### IT'S DIFFERENT

**THE NORTH AMERICAN (PHILADELPHIA)**

**IT'S DIFFERENT**, because it prints all the news, and all the news it prints is true.

**IT'S DIFFERENT**, because it's bright and brisk, up-to-date and vigorous, but not yellow.

**IT'S DIFFERENT**, because its only policy is to tell the truth. It has no covert or personal intention to promote. It serves no political ambition, no creed, no class prejudice, no mere partisan purpose.

**IT'S DIFFERENT**, because it advocates equal taxation and battles against the existing system, which favors the rich corporation at the expense of the farmer, the merchant, the manufacturer and the wage-earner.

**IT'S DIFFERENT**, because it stands for Republican principles, and makes war upon all who, under the stolen name of Republicanism, are disloyal to those principles.

**IT'S DIFFERENT**, because it believes in manhood and not money should rule. Therefore it upholds the rights of all, as against the aggressive power of the privileged few.

**IT'S DIFFERENT**, because no boss, no corporation, can control one line of its space.

**IT'S DIFFERENT**, because it is non-sectarian and broad; every party, every faith, every class, and the workingman equally with the millionaire, gets a fair hearing in its columns.

**IT'S DIFFERENT**, because it upholds faith in humanity, and the progress of mankind toward higher ideals, larger hopes and better living.

**IT'S DIFFERENT**, it will continue to be different. Watch The North American and see it grow.

### MINING TO MEN'S FUTURE

**Business Part of Victor, Colorado, Wiped Out.**

**LOSS TWO MILLION DOLLARS.**

Efforts to Check the Flames by the Use of Dynamite Was Resorted to, but in Vain—The Town Was but Six Years Old.

Denver, Aug. 22.—Reports from Victor, Colo., say that the business portion of the town has been wiped out by blowing a gale and the loss is very heavy. Help was summoned from Cripple Creek, but the town had been built in the early days of the camp and was of pine timber for the most part which burned like tinder.

Efforts were made to stop the progress of the flames by blowing up buildings in their path by means of dynamite, and all the prominent hills have roared with the explosions, but the effort was in vain. The fire burned the Bank of Victor, the postoffice, on the corner opposite, crossed Third street and followed the row of blocks between Third and Fourth streets to the north, taking in the Victor banking company, the Western Union Telegraph company's office and the office of the Colorado Telephone company, the Hotel Victor on the opposite side of Fourth, and the great shaft house of the Gold Coin Mining company and its ore bins, among the largest in the Cripple Creek district.

The offices of the Cripple Creek fire were duplicated. Hurrying before the roaring flames went men, women and children, carrying what they could snatch from the flames, racing for their lives. The crash of buildings torn asunder by dynamite and the crackle of flames, which consumed the dry buildings, hastened their flight, and the pall of smoke added a terror to the spectacle. A special train was placed at the command of the city by the Florence and Cripple Creek railroad, and three companies of firemen, with apparatus, were rushed to the scene. They worked all afternoon in a vain endeavor to stay the march of the flames.

The residence portion of the city has suffered comparatively little, but the business portion is paralyzed and suffering is being felt all over. The loss will reach \$2,000,000. The first house was built in Victor in October, 1893.

### WELL-KNOWN SOCIETY LADY PUBLICLY COMMENTS AND BRAZILIAN BALM AND TOXICOLA TABLETS

"I am glad of the opportunity to publicly commend Brazilian Balm and Toxicola Tablets. They are certainly very excellent remedies as I can testify from long experience. They have kept me in splendid health, so I have never had to call a physician since I used them. **Brazilian Balm** is the one thing that cures Grippe, so it leaves no evil effects behind; and for colds, coughs, catarrh and lung troubles, I never knew its equal. And **Toxicola** is the most wonderful thing to put vigor and life into the system I ever saw. It corrects biliousness, tones up the nerves, clears the complexion and purifies the blood. It is good any time but for a Spring and Fall medicine it is worth its weight in gold. I know Miss L. L. Clark, 'The Woman Who Coughed,' and can say these remedies did all that is claimed for her and more too. I know of a great many cures in this locality. They ought to be in every home in America. They would save thousands of lives for they cure the worst cases. The best people here use them." Miss Sara Elmina Reynolds, Indianapolis, Ind.

### THE DREYFUS TRIAL

#### Changed Attitude of Prisoner Satisfactory to Friends.

Efforts to Conflict Accused.

He Makes a Statement in Regard to His Handwriting and That of the Bordereau—Important Documents Found in Italy.

Rennes, Aug. 22.—The third week of the second trial of court martial of Captain Alfred Dreyfus of the artillery, on the charge of treason was begun without incident. All of the witnesses were hostile to the prisoner. Three points stood out prominently in the proceedings. They were Colonel Jonassat's reply to the new attitude taken by Dreyfus and the contemptible conduct of a witness, Junek. The spontaneous utterance of Jonassat of the word "accuse" (again), when Picquart asked to be heard, was the topic of conversation, as Jonassat for the first time thus openly and candidly revealed his partiality and hoisted the anti-Dreyfus colors. Throughout the trial neither he nor any of the judges have ever shown particular love for Picquart, but he has never committed such a violation of justice and his duties as a judge as he did yesterday.

The change of attitude upon the part of Dreyfus, has given universal satisfaction to his friends. Hitherto he had confined himself, when asked by the judge if he had any reply to make to witnesses, to an impassioned protestation of his innocence. This made an immense but transitory impression on his hearers.

General Roger made the significant remark in the week that an innocent man does not merely protest his innocence, but defends himself. This undoubtedly stung Dreyfus and to the line he has adopted, when he rose and replied argumentatively and in calm tones to the various points raised by the witnesses. It was in response to Captain Junek that he made his longest statement, occupying about ten minutes, during which he used the notes he had taken while Junek was speaking, and with logical arrangement of facts and in unemphatic language effectively discussed the inaccuracies of Junek's testimony.

The conduct of Junek in repeating confidences made to him as a comrade by Dreyfus, disgusted his hearers, and in the mind of any right-thinking man must have considerably impaired the value of the remainder of his evidence. He and Dreyfus sat together in the same office and naturally exchanged confidences regarding their relations with women. But it was pointed out, no one but contemptible persons repeats them in court, especially in the case of a man passing as an officer and a gentleman.

The first witness called to the stand yesterday was General Fabre, commanding the Fourth bureau. He testified that the bordereau was given to him to examine and see if the handwriting of it was like that of any of his officers. He declared that he examined the document carefully, with the assistance of the chief of bureau. He was astonished, he averred, to find that the writing of the bordereau was exactly like that of Captain Dreyfus. He reaffirmed his belief that Captain Dreyfus was guilty and said: "I am sure he wrote the bordereau."

Mr. John L. Cappehutte, of Glen Savage, Somerset Co., Pa., writes: "My appetite was unusually poor, and I was as weak and nervous as though I had been starved for months. My heart kept throbbing continually and I was unable to rest. I ordered a bottle of Pierce's Golden Medical Discovery and a torpid liver. I did not think your diagnosis was right, but I ordered a bottle of 'Golden Medical Discovery' from your agent. After using three bottles I began to feel lively and soon went to work, and I have been working ever since."

Constipation is the most unclean uncleanliness. Dr. Pierce's Pleasant Pellets cure it. They never grip.

#### Trials Settle For Spite.

Reading, Pa., Aug. 22.—To spite her friend, with whom she had quarreled, Mrs. Sarah Moshammer, a widow, aged 59 years, made a desperate attempt to end her life by throwing herself on the tracks before a west bound freight train, near the Third street crossing of the Philadelphia and Reading railroad, in this city. Fortunately the engineer had slackened speed, and, having observed the woman's form on the track, was enabled to stop the train. When the engineer and crew attempted to remove her she made a stubborn resistance, but finally yielded to persuasion.

**Pennsylvania Republican Convention**

Harrisburg, Aug. 22.—The state Republican convention will meet in the Harrisburg Opera House on Thursday to nominate candidates for state treasurer, judge of the supreme court and judge of the superior court. Colonel Quay and his friends will control the convention, which means the nomination of Lieutenant Colonel James G. Barnett, of the Tenth Pennsylvania regiment, for state treasurer; J. Hay Brown, of Lancaster, for supreme judge, and Josiah R. Adams, of Philadelphia, for superior court judge.

**Porto Rican Cable Repaired.**

St. Thomas, Aug. 22.—The cable connecting San Juan de Porto Rico, with Jamaica, was repaired at midnight Sunday off Arecheo. The break was due to the Arselio river's overflow, which covered the cable with huge trees, sugarcane and rubbish. News from the island of Montserrat shows that an extremely deplorable state of affairs exists there. Assistance is urgently needed to save the people from misery and starvation. At St. Kitts and Antigua great destruction also prevails and the outlook is bad.

**A CLEAN MAN.**

Outside cleanliness is less than half the battle. A man may scrub himself a dozen times a day, and still be unclean. Good health means cleanliness and healthy means clean blood. It means a clean stomach, clean bowels, clean blood, a clean liver, and new, clean, healthy tissues and fibers in every organ of the body. The man who is clean in this way will work it and act it. He will work with energy and think clear, healthy thoughts.

He will never be troubled with liver, lung, stomach or blood disorders. Dyspepsia and indigestion originate in unclean stomachs. Blood diseases are found where there is unclean blood. Consumption and bronchitis mean unclean lungs. Dr. Pierce's Golden Medical Discovery prevents these diseases. It makes a man's muscles clean and healthy. It cleans the digestive organs, makes pure, clean blood, and clean, healthy flesh. It doesn't make the flabby fat of corpulence, but the firm flesh of healthy men.

It restores tone to the nervous system, and cures nervous exhaustion and prostration. It contains no alcohol to inebriate or create craving for injurious stimulants.

Mr. John L. Cappehutte, of Glen Savage, Somerset Co., Pa., writes: "My appetite was unusually poor, and I was as weak and nervous as though I had been starved for months. My heart kept throbbing continually and I was unable to rest. I ordered a bottle of Pierce's Golden Medical Discovery and a torpid liver. I did not think your diagnosis was right, but I ordered a bottle of 'Golden Medical Discovery' from your agent. After using three bottles I began to feel lively and soon went to work, and I have been working ever since."
