When your purse is full of money And your heart is free from care.

All the world seems bright and sanny,
Beauty blossoms everywhere.

And admire all your styles.

All seem very glad to meet you
When Dame Fortune on you smiles.

When your purse is full of money, You can taste all kinds of lootey, Ent without it you must drink afe's hitter call.
While you're rich your friends are many;
When you're poor, you've scarcely any;
All forget you when misfortunes on you fall.

Whether they have points or not,
But when hardships overtake you
