OUR COUNTRY: First, Last and Forever.

The name of Bryan was carefully avoided by the speakers at the Democratic notification meeting last week.

The Republican executive committee has not been publicly announced. The county chairman is said to be awaiting his "official" orders.

It can be said that it takes a rich man to draw a check, a horse to draw a cart, a pretty girl to draw attention, a toper to draw a cork, a free lunch to draw a crowd, and an advertisement in the Herald to draw trade.

The Democrats will ignore all national issues and devote their whole fight to honesty in the administration of state government.

The North American, of Philadelphia, sums up the existing strike situation in these words: "Prosperity is responsible for the great restlessness of labor throughout the country."

While critics on this side of the Atlantic are showing that our army at Santiago ought not to have won, the Spanish military commanders on duty then are explaining that our operations were so conducted that it was absolutely impossible to make head against us.

Defective Sidewalks. In many parts of Shenandoah defective sidewalks are the rule rather than the exception.

Commenting upon this subject, as it affects Mendville, the Philadelphia Inquirer puts forth some wholesome truths that are equally applicable to Shenandoah.

"The folly of allowing nuisances, like these complained of by the Tribune, to exist, has so often been illustrated that it is almost a waste of time to dilate further upon it."

In possibly twenty-five Pennsylvania towns the neglect to bring streets and sidewalks up to modern standards has cost so many times the amount in damages to victims that such improvement would have cost, as to make a laughing stock of the defendants in the several suits.

The Inquirer is not in the habit of advising people to rush into litigation of any sort, but in accidents caused by official negligence it urges every victim to file a claim for damages.

The property owner who maintains a defective pavement, which results in a law suit followed by a verdict for damages against the borough, should bear in mind that the latter can recover the amount from the property

owner. It is to the latter's interest, therefore, to keep their pavements in repair.

Story of a Slave. To be bound hand and foot for years by the chains of disease is the worst form of slavery.

Chinese Villagers En Route. Philadelphia, Aug. 14.—A special cablegram was received yesterday by Yan Foon Lee from Hong Kong, stating that 250 Chinese men and women intended for the Chinese village of the National Export Exposition had sailed from that port on one of the steamers for San Francisco, where it is expected they will arrive Sept. 1.

Coal Mines May Shut Down. Wilkesbarre, Pa., Aug. 14.—The trouble that is brewing between the Delaware, Lackawanna and Western Railroad company and its miners threatens to assume serious proportions.

How Is Your Wife? Has she lost her beauty? If so, Constipation, Indigestion, Sick Headache are the principal causes.

Street Railway Mobs in Tennessee. Chattanooga, Tenn., Aug. 14.—A mob of sympathizers with the locked out union employees of the Electric Street railway last night at a secluded point on the road attacked a car containing a number of passengers with rocks.

Ordinary household accidents have no terrors when there's a bottle of Dr. Thomas' Electric Oil in the medicine chest.

Fatal Duel Between Policemen. Dallas, Tex., Aug. 14.—A duel fatal to both participants took place here yesterday between Policeman A. D. Rawlings and Charles A. Daniels.

Mothers lose their dread for "that terrible second summer" when they have Dr. Fowler's Extract of Wild Strawberry in the house.

Try Allen's Foot-Ease. A powder to be shaken into the shoes. At this season your feet feel swollen, nervous and hot, and get tired easily.

Manila, Aug. 14.—A reconnaissance by troops of General Samuel B. M. Young's brigade with the object of discovering the whereabouts of the enemy near San Mateo, northeast of the San Juan reservoir, about ten miles from Manila, resulted in the occupation of San Mateo.

The Americans approached San Mateo in three columns. Major Cronin, with 15 men of the Twenty-fifth Infantry, advanced from Novaliches, five miles west of San Mateo.

Captain Rivers, advancing, took an outpost of the enemy two miles southwest of San Mateo. He then encountered strong resistance among the hills, the enemy firing from excellent positions.

While the Seventeenth infantry, during last Tuesday's battle, was approaching Calicut along the road, the troops saw a group of 60 Filipinos outside the town under a flag of truce.

The insurgents have taken the aggressive in the neighborhood of the railroad. On Saturday night they unsuccessfully attacked San Luis, on the Rio Grande, near Calumpit, which is garrisoned by two companies of the Twenty-second infantry.

Manila, Aug. 14.—Word has been received from Lieutenant J. C. Gillmore, of the United States gunboat Yorktown, who, with 14 members of the crew of the gunboat, was captured by the insurgents last April near Balera, on the east coast of Luzon.

Mrs. Bernard Thanks Mrs. Pinkham for Health.

LETTER TO MRS. PINKHAM NO. 18,925

"DEAR FRIEND—I feel it my duty to express my gratitude and thanks to you for what your medicine has done for me. I was very miserable and losing flesh very fast, had bladder trouble, fluttering pains about the heart and would get so dizzy and suffered with painful menstruation.

"I tried three doctors, and the last one said nothing but an operation would help me. My trouble was profuse flowing; sometimes I would think I would flow to death. I was so weak that the least work would tire me.

Reading of so many being cured by your medicine, I made up my mind to write to you for advice, and I am so glad that I did. I took Lydia E. Pinkham's Vegetable Compound and Liver Pills and followed your directions, and am now well and strong. I shall recommend your medicine to all, for it saved my life."

—Mrs. A. P., Box 21, Ashott, Iowa.

UNIVERSAL SUFFRAGE FOR CUBANS.

More Than Two-Thirds of the Cuban Army Are Black Men.

Havana, Aug. 14.—Juan Gualberto Gomez, referring to the assertion of Carlos Garcia that the race problem in Cuba could be solved by a limited educational franchise, declared that such a solution was altogether out of the question.

"It would be quite impossible, he said. More than two-thirds of the army that fought for liberty are black men, and the majority, even of the colonels, cannot read or write. Still they would demand the right to vote and justly demand it. What right has Carlos Garcia, I wish to know, to represent Cuba. He is a young man and received the rank of lieutenant colonel solely because of his father's prestige.

He has no political standing and no right to speak for any element in Cuba. The trouble from the first has been that too many unrepresentative men have talked to the newspapers. I am convinced that anything but universal suffrage would be unjust to the great majority of the Cubans."

A Transport's Exciting Trip. San Francisco, Aug. 14.—The United States transport Centennial arrived here from Manila yesterday after a very exciting round trip. She narrowly missed a couple of typhoons, was on a shore on a coral reef, where the entire crew barely escaped capture at the hands of the Filipinos; one of the sailors was killed by a parting hawser, and one of the quartermasters was stabbed by a colored cook.

THEY ALL SAY SO.

Not Only in Shenandoah, But in Every City and Town in the Union.

If the reader took the time and trouble to ask his fellow residents of Shenandoah the simple question given below, he would obtain the one answer. If he would read the statements now being published in Shenandoah which refer to this answer, it would surprise him to note that they number so many. As many more could be, and may be published, but in the meantime ask the first person you meet what cure he uses. The answer will be, Doan's Kidney Pills. Here is a citizen who endorses our claims:

Mr. J. J. Kelly, of 26 South Main street, says:—Merchant reading about the remarkable success of Doan's Kidney Pills procured them from Kirlin's pharmacy and the following is what he says of his experience: "I had pains in my back both annoying and inconvenient when attending to my business, and on my feet any length of time there was a dull, steady aching across my loins. I had a feeling of languor, a lack of energy and listlessness which unfitted me for work. I saw statements made by people who had been cured by using Doan's Kidney Pills and I got them at Kirlin's pharmacy. After the treatment I was as enthusiastic in praising that valuable preparation as others. I would not be without them for they are positive in their effects, and cause no disagreeable sensations when taking them."
