PITHY POINTS.

Appointments Throughout the County Chronically for Hasty Pursuit. A new hoisting engine has been put in the shape of last factory. A picnic party, to employ forty men, will be established at York. There is a movement in Centre county for the freeing of turnpike roads. Next Sunday will be the last P. & R. one-day excursion to Atlantic City. Labor Day, September 4th, will be generally observed throughout the county. March 1st is to have a new silk mill. Local capitalists are pushing the project. Misses Clara Reed and Jennie Hornsby, have opened a Kindergarten at Mahanoy City. Parts of the town of Mill Hill, Clinton county, was flooded yesterday as the result of a cloudburst. John Beck, a Lancaster county farmer, was fatally injured by a fall from the upper tier in his tobacco farm. Why do we always refer to a man in his shirt sleeves as though there were no other portion to the garment? Another effort is being made to organize a National bank at Lansford, and this time it will likely be a success. George Phoenix, colored, was killed by a trolley car at Wilkesbarre, his head being severed from the body. Henry Campbell, of Baltimore, has leased 920 acres of York county land and will dig out red, blue and white clay. A slight wreck occurred on the Gettysburg branch of the U. S. Railroad Saturday, delaying traffic several hours. Burglars who cracked the safe in the Pennsylvania Railroad station at Cresona, Cambria county, secured only \$1. Fifty men are employed at the coal stock yards near Mahanoy City. Shipments are heavy and orders remain unfulfilled. There is a probability that the Cokesley (Lancaster county) iron furnaces, idle for several years, will soon be put in blast. Sealed with a fit, Maggie McDermott fell from a third-story window at the York county Alms house and was fatally injured. D. T. Hulseck & Sons, of York, capitalized at \$200,000, will erect large shops at York for the manufacture of agricultural machinery. The Co-operative Glass Company, of Bellefonte, is making extensive improvements to its plant, and will resume operations September 13. The low fare of \$2.50 to Atlantic City next Sunday and ten hours at the shore over the P. & R. road, will attract a large crowd. Letters of administration c. t. a. were granted Saturday to Elvina Faust on the estate of Samuel A. Faust, late of Ashland, deceased. After a two-months' deadlock, W. D. Bryden has been elected principal of the Carlisle High school to succeed Professor H. J. Hockberger. Joseph Devlin, formerly of Heckscher, Pa., is now chief engineer on the Plant line steamship La Grande Duchesse, one of the finest ships on the Atlantic coast. The Boarding has commenced preliminary work on a new freight and coal yard at Hancock, which will save much shifting at Tamaqua and Lakeside. John Rafferty, whose parents reside at Mt. Carmel, died last week in Clearfork, Pa., of yellow fever. He enlisted in the Twenty-second U. S. Infantry during the Spanish war. John Higgins, of Tamaqua, who was sent to jail on Saturday, charged with assault and battery, was released yesterday. The friends of Higgins prevailed upon the prosecutor to settle the case. No Right to Infringe. The woman who is lively in face, firm and temper will always have friends, but one who would be attractive must keep her health. If she is weak, sickly and all run down, she will be nervous and irritable. If she has constipation or kidney trouble, her impure blood will cause pimples, blotches, skin eruptions and a wretched complexion. Electric Bitters is the best medicine in the world to regulate stomach, liver and kidneys and to purify the blood. It gives strong nerves, bright eyes, smooth, velvety skin, rich complexion. It will make a good-looking, charming woman of the run-down invalid. Only 50 cents at A. Wasley's drug store.

DEATHS AND FUNERALS.

Secology Reports of This and Other Towns of the County. Albi Stochinski, the 18-month-old daughter of Matt Stochinski, of 212 East Lloyd street, died yesterday of marasmus. Mrs. Mary McCormick, widow of the late John McCormick, of Prackville, died in Philadelphia. Mrs. McCormick had conducted a millinery store at Prackville for many years. Louis Richards, aged 70, formerly of Mahanoy Place, died at the home of his son-in-law, Joseph Davis, in Shamokin on Saturday. Miss Ena E. Chambers died at her home in Pottsville yesterday, after a year's illness. She resided as a school teacher last year. She was daughter of the late Henry M. Chambers. Col. Henry L. Calk, a former prominent resident of Schuylkill county, died Saturday morning at Northumberland, in the county of that name, at the advanced age of 70 years. He was at the time of his death with his two aged sisters, who reside in the old homestead. He leaves a widow, who was before marriage Miss Elizabeth Hantinger, of Pottsville, and four children. The funeral will occur to-morrow afternoon. The remains of Joseph, a five-month-old infant son of Joseph Calk, of South West street, were interred in the Polish cemetery on Saturday. The remains of Rose, the 9-month-old daughter of Harry and Sarah Martin, were interred in the Kehelth-Israhel cemetery yesterday.

SATURDAY ORGIES.

Two Cases Were Disposed of by the Justice of the Peace. Vladi Fredema is a tenant in one of the row of houses at Shamokin City colliery. Yesterday he was paid a visit by his brother John. Both brothers are involved in the ownership of a property in their native country, and while trying to bring about an amicable agreement, they became engaged in a quarrel. During the dispute John was seized by his brother and his wife, Mrs. Fredema, and thrown out into the street. A brother-in-law, Bendick Kordzski, also engaged in the settlement. During the melee in the street John was beaten and gashed on the head. He entered a suit before Justice Shoemaker and after the hearing his assailant filed the case by paying the costs and the doctor's bill, both amounting to \$16.25. Andrew Ganes was the victim of an assault on Saturday night at the hands of Joe Wensukins. The latter hurled a fork at the plaintiff and assaulted him with a table knife, at which time the latter was killed. The accused was put under \$300 bail by Justice Toomey.

FILLING UP THE MINES.

Cain Being Used to Prevent Further Cave-ins at Mahanoy City. The Philadelphia and Reading Coal and Iron Company commenced in earnest to-day on a gigantic contract, calculated to restore Mahanoy City to its original stability. For some time back scares have been frequent along the main range of mountains, owing to the earth settling into underground workings, which honeycomb the town in almost every direction. The situation continued to grow alarming, and to counteract its effect the company have contracted to restore to the coal robbed and abandoned chambers, the contents of many of the old mine banks which dot surrounding mountains. Huge scraper lines have been erected back of the Philadelphia and Reading station, which will convey this culm from North Mahanoy and Glendon collieries to a shaft on the hillside, where it will be forced down into the old workings, and then, through a slightly into the affected parts. They also hope to crystallize the culm after it has reached the earth's bowels, thus preventing further subsidence. The work will continue for nearly a year, employing two hundred men, and will cost many thousand dollars.

THEIR TROUBLES MULTIPLY.

Ed. Herald: An infant child of A. Goldman died yesterday, and being a member of the Sons of Abraham congregation, and not having a graveyard of their own, asked the Kehelth of Israel congregation to bury the infant in their cemetery, but they wanted the cost of the grave to be \$10. Mr. Goldman could not pay that amount, so the Kehelth congregation offered to bury the child for nothing. The fact is that President Levi Refowich is not home, and had been home, it might not have occurred. Some time ago the cemetery had to be fixed up, and the members of the Sons of Abraham congregation each contributed towards it. In their constitution is a clause which says a poor man, when a member of his family dies, the congregation bury them free of any cost. But this member, because he belonged to the new congregation, although very poor, was refused that privilege and it looks more like spite work on the part of the trustees.

WILLIAM FRITZCHARD ARRESTED.

William Fritchard, a former resident of this town, now residing at Mt. Carmel, was arrested on Saturday, charged with receiving stolen goods. Fritchard bought a double set of harness from a man he said he didn't know. The harness was the property of Joseph Oakes, of the same town, who claimed that Fritchard knew it was his when he bought it. The case will go to court, Fritchard being held in \$300 bail.

GRAPHOPHONE CONCERTS.

Mrs. John Harle last evening entertained a number of friends at the residence of Mrs. David Reilly, on West Cherry street, by a graphophone concert. About thirty-five people enjoyed the selections. Ernest Harsley entertained the members of the Rescue H. & L. Company at the truck house yesterday afternoon with numerous selections on the graphophone.
