Gunner Olsen exploded rounds of gun cotton, in three discharges, in the cannon, which had suffered from the fire of the warships. The Americans then returned to the

boats, the firing inland being kept up to prevent the embarkation. The Concord's men were the last to leave the shore, and the warships were reached at 12:50 p. m.

Cadet Brinser, with the Concord's launch, armed with a Gatling, did excellent work on the left of the land-ing party. Captain Meyers, of the marines, captured a muzzle loading field piece. Lieutenant McDonald was in command of the landing party, and the movement was splendidly exe-cuted and controlled. The numbers of Filipinos there could

not be ascertained, and no dead were seen, The Monterey fired for four hours-21 shots from her 10-inch guns and 17 from her 12-inch guns.

THE EARTHQUAKES IN ALASKA.

Inhabitants of Vakutat Miraculously

Escaped a Great Thial Wave, Port Townsend, Wash., Sept. 25. Concerning the recent earthquake along the coast of Alaska, Rev. Sheldon Jackson, educational agent for Alaska, writes as follows from Yakutat: "The first shock was experiences on Sunday, Sept. 3, but being slight caused no alarm. During the following five hours there were fifty-two distinct shocks, culminating in a shock so we vere that people of Yakutat wer hurled violently across their rooms o thrown to the ground. The inhabitants escaped to the hill just in tim to observe a great tidal wave, 30 fee high approaching. Before the sho was reached the earth opened in ti bottom of the harbor, and into the and around it the sea whirled like great maebstrom. This saved the vi lage from destruction. The tide would rise ten feet in the space of four or five minutes and in an equally show time go down again. These sudde fluctuations were frequently repeated Tents were pitched on the hills back of the village and nearly the whol population is camping out, fearing that another tidal wave may come.
