OUR Democratic friends are hopeful, says an exchange. This is important. The Republican county chairman should immediately seek a conference.

THE Republican state leaders appear to be divided in their choice for state chairman. May we not suggest the gentleman from Ansbury? We have made the suggestion, and await the result.

THE North American's special correspondent at Havana, says the sentiment of the Cubans has undergone a radical change in the last two months. The Islanders are now strong for annexation.

EDITOR WILSON, of the Pottsville Tribune, temporarily suspended, knows more about the average Schuylkill politician now than he did six months ago. They seldom are willing to pay the fiddler.

THE editors of the Scrantonian of Scranton, ought to be growing rich rapidly if it be true, as Horace Greeley once said, that a "libel suit is worth at least \$10,000 to a newspaper."

THE Hon. William Douglass Seltzer, who claims to be president of the Good Government party, vouchsafed the information that his followers will support the Republican county ticket. The Democrats have taken to the woods, since learning of this announcement.

FROM all quarters comes news of the prosperity prevailing through the country. The Railway Age of Chicago says: Freight traffic throughout the country is so heavy that a shortage of cars is the general cry. The large grain traffic in the West and the coal traffic in the East are responsible for this condition of things.

Pensions Decrease. It is evident from the advance sheets issued by the Commissioner of Pensions that from now on there will be a steady diminution in the amount of money paid out by the United States government for pensions.

Settling Coal Miners' Strike. Wilkesbarre, Pa., Aug. 15.—It is reported that the big strike at Nanticoke may be settled before many days. The 3,500 miners who are out on strike are getting restless and many of them are anxious to return to work. The Susquehanna Coal company is also overwhelmed with orders for coal and every day the mines are idle is a big loss. It is said both sides will make concessions and that an amicable agreement may be reached sooner than expected.

FOUR DOCTORS FAIL 18 months in a chair. A Specialist also fails to even relieve a bad case of Asthma. The BRAZILIAN BALM instantly relieves and effects a Radical Cure. Shaker Station, Ct., Feb. 3, 1899. Brazilian Balm has done wonders for me, after suffering 2 years with Asthma. I received no help from any of our local physicians, and a specialist in Hartford, who is at the head of the hospital and receives all the critical cases in the adjoining counties. For 18 months I never laid down—set in a chair day and night and had to be drawn from one room to another. By my doctor's orders I went south and stayed several months but received no benefit. At last Brazilian Balm was recommended to me so highly I decided to try it. Inside of a week I could sleep in my bed. Now I am out doors every day, tending to everything, and do not have any Asthma, and will soon resume my old occupation, a foreman of the Eddy Electric Mfg. Co., of Windsor Ct. Most gratefully yours, WM. H. WOOD.

Thousands of doctors prescribe Brazilian Balm for Catarrh, Asthma, Pleurisy and Grippe. Only thing known that removes all the after effects of Grippe in Lungs, Liver, Kidneys, etc. 25c and \$1.00 bottles. Write for FREE TOXICOLETTERS, the best Tonic, Brest-feeding, and all ailments. B. RELIEF FOR PORTO RICO. An Appeal to the Governors of States For Aid For Suffering Porto Ricans. Washington, Aug. 15.—The secretary of war yesterday afternoon issued the following appeal to governors of states for aid for the storm sufferers in Porto Rico: "The magnitude of the work to be accomplished leads this department to supplement the appeal already made, and I beg you to ask the people of your state to contribute generously to the relief of the people of Porto Rico. Swift steamers have been provided to leave the port of New York to carry the supplies directly to Porto Rico as rapidly as they can be collected. The supplies should be sent to Colon, Panama, and then to the port of Whitehall street, New York City, in packages plainly marked 'Porto Rican Relief,' and should be consigned as to time of shipment. Money should be sent to the National Bank of North America, New York City.

Acting Secretary of the Navy Allen has written to co-operate in every way it could in rendering assistance to the storm stricken people of Porto Rico, and tendering a warship to be placed at the disposal of the war department. The offer of prompt means is being adopted to hurry along the great stock of supplies which is imperatively needed. Mr. Allen is in telegraphic communication with several naval stations with a view to having a ship ready as soon as the war department wants it.

By direction of the president all relief supplies sent to Porto Rico will be admitted to all ports of that island free of duty.

Hobson's Vapors in Manila Harbor. Washington, Aug. 15.—Naval Constructor Hobson was heard from by the navy department yesterday for the first time at any length since he was assigned to duty in charge of the Spanish ships raised from Manila Harbor and now undergoing repairs at Hong Kong. His report dealt in general questions, such as the need of a large dock yard in the Orient, the increasing shipping at Manila and the prospect that Manila will succeed Hong Kong as the emporium of the East. He also says the three Spanish ships which are completed will be worth to the government about \$10,000, and be contemplated trying to raise three more Spanish vessels now at the bottom of Manila bay.
