Consumption Cured.

BROUGHT BACK FROM THE GRAVE. Last November Mr. Joseph James, painter, of 325 W. Pearl St., Indianapolis, Ind., was at death's door with quick consumption. Wasted to a skeleton his lungs a mass of ulceration; his death was hourly awaited by his doctor and family. He was kept in a constant stuper with opium. A friend, thinking to relieve his terrible cough, gave him a bottle of Brazilian Balm. Seeing its wonderful effect, the doctor advised as continued use. Mr. James soon after dismissed his doctor, and depended on the Balm alone. His recovery was rapid and complete, and in February he returned to work. His lungs are sound, and his weight greater than at any time in his life. His recovery is regarded as almost a miracle.

FIGHTING NEAR IMUS.

A Series of Encounters With Insurgents Since Saturday.

A FILIPINO COLONEL KILLED.

An American Captain and Corporal Killed and Eight Men Wounded-An American Expedition Will Endeaver to Raise the Wrecked Urdaneta.

Manila, Oct. 3,-The Fourth in-fantry regiment, Major Price commanding, has had a series of encoun ters with the insurgents about Imus since Saturday. The natives, led, it is supposed, by a former mayor of Imus. ade a general attack upon the American lines from Imus to Bacoor. A cap tain and a corporal of the Americans were killed and eight men were wounded. A Filipino colonel is known to have been killed. The insurgent

loss is estimated to be large.

Major Price requested Rear Admiral
Watson to send two gunboats to his support. The fighting began on Sat-urday, when Captain Brown took the same battalion that distinguished itself at Perez Das Marinas and Lieutenant Knabenshue's scouts, against a large force of insurgents on the Perez Das Marinas road, and a general en-gagement followed.

The Americans, lying in the mud in the rice fields, kept up a fire for an hour and a half, when reinforcements were sent to them until seven companies were engaged. The insurgents retreated. During the engagement three Americans were wounded.

The fighting yesterday began with an attack by the insurgents on a party employed reparing the telegraph lines one member of which was wounded. An expedition composed of an armored flat boat, armed with three pounders, with the gunboats Helena, Petrel and Mindora escorting it, proceeded on Saturday to Oreni for the purpose of bombarding that place landing 200 marines and blue ackets and raising the wrecked gunboat Urdaneta. The gunboats will approach to about 2,700 yards from Oreni, and

to about 2,000 yards from Orent, and the flat boat will enter the river. The expedition will return today. The Filipino convoys called on Ma-jor General Otis yesterday and disussed matters, with no result. General Alejandrino said to a press representative that he had no instructions except to deliver a letter, which was rejected. General Alejandrine and the two other Filipino envoys who ac-companied him returned to Angeles today by special train.
