NEW COAL LANDS.

The Deposits at Shappton Will Be Developed by a Syndicate.

From Tamaqua Courler. Some time ego it was stated in these columns that valuable coal deposits had been discovered on a tract of land near Sheppton,

Since then it has been ascertained that the deposits are very rich and several coal companies have been negotiating for the lease or purchase of the tract of land. During the week representatives of a wealthy syndicate have been inspecting the land and examining South Main Street, Shenandoah, Pa.

Telephone Connection.

Warm Weather Wear.

have been inspecting the and and examine the quality of the coal taken from the proving shafts. Among those who compose the syndicate are Mr. Lathrop, of White Haven, who is interested in several coal operations at Powd Creek, and C. C. Hooser, the superintendent of the Pond Creek college. The syndicate at it is now stated, are licey. The syndicate, it is now stated, are prepared to either lease or purchase the tract and erect a large breaker to prepare the coal.
