This putrid disease knows no see, no class, no attion. It is everywhere. A germ (microbe) disease it apreads by contagion. The farmous treath and expectoration of the poor victim are banded with these microbes. Others breath them in, they find lodgement and never release them indid the harden has been in death, unless every microbe is killed. But can they be killed? Yea, but not by any "blood inedicine." No Catarrh germ was ever found in this blood. The trouble is local and must be treated locally. A balsam has been discovered that is sure death to the Catarrh microbe, making a radical and permanent citre. It is Brazilian Baim. It has cured tens of thousands in the past it years, It also cures all the troubles caused by Catarrh, as Sore Threat, Old Coughs, Brenchtin, Asthma and Long troubles. The evallowing of the Catarrh put makes the Stomach row and alterated the language with "attribute a want the read of the Catarrh and Asthma have run-down systems we will till hamary max put a month's treatment of Toxicols.
