OUR COUNTRY: First, Last and Forever

A TYPICAL Republican accident has just occurred. The deficit for the fiscal year is smaller than the estimate several months ago of the Secretary of the Treasury.

THERE is a gentleman in Schuylkill county seeking judicial honors at the hands of Republicans, who is compelled to use the columns of a Philadelphia contemporary to boom his candidacy. This is a reflection upon our Pottsville contemporaries.

LAWYER BRUMM, in his opening for the defense in the Brennan murder trial, made quite an effort to belittle newspapers to the jurors. Yet in face of this effort Mr. Brumm has recently invested cash in a plant in order that he might have a newspaper to assist him in his political schemes. The ex-Congressman hasn't such a bad opinion of newspapers and reporters as he wanted the jury believe he has. So long as newspapers create sentiment in his favor they are all right. When they are against him or his plans they are wrong, comments the Evening Chronicle.
