SECY. ALGER GOES OUT!

His Resignation in the Hands of President McKinley, AND IT WILL BE ACCEPTED

Assistant Secretary Meiklejohn in Temporary Control.

GOSSIP AS TO THE SUCCESSION.

No Official Information as to Who Will Be Called Upon to Enter the Cabinet, But the Names of General Horace Porter, Governor Roosevelt, General Harrison Gray Otis, General Corbin and Assistant Secretary Meiklejohn Are Again Brought Forward by the Political Gossips.

Washington, July 20.—Secretary Alger yesterday tendered to the president his resignation of the war portfolio.

The resignation will become effective Aug. 1, though it was tendered "at the pleasure of the president."

Formal account has been already as to his successor, but is entirely speculative, for, notwithstanding the reports that Mr. Alger would not long continue at the head of the war department, his actual resignation came suddenly and unexpectedly.

That it would come by the end of the year was generally believed, but so little was it expected at this time that some of the cabinet officers, when the news first became public, were inclined to regard the announcement as premature.

The announcement that it was actually in hand coming to them by the nature of the resignation has not yet been made by the president, but will be in a letter to be written within the next day or two.

No official statement as to the cause of the resignation was procurable either from the president or from Secretary Alger.
