VERY BUCCESSFUL CONVENTION.

Attendance at Meetings Exceeded the

Detroit, July 11.—The eighteenth international convention of Christian Endeavor closed last night amid scenes of impressive solementy attending the utterance of "the last word" by the president and secretary in each of the great tenis, respectively, following responses from each state and country represented, and last exhortations from Methodist Episcopal Bishop Vincent, of Kansas, and Evangelist Chapman, of New York. Telegrams and emblegrams were read in both tents, the rending of a cablegram from Hon. Andrew D. White, president of the American peace commissioners at The Hague, bringing out storms of applause. President's Clark cablegram to President White was as follows.

At all previous meetings the audi ences assembled quietly, but last even-ing for some time before the calling to order of the two great gatherings, Tents Endeavor and Williston were babels of sounds and scenes. The state, provincial and foreign delegations were grouped in designated bunches divided about equally between the two tents. Each had its own par ticular raily cry, and each delegation took pleasure in making it known to the extent of its lung power. The delegations which were not shouting were singing. Music Conductor Fos-ter finally made himself heard without the aid of a megaphone, and all the voices were turned into the inspiring volumes of "Holy, Holy, Lord God Al-mighty," with much improved effect. The following statements as to attendance, etc., was given out by Sec-

There were 28,000 Endeavorers in attendance, including Detroit delegates, and 30,-500 persons simultaneously attended strictly Christian Endeavor meetings.

These figures do not include the 66 non-evangelistic meetings, which had non-evangelistic meetings, which had a total attendance of 15,000, and 100

professed conversions.

During a recess each member of the '99 committee was called out. They were told that the '99 convention had never been equalled as to program, presence of good speakers and large attendance at meetings. Secretary Baer stated that although the attendance at Detroit was 28,000, as against 56,400 at Philadelphia & Boston, the meetings in Detroit were attended by large numbers than were

those at Boston. Chairman W. H. Strong, of the local committee, responded appropriately to the compliments tendered before the two mighty audiences, and attributed the successes of the convention chiefly to individual faithfulness.
