THE merchant who does the greatest amount of advertising generally secures the cream of the trade.

WITH Bryanism feeding on Popu-Kansas, with her 200,000,000 to 400,-000,000 bushel corn crop, worth in eash at least \$100,000,000, cannot be considered even among the "possible" states for the Candidate:

MR. BRYAN has announced at Omaha that he wishes it to be understood that he is still faithful to 16 to 1; erything had been removed, when it that his advice to the Iown Democ- got beyond control and completely deracy has been misrepresented by a stroyed the plant. malicious gold press. Nevertheless,

An Honest Opinion.

A very remarkable interview with ex-Governor Pattison, of Pennsylvania, appeared in the Sunday issue of the New York Tribune. It is remarkable because of the views expressed by the ex Governor concerning the political situation and what should be the attitude of the Demo- Would use Kemp's Balsam for the Throa should be the attitude of the Democratic party in the national campaign
next year. Mr. Pattison has recently
been suggested by a certain class of
Democratic leaders as a possible candidate for the presidency next year.

It is curing more cases of
Coughs, Colds, Ashma, Bronchitts, Croup
and all Throst and Lang troubles, than any
other medicine. The proprietor has authordidate for the presidency next year.

It has been traveling the property of the merit of this great
free to convince you of the merit of this great
free to convince you of the merit of this great
free to convince you of the merit of this great
free to convince you of the merit of this great He has been traveling through some free to convince you of the merit of this great of the states the past few weeks and was on the way to his home in Phila-Work. Among other views expressed striking dock laborers on being refused we quote the following as of special

"I found everywhere in the West unparalleled prosperity, not in manufactures only, but in agricultural pursuits. Farmers are getting good prices for their products. As they injured and the police made numerous constitute the great mass of the voters arrests. of this country, they form an important element, possibly the most important in all political calculations.

"Besides, the relations of the United States to the commerce and markets of the world are different from what they were four years ago. The people, I find, fully understand this. Then there was great paralysis in industries of all kinds. Some attributed it to the financial question, and others to various distempers, real or imagined. In the economic system of the country.

"No matter what was thought about it, everybody knows the result. We are now approaching another campaign, this time with prosperity everywhere. I do not think the farmers and wage workers, with and no skin remedies can cure it. The wages increasing, orders coming in doctors are unable to effect a cure, and wages increasing, orders coming in from all over the world, and every workingman and every dollar of whole trouble is in the blood, and capital put to the severest tension to Swift's Specific is the only remedy keep up with the demands of trade, which can reach such deep-seated blood will stop long to discuss or even consider obsolete issues."

The ex-Governor also placed himself in opposition to those of his ouvered. She was treated party leaders who style themselves as by several good destors, opponents to expansion or im- but graw worse, and the peralism, and in line with the sup-porters of President McKinley so far taken to two celebrated as the Philippine question is con-cerned. He says: "After becoming ceived no benefit, Many possessed of these outlying countries as the result of a victorious war, we cannot abandon them. If we gave up the Philippines Germany, France or England would take them up gladly. They would never revert to Spain, and they certainly would not be left in the hands of the native

population," Mr. Pattison has dealt the "calamfty howlers" and anti-expansionists a body blow, and at the same time killed his prospects of receiving the nomination of the Democratic party for President. It is the policy of the yellow journals and the followers of Bryan to deny that there is an improvement in business circles, or conditions of any kind exist that tend to bring happiness and contemnent to the people.

Bryan to deny that there is an improvement in business circles, or conditions of any kind exist that tend to bring happiness and contemnent to the people.

MURDERER'S NOVEL PLAN.

Indicated Money to Buy a Tombstone

For His Grave.

Enston, Pa., Aug. 23.—Llewellyn
Stont was hanged in the jail yard yesterdey morning for the murder of
Night Operator Harvey H. Wurster, at the llinger station, on the North Penn railroad, on Jan. 7 last. He retained his iron nerve up to the last moment, and never flinched, even when the noose was placed about his neck. The conlemned man, during the short time mensiony to adjust the moose, knee

money to buy a tumbstone for his own grave. The money was collected in var-lous ways—by selling photographs of himself, tidles made by a fellow pris-oner, and from small sums of money contributed by persons who visited him in Jail. He did not hestitate to tell of his plan to visitors at the jail.

Consulting the President. Platisburg, N. Y., Aug. 23,—Presi-lent and Mrs. McKinley, accompanied by Secretary Cortelyou, drove over to Plattsburg barracks in the morning. Secretary Root arrived from Washing-ten on the mon train and soon after binch joined the president and Attor-ncy General Griggs, in the president's private office. They were closeted for nearly two hours, during which time they had a general talk on all pending matters. General Merritt had a short talk last night with Secretary Root after the latter's conference with Prestdent McKinley and Attorney General Griggs, Secretary Root left for Wash-ington last night,

[LETTER TO MEE. PINEHAM NO. 72,801]

"You have saved my life, snatched me from the brink of the grave almost, and I wish to thank you. About eighteen months ago I was a total wreek, physically. I had been troubled with acorrhosa for some time, but had given hardly any attention to the trouble. "At last inflammation of the womb

and ovaries resulted and then I suffered agonies, had to give up my profession (musician and piano player), was confined to my bed and life became a terrible cross. My husband summoned the best physicians, but their benefit was but temporary at best. I believe I should have contracted the morphine habit under their care, if my

common sense had not intervened. mediately bought me a full trial. Soon the pain in my ovaries was gone. I am now well, strong and robust, walk, ride a wheel, and feel like a girl in her teens. I would not be without Lydia E. Pinkham's Vegetable Compound: it is like water of life to me. I am very gratefully and sincerely your wellwisher, and I heartily recommend your remedies. I hope some poor creature may be helped to health by reading my story."-MRS. COL. E. P. RICHARDSON, RHINELANDER, WIR.
