The BRAZILIAN BALM instantly relieves and effects a hadical Cure.

has done wonders for me, after suffering 2 years with Asthma. I received no help from four of our local physicians and a specialist in Hartford, who is at the head of the hospital and receives all the critical cases in the adjoining counties. For 18 months I never

laid down-set in a chair day and night and had to be drawn from one room to another. By my doctor's orders I went south and staid several months but re-ceived no benefit. At last Brazilian Balm was recommended to me so highly I decided to try it. Inside of a week I could sleep in my bed. Now I am out doors every day, tending to everything, do not have any Asthma and will soon resume my old occupation, foreman of the Eddy Electric Mig. Co., of Windsor Ct.

Most gratefully yours,

WM. H. Woon.
