front of engine No. 358 were thrown from the track and the engine was completely wrecked. No one sustained bodily injury. It may take until 10 o'clock to-night to clear the track of the wreckage.

PETTY ROBBERIES.

The First and Fifth Wards Visited by Robbers Early This Morning.
At 2:30 o'clock this morning Policeman Milbury and Special Officer Alex. captured three robbers in the yards of Matrice Morrison, in the First ward. The robbers had previously visited the homes of Mrs. Malia and Mrs. Jeremiah Connors, nearby. They gave their names as William Matuwa, Dominick Uhliak and Stacey Milatti. In their possession were found several brooms, a ham and a quantity of potatoes, onions and turnips, which they had taken from the three places they visited. The trio spent the night in the lockup and were given a hearing before Justice Toomey this morning. They entered \$500 bail, each.

The chicken coops of Mrs. Hand, mother of Policeman Lister and Mrs. Lister, on West Line street, were raided at an early hour this morning. The thieves secured four chickens.

Lowrey's Show Arrives.
George B. Lowrey of All United Shows arrived in town from St. Clair at an early hour yesterday morning. They have pitched their tent near the Lloyd street crossing of the P. & R. railway, where the shows opened a three-day engagement this afternoon. The press of neighboring towns where the show has exhibited speak in glowing terms of the merits of the performances. No doubt the people of town will give our townsman, Mr. Lowrey, large audiences during his stay here.

WANT FEES REFUNDED.

The Taxpayers' Association is After District Attorney Bechtel.

WANT THE CONTROLLER TO SUE.

Thomas Brennan on Trial For the Murder of Henry Elliott at New Philadelphia—Only Three Jurors Secured up to a Late Hour This Afternoon.

Pottsville, June 25.—The County Commissioners and Controller opened supplies for the next three months to-day, and the latter, with the Poor Director, inspected proposals for county home supplies for the same period. A large number of merchants, druggists and others were in attendance.

The Taxpayers' Association has, through their agent, William L. Shafer, written to Controller Muldoon, requesting him to proceed against District Attorney Bechtel to recover about \$10,300, claimed to have been illegally charged by the attorney on the county in 1898. 2,800 cases in which no fees were entered during his term of 34 years. The decision of Judge Lyons in a case recently decided here, in which District Attorney Koch was plaintiff against Shyngkill county and the case of District Attorney Dunks of Wayne county, are the precedents cited. Controller Muldoon is waiting for the advice of his counsel in the matter.

There was a large attendance in Court room No. 1 this morning, at ten o'clock, when the Monday session opened. Mrs. Elliott widow of Henry Elliott, recently murdered at New Philadelphia, who had been in the hospital, considerable attention. The widow is in deep mourning.

THE ELLIOTT MURDER.
District Attorney Bechtel, at 10:30 o'clock this morning, after decisions had been rendered and the jury roll had been called, Brennan, charged with the murder of Henry Elliott, at New Philadelphia, on June 2nd.

Messrs. Brumm and Flannigan, counsel for the accused, appeared in opposition and the former stated that he had presented an affidavit setting forth reasons why a continuance should be granted and the application was refused; and that on the 24th inst., a second bill of indictment had been found, which is defective because Assistant District Attorney McLoughlin was in the Grand Jury room at the time. Mr. Brumm requested that Mr. McLoughlin be allowed to call for the bill of indictment in the jury room to present evidence as to the propriety of the bill.

Mr. Brumm then objected to the second bill because it was not sworn to before a committing magistrate. All the objections were overruled and the case was called for trial. The following jurymen were then examined, two of fifteen having been selected up to the time of adjournment at 12:30 o'clock: C. H. Bassler, North Mahanoy township; James Keshner, Mahanoy City; Daniel Messerschmidt, Ryan township; Lewis Frantz, Grandville; Jacob Hess, Minersville; Patrick Haney, Mahanoy township; Albert Bressler, Hagers town; Daniel Thomas, Mahanoy City; Jeffrey Hepler, Eldred township. The tenth jurymen, M. A. Porter, druggist of Tamaqua, was the first selected. David Lloyd, of Moria, Edward Brodney, M. Carlon, were next examined. Otto Schaefer, a miner of Porter township, was the second jurymen selected. John Moran, of Grandville, and Thomas O'Connor, of Cass township, were examined without result and the court adjourned at 12:30 o'clock until 2 o'clock.

At 2 o'clock this afternoon, when but three jurors had been selected, the third being Philip Betting, of Minersville.

DECISIONS BY JUDGE MARR: The Ice Manufacturing Company of Germantown, against The Broad Mountain Ice Company, rule for a more particular statement made absolute. Sandrock vs. Chester, preliminary injunction continued in a mandamus form.

Judge Bechtel handed down the following decisions: In the case of the Chequamegon Lumber Company vs. Hunter F. Bright, of Ashland, the application of the plaintiff for a new trial was refused. The rule to show cause why Sheriff Toole should not be required to pay \$500 in court was made absolute in the case of Willie H. Heaton, Executor, vs. David Hunter, deceased. Robert D. Henton, Administrator of John Morgan, deceased, with notice to Ann Morgan, terre tenant.

The application of Alice R. Berk for a divorce from her husband, Daniel Berk, on the ground of cruel and barbarous treatment, was refused. Among the causes alleged was that Berk had threatened to hit his better half with a "brenholz" or burnt piece of wood, that he does not drink often, but only when he gets near it, when he drinks a good deal, that he spends too much for asses and guns, having four apiece of these animals, and when she mildly objected he would answer in a rough voice, "What is your business?"

The court announced that Judge Lyons, of Juniata county, will be here next Thursday to hear arguments on motions pending before him. Cases not argued will be disposed of without argument, as he desires to wind up all such matters.

Judge Marr heard motions in No. 2 court room. The application for a special election in the Middle ward of Tamaqua to determine whether the polling place shall be removed from the public house of Thomas Kern to the American Hose Company's house was allowed. Next November was fixed for the election. It is alleged that the Kerns house is inconveniently located.

The latter part of this week was fixed for hearing the application to oust the East Norwegian Township School Board.

Agnes Jones filed a petition for a divorce from her husband, Joseph. The subpoena was made returnable in September.

By agreement of the attorneys Judge Marr

has fixed September 25th for a hearing in the equity case of Jacob Culp vs. The East Ridge Coal Company.

Monday, July 10th, was fixed for hearing the applications for rules for judgments in default and acknowledgment of Sheriff's deeds.

The briefs were filed without argument in the case of Adam Hinkle vs. W. M. Koenig. MUST ISSUE THE BONDS.

In the case of H. H. Pierson, Jr., of Philadelphia, the County Commissioners, an application for a mandamus to compel the latter to deliver to Pierson 178 \$1,000 county bonds at the price agreed upon, according to arrangement of March 30th, 1899, was allowed and the rule made absolute, the Commissioners to pay the costs of the proceedings. This track the celebrated bond case, Pierson vs. the County Commissioners, Attorney Fernus Farquhar, in behalf of the Taxpayers Association, asked that an exception be granted, but, as the association is not a party to the proceedings, Judge Marr is considering whether he will not an exception, or not. Controller Muldoon refused to sign the bonds by advice of his counsel should it be so requested. The Commissioners have not yet asked this.

THE OIL CASE.
Counsel for Oliver Oil, the boy charged with murder, manslaughter and train wrecking, resulting from his placing a spike on the P. & R. Railway track on the Little Schuylkill division, thereby wrecking two trains and causing the deaths of Engineer Grier and Fireman Short, made an application for a continuance this morning, explaining that Oil's father is confined to his bed by illness, and that the accused's interests would be jeopardized if the trial should proceed in his father's absence. Judge Marr said he would hear John F. Whalen, counsel for the prosecution, and render a decision later in the day. This afternoon the case was continued to 9:30 o'clock on Wednesday morning, next.

INCORPORATION OVERSIGHT SOCIETY.
Citizens of Port Matins are asked that the School Board there be ousted for failing to organize. The names of Frank Knitite, Isaac Cartwright, W. J. Fitzpatrick, Dr. T. J. Bice, John J. Conman and Jonathan Hall were submitted for appointment by the court. Attorney Bechtel explained that there are two benches in the list of applicants, which would lead to a Republican majority. The old Board was composed entirely of Republicans.

RECEIVED ALLEGED.
A rule was asked to set aside the execution, stay the Sheriff's sale and open the judgment in the case of Wm. J. Beckert vs. Savrio Costanzo, of Kilmartine, Pa. The latter alleges that the mortgage and bond under which the property is to be sold was obtained by fraud.

CRIMINAL COURT.
The attorneys in the Thatcher case, tried last week, in which a motion for a new trial had been made, have agreed that Mr. Haughswont be heard later.

By agreement between M. M. Burke and W. J. Whitehouse, Esq., the case of Dominick Synaga vs. Jacob Seneix, assault and battery, has been continued to the September term of court. Three of the witnesses were burned by an explosion at the Maple Hill colliery and are in the Miners' hospital.

SET FOR TRIAL TO-MORROW.
Among the cases fixed for trial to-morrow is that of H. C. Boyer, manager of the Miners' Journal, vs. M. E. Doyle and M. J. Lawlor, of the Shenandoah News, the defendants being charged with criminal libel. Another case is that of the Commonwealth vs. W. J. Galvin, of Shenandoah. The prosecutor in this case is Mrs. Joseph M. Boyer.

THE PEACE CONFERENCE

Germany Will Withdraw Objections to an Arbitration Court

WITHOUT OBLIGATORY CLAUSES.

Points of the Russian and American Naval Proposals—The Americans Urge Destruction of Property Rather Than Destruction of Human Lives.

London, June 26.—The correspondent of The Daily News at The Hague says: Count Munster, the head of the German delegation, has received Prince Hohenlohe's instructions, and Germany will withdraw her objections to the establishment of a court of arbitration provided the obligatory clauses are expunged. The Russians themselves do not expect a majority for their disarmament proposals, which are not advanced seriously.

The correspondent of The Times at The Hague gives the following as the text of Russia's naval proposal: "Acceptation of the principle that for the term of three years the sum of the naval budgets shall be determined, with an agreement not to increase the total during that triennial period and with an obligation announcing in advance of said period: First, the total in tonnage of those ships of war which it is proposed to build, without specifying the models thereof. Second, the number of officers and crew in the navy. Third, the expenditure on works in ports, such as forts, docks, arsenals and the like."

The question of the exemption of private property at sea from capture in time of war has entered a new stage through the issue of the statement of the American delegates. It is asserted on good authority that a certain foreign power may extend the discussion to the declaration of Paris, with a view of getting rid of one feature which is not considered advantageous. The first half of the voluminous paper is merely a summary of past action on the part of the United States in the matter. The proposal itself follows:

"Private property of all the citizens or subjects of the signatory powers, with the exception of contraband of war, shall be exempt from capture or seizure on the high seas or elsewhere by the armed vessels or by the military forces of any of the said signatory powers, but nothing herein contained shall extend the exemption from seizure to vessels and their cargoes which have attempted to enter a port blockaded by the naval forces of any of said powers."

The American delegates, referring to the fact that the circular of Count Muravieff excludes extraneous matters, say: "The fact of our having referred to from the president of the United States shows that our government believed the scope of the conference wide enough to include this question."

They urge as an argument that their proposal, if adopted as a rule of war, would ameliorate the hardships of naval warfare, but it has been conclusively proved by experience in past wars that the destruction of sea-borne commerce is one of the most humane ways of reducing the power of an enemy. As a great thinker once observed, it is better to destroy men's property than their lives.

For the moment the question in whether the subject is one which can consistently with the terms of the Muravieff circular, be submitted to the conference. It seems scarcely probable that the matter will be solved in a sense favorable to the American proposal. At all events some of the leading delegates consider it outside the competency of the conference.

Met Death in the Prize Ring.
Chicago, June 26.—"Dutch" Neal, the St. Louis pugilist, who fell unconscious in the ring last Wednesday night in the sixth round of a glove contest with Harry Peppers, the California middleweight, died yesterday without having regained consciousness. Neal's death is attributed to a blood clot on the brain, resulting from over exertion while in an unfit physical condition. Peppers was arrested as soon as it became apparent that Neal's condition was serious, and is in jail in default of \$2,000 bonds. The battle which resulted in Neal's death was a six round contest for a purse. He slipped and fell in the sixth round, and never regained consciousness.
