DIXON CHALLENGES THE VICTOR.

The "Omaha Kid" Also Wants a Chance at the Bantam Champloughtp of the World-McGovern Declares His Willingness to Meet All Comers.

Tuckahoe, N. Y., Sept. 13.-Terry McGovern, of Brooklyn, whipped Pedlar Palmer, of London, thoroughly, in less than one round in the arena of the Westchester club, near here, yesterday afternoon. With the victory went the title of bantam champion of the world, although both contestants were actually in the featherweight class.

The Englishman, although forcing the pace at the outset, was really never in it, and McGovern simply battered his opponent into partial insensibility. The Brooklyn Ind's arms worked like piston rods and the punishment which he meted out to Palmer was swift and terrible.

The battle did not last quite one round, the actual time of fighting being two minutes and 32 seconds, at the end of which time Palmer was lying, helpless, though half conscious, on the floor of the ring. Through an un-looked for accident on the official timer's part the lads were separated by the gong when they had been fighting one minute. Each went to his cor-ner, but the error was rectified in less than 12 seconds, and the boys resumed hostilities in the center of the ring immediately, at the command of Referee George Siler. The ringing of the gong was purely accidental.

It was a case of a hurricane fighter

pitted against a clever boxer, and the fighter won. McGovern is a veritable fighting machine, and he went at his adversary with bulldog determination and lightning rapidity. His arms were never at rest for a moment, and he beat down Palmer's guard with his

sledge hammer blows.
The ring where the battle took place was pitched in the center of a stock-ade, in which seats were arranged for the recommodation of 10,000. The prices of admission ranged from \$3 to \$15, and seven-eighths of the seating capacity of the enclosure was occupied.

The purse for which the lads con-tested was \$10,000, 75 per cent of which to the loser. In addition to this, both pugilists are guaranteed an interest in

which price all of the English money in sight was picked up. McGovern and his manager had several commis-sioners betting for them, and they won about \$8,000 in the aggregate. Mc-Govern weighed 114½ pounds and Palmer 1151/2 when they weighed at 5 o'clock Monday morning.

Both puglists were quartered in cot-tages within a hundred yars of the ringside, and at 3.30 o'clock they made their appearance in the enclosure. Both were accorded a hearty welcome. Palmer was the first to enter the ring. One of his followers carried a silken British flag, which he waved over Palmer's head, while the band played God Save the Queen." Then McGovern's 12-year-old brother, perched on the iders of two stalwart men, waved an American flag, and the band struck action of the youngster created in-

tense enthusiasm The boys got quickly to work when the gong sounded at 3:45, and the fighting was fast and furious. Mc-Govern, after he delivered the final blow, turned his back on his opponent and waved his hands to his seconds as much as to say, "It is all over. Referes George Siler bent over mer and counted the seconds slowly and distinctly, and when he uttered the word ten Palmer's seconds jumped into the ring and carried the defe pugilist to his corner. Mennwhile Mc-Govern's friends cheered long and loud. Some of them gained admission to the ring and presented to the victor a floral horseshoe, which was soon made a wreck, as admirers insisted on

getting flowers or leaves from it as souvenirs. Just as the master of ceremonies announced McGovern the winner John L. Sullivan climbed through the ropes and told McGovern to shake hands with Palmer, who was now regaining his senses. McGovern shook his victim warmly by the hand and then turned and left the ring with his seconds. He was almost carried to his dressing room. Meanwhile Palmer revived sufficiently to walk from the

ring to his dressing room.

Palmer had no excuses to make, and said he had nothing to say in refer-ence to the bout, only that he was surprised at the brevity of the mill, and claimed that McGovern held him

Father of the Girl Starts Off on a Mur-Long View, Tex., Sept. 13.—Beck-ville, Panoio county, is excited over a triple tragedy. James Foreythe, a highly respected young man, and Ollie Simpson, a belle of the neighborhood, eloped and were married Saturday night. When Andrew Simpson, the girl's father, learned of the wedding Monday evening he started after the couple on horseback. As he rode up to Forsythe's home he saw his sonin-law fleeing through the orchard. He brought him down with seven buckshot in the grain, leaving him for dead. King H. Forsythe, father of James, came out of the house unarmed to see what the trouble was, and was instantly killed with a lead of buckshot in the abdomen. Simpso then dismounted and ran into the house with his platol, saying he would kill his daughter, but young Forsythe's mother seized and held his pistol until the girl escaped. Simpson then walked out and put the pistol to his forehead, killing binuself instantly. Young Forsythe may recover. Business in Beckville is suspended on account of the tragedy.
