Earthquakes, Floods and Landslides Claim Many Victims.

Calcutta, Sept. 26.—Earthquakes, floods and terrible landslides occurred at and near Darjeeling, in the Lower Himalayas, Sunday night. Great damage was done, and no fewer than 60 natives perished.

Three bad landslides took place between Darjeeling and Sonada, involving the transportation of a railway train of 200 tons. According to the latest reports nine European children and twenty natives were lost between these two points.

The whole Calcutta road is blocked and the Pargalhora line has been seriously damaged. About a thousand acres of tea have been destroyed from Jalapahar to Burchill. At the latter place some 3,000 feet of water supply pipe have been ruined.

The electric plant has suffered seriously and the town is in darkness. There is great fear of further rain.

A dispatch from Jalpaiguri, on the River Teesta, 40 miles southwest of Darjeeling, says that a boat crossing the Teesta, with three Europeans and six natives, was swamped by the high waves. The body of one of its occupants has been found 14 miles down the river.

Remarkable Rescue.

Mrs. Michael Cantin, Plainfield, Ill., makes the statement, that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine could cure her.

Her doctor suggested a remedy which she bought and used, and to her delight found herself benefited from first dose. She continued its use and after taking six bottles, found herself sound and well; now does her own housework, and is enjoying the high water level of her business.

DIAZ CANNOT VISIT US.

Mexico's President Will Not Attend the Chicago Celebration.

WARISOAL WILL REPRESENT HIM.

On Account of the Illness of His Wife the Chief Magistrate of Our Neighboring Republic Will Send His Minister of Foreign Affairs.

Chicago, Sept. 26.—A dispatch received last night from the City of Mexico says: President Diaz cannot go to Chicago, on account of the illness of his wife. He has appointed Ignacio Mariscal, minister of foreign relations, to go as his representative.

Another City of Mexico dispatch says: President Diaz today expressed deep regret that he must forego the pleasure of the trip which he had looked forward to with keen desire. He had hoped to meet the leading men of the neighboring republic and felt that the occasion would be of much benefit to both countries.

While the illness of Mme. Diaz has all along placed a degree of uncertainty about the plans of the president for his northern journey, it was hoped until yesterday that her condition might improve sufficiently to allow President Diaz to be absent.

So strong was this expectation that yesterday the senate again took up the matter of the proposed visit and increased the amount of the appropriation for the expenses of the president and his party to \$150,000.

The former appropriation was \$100,000. It was shortly after this action that the announcement of the change in President Diaz's plans was announced.

The dispatches have caused great disappointment to the committee appointed to welcome President Diaz, and to the citizens generally.

The most elaborate preparations had been made to make the Mexican president's reception a most notable one, arrangements having been perfected to have him met at the border of each state through which his train passed by the governor of that state, who would then act as one of President Diaz's escorts to Chicago.

It is supposed the same courtesies will be extended to Minister Mariscal, but the absence of President Diaz himself will put a damper on the festivities.
