OUR COUNTRY: First, Last and Forever.

STATE SENATOR MAGEE is in Philadelphia and is so seriously ill that his friends do not expect him to recover. The crisis was brought about by his being taken from a private hospital to the Lafayette Hotel on Tuesday last to view the G. A. R. parade. He is suffering with cancer of the stomach.

BOTH Col. Barnett and ex-Governor Pattison, in their speeches in Philadelphia this week, without mentioning President McKinley's name, strongly endorsed his policy of maintaining possession of the Philippines, ceded to us by Spain, and there establishing order and freedom. Anti-imperialism, as it is euphoniously called, finds few friends in this state.

IT is not a difficult matter to determine upon which side the patriotic people of the country will take their stand upon the question of expansion and the conduct of the war in the Philippines. A glance at the names of those who are most blatant in their denunciation of McKinley and loudest in their approval of Aguinaldo and the Filipinos who are shooting the American soldiers, will be sufficient inducement for the law-abiding and liberty-loving people to stay out of such company.

NEWARK is evidently the fortunate possessor of some citizens who are Americans of German descent, and not German-Americans—a distinctly different thing. Having gathered in convention this week, these good people proceeded to reprehend any attempts to create ill-feeling between Germany and the United States—which was all right if they really think such attempts have been made—and then they put themselves on record to the following effect: "In case of war between the two countries we will devote our means, and, if necessary, our lives, to defend our country, the United States of America." About that, to use a dear, though somewhat haggard phrase, there is no uncertain sound.

State Sunday Schools.

Plans for the State Sunday School convention to be held at Reading in October are going rapidly forward. An excellent program is promised. In addition to features already noted Rev. Dr. Charles Roads, formerly of Shenandoah, announces these:

The first day of the convention will be occupied by the discussions of the Field Workers' Conference. These "field workers" are the presidents, secretaries and members of executive committees of the sixty-seven county Sunday School Associations, the state general workers and leaders. The subjects for discussion will be "Features of the Modern Church Bible School," "The Annual County Convention and How to Make it a Great Success," "Better Plans for County Association Work," "Decision Day" and "House to House Visitation by Counties." Among the speakers will be Hugh Cork, Rev. C. B. Hatch, Rev. H. A. Bomberger, the general secretary, and many eminent Sunday school leaders.

Rev. Wallace MacMillen, D. D., the well-known eminent pastor of Park Avenue M. E. church, Philadelphia, and president of the Philadelphia County Sunday School Association, will speak on "Evangelistic Sunday School Work." Rev. Dr. Charles S. Albert, editor of the Lutheran Sunday School Helps, will discuss the Home Department and lead a conference on that great movement in Sunday School work.

Rev. Dr. George S. Chambers, pastor of Pine street Presbyterian church, Harrisburg, will give an address of great interest on "Teachers' Meetings." Dr. Chambers is the author of the article on "Men's Bible Classes in the Church" in the July Pennsylvania Herald, which has been so much admired.

Rev. C. B. Schneder, of Shamokin, will give one of the addresses on Thursday night and Rev. S. S. Hough, of Altoona, will lead an early Bible study.

OFFICERS IN TROUBLE.

Just Returned From the Philippines, Reported Under Arrest.

San Francisco, Sept. 9.—Although the troops on board the transport Sheridan, which returned from Manila Thursday night, have not yet been allowed to land, several officers of both the Minnesota and South Dakota regiments were given shore leave yesterday. From them it was learned that there has been considerable trouble between the officers of the South Dakota volunteers, both in the Philippines and during the voyage home, as the result of which Surgeon Major Warner, Lieutenant Colonel Stover and Lieutenant Horace Bates are said to be under arrest, awaiting an official investigation into the charges preferred against them by Colonel Frost, of that regiment.

None of the officers would discuss the affair, however, nor could any definite information be obtained on board the transport.

Considerable feeling was also shown by the Minnesotians against their former commanding officer, Colonel Ames, who was invalided home some months ago and has awaited the return of his regiment in this city since his convalescence.

Proposed Punishment For Rape.

Baltimore, Sept. 9.—The grand jury for the May term, upon being discharged yesterday by Judge Dobler, in the criminal court, made the following suggestion in its report: "The punishment of death, whether judicially or illegally carried out, would be considered the most effective punishment for rape which could be inflicted. It having failed, however, in its results, we would suggest castration and imprisonment in all cases of conviction, instead of hanging."

Illinois Farmers Need Help.

Springfield, Ills., Sept. 9.—Telegrams from Clark county to Governor Tanner say the storm of Thursday blew all the broom corn down, and that the farmers need additional help, in consequence, to harvest the crop. If the corn is not harvested the loss will amount to thousands of dollars. The governor is asked if he cannot send convict labor there to assist in the harvest.

Kentucky Feud Renewed.

London, Ky., Sept. 9.—Trouble in the Eversole-French feud in Perry county has broken out again. Tuesday night at Hazard there was quite a gathering of Eversoles and McCombs on one side and Fields and French on the other. Bad feeling was followed by shooting. It soon became general and Phil McComb was killed by one of the Fields. The side that did the killing dispersed.

Miners Killed by Exploding Powder.

Fairmount, W. Va., Sept. 9.—Three miners, Fred Hamilton, Clarence Hardesty and Elba Powers, were killed in Highland mines, near here, the result of a powder explosion, followed by a fire, started by the falling of a lamp in a keg of powder.

Indiana Glassworkers Strike.

Alexandria, Ind., Sept. 9.—Three hundred and twenty-five employes of the McCloy lamp chimney works at Elwood went on strike yesterday as the result of a disagreement with the management over the quality of glass furnished them.

Mayor Van Wyck Must Testify.

New York, Sept. 9.—Mayor Van Wyck was served with a subpoena yesterday requiring him to appear before the Mazet investigating committee on Sept. 13. The mayor will be asked to tell what he knows about the Ramapo Water company contract. Senator Mazet and Counsel Moss announce that the levying of assessments on candidates for the judiciary will be taken up by the committee at the session which begins on Tuesday next.

A New Counterfeit.

Washington, Sept. 9.—The secret service has received from the National Park bank, of New York, a counterfeit $10 silver certificate. It is of the series of 1891, check letter D, Bruce register, Roberts treasurer. The note is a lithograph, printed on two thin sheets of Japanese tissue paper and stuck together. The note is not a dangerous one, as it is readily detected.

Consumption Cured.

BROUGHT BACK FROM THE GRAVE.

Last November Mr. Joseph James, painter, of 325 W. Pearl St., Indianapolis, Ind., was at death's door with quick consumption. Wasted to a skeleton; his lungs a mass of ulceration; his death was hourly awaited by his doctor and family. He was kept in a constant stupor with opium. A friend, thinking to relieve his terrible cough, gave him a bottle of Brazilian Balm. Seeing its wonderful effect, the doctor advised its continued use. Mr. James soon after dismissed his doctor, and depended on the Balm alone. His recovery was rapid and complete, and in February he returned to work. His lungs are sound, and his weight greater than at any time in his life. His recovery is regarded as almost a miracle.

COMMA BACILLUS.

In consumption beware of cough mixtures and prescriptions that contain opium. Opium paralizes the nerves, and gives the comma bacillus a good chance to destroy the lungs. It is always fatal. Brazilian Balm does not contain a trace of any opiate, but stimulates the nerves with new life and power, destroys the microbe, and restores all that is left of the diseased lungs to a sound and healthy state which no other remedy has ever been known to accomplish.

NEW YORK'S DEWEY ARCH.

The Twelve-Foot Figures of the Admirals Practically Completed.

New York, Sept. 9.—The National Sculpture society yesterday submitted plans to the building commissioner for the erection at Broadway and Fifth avenue of the Dewey arch, the estimated cost being $26,500. Sections of the columns which form a part of the Dewey arch were put in place yesterday, and one of the colonnades is half up. The top of the arch will be in place in a few days. The figures of the admirals for the arch are now practically completed, and the first of them will be taken up to the arch today. They average about 12 feet in height.

It has been decided that a united chorus of 250 voices from the Arion and Liederkranz societies shall accompany the Olympia up the harbor on the float "Peace," and sing hymns and songs of welcome.

General Roe has received applications for places in the land parade from a brigade of New Jersey militia from 1,500 to 2,000 strong. The brigade offers to defray all its own expenses. Colonel Hein, of West Point, has announced his intention of marching at the head of 300 West Point cadets. The indications are that the visiting troops will exceed 10,000 in number.

Glorious News.

Comes from Dr. D. B. Cargile, of Washita, I. T. He writes: "Four bottles of Electric Bitters has cured Mrs. Brewer of scrofula, which had caused her great suffering for years. Terrible sores would break out on her head and face, and the best doctors could give no help; but her cure is complete and and her health is excellent." This shows what thousands have proved,—that Electric Bitters is the best blood purifier known. It's the supreme remedy for eczema, letter, salt rheum, ulcers, boils and running sores. It stimulates liver, kidneys and bowels, expels poisons, helps digestion—builds up the strength. Only 50 cents. Sold by A. Wasley, druggist. Guaranteed.

GRAND ARMY'S NAVAL REVIEW.

The Great Encampment Ends With a River Parade.

Philadelphia, Sept. 9.—The thirty-third encampment of the Grand Army of the Republic, which began here last Monday, came to an end yesterday afternoon when a naval review was held on the Delaware river. The ships that were reviewed were those of the North Atlantic squadron, composed of the flagship New York, cruiser Brooklyn, battleships Indiana, Massachusetts and Texas. It was the greatest of the three naval reviews that have been held on the Delaware within a year. The weather was perfect, there were over 100 boats in line and the crowds that lined both the Pennsylvania and New Jersey shores of the river far outnumbered those that have witnessed the previous reviews. Every vessel was dressed in colors and the great fleet presented a handsome picture.

The official reviewing party, consisting of Governor Stone and staff, of Pennsylvania; Mayor Ashbridge, of this city; Captain James H. Sands, U. S. N.; Senator Boise Penrose, General James W. Latta and Major Richard S. Collum, of the G. A. R., led the parade on the United States revenue cutter Windom. The journey of the vessels up the river to the squadron, a distance of seven miles, was a continuous ovation. When the head of the parade came abreast of the New York the latter fired the governor salute and the Windom returned the salute of the admiral. The New York's crew was standing at present, the rails being manned, and Rear Admiral Sampson and his staff saluted as the governor's vessel swept by. The other warships also saluted the governor.

THE SOUTH.

Thousands of Visitors in North Carolina Mountains.

(Asheville Citizen, Asheville, N. C.)

The mountains of Western North Carolina have indeed been a refuge this summer. From every state south of Maryland and east of Ohio the tourists have poured by the thousands, and to-day the counties west of the Blue Ridge in North Carolina are thronged with visitors who have fled from the torrid rays of the sun in the home land to the shades of these great mountains.

The cooling waters of the French Broad, Swannanoa, Davidson and Mills rivers, the Pigeon, the Tuckassege, the Tennessee, Hiwassee, Nantahala, Toe, Cane and other rivers and creeks have been sought by the invalid, the pleasure-seeker and the sportsman, and from the Blue Ridge to Smoky Mountains every mountain glen, and gorge, and valley, and country side has been filled with those looking for a cooler spot, a deeper shadow.

And none have been disappointed. There has not been a night this summer, between Mitchell's Peak and Chunky Gal, when sleep was not comfortable under more or less covering.

It seems safe to say that between 15,000 and 25,000 people are now in our mountains and still they come. And this throng increases as the years go by. What formerly was confined to Asheville has now spread until it covers everyone of the 12 counties lying west of the Ridge, to say nothing of the half dozen or more on the eastern side of the mountain.

FINANCE AND TRADE.

Sky Is Still Cloudless and No Disquieting Change Has Come.

New York, Sept. 9.—R. G. Dun & Co.'s weekly review of trade says: The sky is still cloudless and no disquieting change has come during the week. In spite of more warlike news about South Africa the Bank of England behaves as if the worst possible had been fully provided for, and this country has no reason to fear trouble from that source unless English markets have so overloaded as to need help. The marketing of domestic products, both farm and manufactured, continues surprisingly large for the season. The new possessions, taken together, are returning in revenue already more than it costs to clean and govern them. The west and south still behave as if it would be impertinent for New York to offer money for crop moving, and are still bidding for commercial loans here. Failures are few, strikes scarce and readily settled, and the passage of Sept. 1 without pressure means reasonable safety for months ahead.

Bradstreet's review says: Strength of staple prices, activity in fall demand, large railroad earnings, reports of heavy lake traffic and of activity in leading industries are the features, none of them necessarily new, but still presenting themselves in the trade situation this week. Expansion in fall demand is perhaps most notable at the leading western and northwestern markets, but advices from eastern markets furnish evidence that active interest is manifested at these centers. The prices situation is one of notable strength.

Army Germany's Bulwark of Peace.

Carlsruhe, Baden, Sept. 9.—Emperor William, addressing the burgomaster of Carlsruhe yesterday and expressing his satisfaction at the bearing of the troops, said: "Many centuries must elapse before the theory of permanent peace attains universal application. At present the surest bulwark of peace for the German empire consists in its princes and the army they lead. Today's parade is a source of pride to our people and country and an admonition for other lands."

Terrible plagues, those itching, pestering diseases of the skin. Put an end to misery. Doan's Ointment cures. At any drug store.

1,000,000 GIVEN AWAY.

By a special and particular arrangement with the manufacturers of Dr. David Kennedy's Favorite Remedy, free trial bottles of this great medicine for the Kidneys, Liver, Bladder and Blood, Rheumatism, Dyspepsia and Constipation, will be sent absolutely free, postpaid, to all persons suffering from any of the diseases mentioned above who will send their full name and post office address to the DR. DAVID KENNEDY CORPORATION, Rondout, N. Y., providing they mention this paper when they write.

A very simple test to determine whether your Kidneys or Bladder are diseased is to put some of your urine in a glass tumbler and let it stand 24 hours; if it has a sediment or a cloudy, ropy or stringy appearance, if it is pale or discolored, you do not need a physician to tell you that you are in a dangerous condition. Dr. David Kennedy's Favorite Remedy speedily cures such serious symptoms as a pain in the back, inability to hold urine, a burning scalding pain in passing it. Frequent desire to urinate especially at night, the staining of linen by your urine and all unpleasant and dangerous effects produced on the system by the use of whiskey and beer.

By a searching investigation it was found that over 91 per cent of the people who sent for a sample bottle were so much benefited by its use that they purchased a large sized bottle of their druggist, which in most cases cured them, while in some rare instances it took as many as two or even three bottles to effect a permanent cure.

Dr. David Kennedy's Favorite Remedy is sold by all druggists at $1.00 per large bottle, or six bottles for $5.00.

18 months in a chair.

A Specialist also fails to even relieve a bad case of Asthma.

The BRAZILIAN BALM instantly relieves and effects a Radical Cure.

Shaker Station, Ct., Feb. 3, 1899.

Brazilian Balm has done wonders for me, after suffering 2 years with Asthma. I received no help from four of our local physicians, and a specialist in Hartford, who is at the head of the hospital and receives all the critical cases in the adjoining counties. For 18 months I never laid down—set in a chair day and night and had to be drawn from one room to another. By my doctor's orders I went south and staid several months but received no benefit. At last Brazilian Balm was recommended to me so highly I decided to try it. Inside of a week I could sleep in my bed. Now I am out doors every day, tending to everything, do not have any Asthma and will soon resume my old occupation, foreman of the Eddy Electric Mfg. Co., of Windsor Ct. Most gratefully yours,

WM. H. WOOD.

DICKEY'S SPLENDID SHOT.

It Won the Interstate Match For District of Columbia.

Sea Girt, N. J., Sept. 9.—The last and one of the most important of the team matches here was finished yesterday. It was the interstate military match and was won by the District of Columbia team in a sensational finish. Dickey, the last man to shoot on the District of Columbia team, fired the last shot of the match. Georgia had finished with a total for both ranges of 1,006. The District of Columbia team had 1,001, and Dickey's shot had to be a bull's-eye to tie the score. He made it, and then the spectators broke loose and cheered Dickey and the District of Columbia team until they were out of breath. As Dickey's shot tied the score the match was awarded to the highest aggregate team score made at the 500 yards. Georgia had made 501 at that range and District of Columbia 507, so the District of Columbia won the match. It was the closest score ever shot in the interstate military match since the establishment of the event. In 1897, 1896 and 1895 this event was won by Georgia. In 1897 Georgia made 1,107, the highest ever made in competition. The District of Columbia team once before won this event. This was in 1893, with a score of 1,027.
