Ignores Boycott of Cleveland Street cars, Declaring It Ridiculous, Cleveland, Aug. 4.—Grand Chief P. M. Arthur, of the Brotherhood of Locomotive Engineers, has been report-ed to the strikers for riding on the Big Consolidated cars in disregard to he boycott. When asked if he patron ized the Big Consolidated cara Chief Arthur replied: "Of course I do. I

ride on them every day, and whenever I have occasion to do so." "Why do you do it?" he was asked. "Why?" was the reply. "Do you suppose I am going to walk three miles down town when the cars pass my door? Of course I am not. This agitation of the boycott is utterly ridicuous, and the strikers have gone al-

together too far."

The withdrawal of several companies of troops was followed last night by another dynamiting outrage, but for-tunately nobody was hurt. The ex-plosion occurred under a Jennings aveaue car, on which there were six passengers. It smashed the flangs of one of the wheels and splintered the run-ning board at the side.
