OUR COUNTRY: First, Last and Forever.

The Duty of the Hour.

As election day draws nearer the prospects for Republican success in November becomes assured. The Republican candidates, who have been canvassing the county, report that their reception on the part of the people is an indication of victory.

Let us subordinate factional differences on Quay and anti-Quay and unite in a supreme effort to elect our excellent county ticket. Supporting men for county offices will neither benefit nor injure Senator Quay.

THE Democratic candidates are conducting what their champions call a "still hunt," and it is characteristic of the untried to run a campaign of that description in the hunt for office.

Overtraining in School. The Medical Record, noting that the "youthful element for whom each fall the vast machinery of education is set in motion" is "no unimportant part of any community's inhabitants," is a good deal more than half right when it says that "physicians and public health officials have a duty in the matter which teachers, school commissioners and parents may at times overlook."

Does Coffee Agree With You? If not, drink Grain-O—made from pure grains. A lady writes: "The first time I made Grain-O I did not like it but after using it for one week nothing would induce me to go back to coffee."

The Record recommends "time to breathe a little outside air, time to stretch the muscles, and, above all, time to eat the mid-day meal slowly and digest it partially before returning to the desk."

The Record protests especially against punishment by "keeping in," saying: "Of all barbarous practices, that of allowing twenty minutes for a cold lunch, and then detaining a young child after hours in a vitiated atmosphere because indigestion and beginning dyspepsia have produced irritability and inattention, is the most fruitful source of nervous weariness which sooner or later leads to the physical wreck."

IMMEDIATE RELIEF AND PERMANENT CURE JOHNSON'S DYSPEPSIA CURE. A Scientific, Untailing and Permanent Remedy for Dyspepsia, Indigestion and All Stomach and Nerve Troubles.

THE WORDED MAN'S FRIEND.

The mind reacts on the body in a wonderful way.

Perturbation of mind and anxiety cause any predisposition to disease to develop into actual disease. Many a man who has fallen a victim to Bright's disease of the kidneys can trace its first manifestation to a time when he was struggling for financial life in a very sea of troubles.

What can be done under such circumstances to avoid a probably mortal disease?

Why, follow the example of thousands, who now bless its discovery, and take Warner's Safe Cure.

It is a remedy that can be relied upon, a remedy that never fails.

Admiral Dewey regarded it as essential that the insurgents should be cut off from the bountiful supplies they have been receiving through the ports which have not yet been closed, and he expressed the greatest satisfaction at the information contained in the latest Manila advices to the effect that the insurgents were in straits to secure food, pointing out that this presaged an early collapse of their resistance if the avenues were kept closed against further supplies.

DEWEY ACCEPTS A HOME.

He Desires One Already Erected to Be Purchased For Him.

Washington, Oct. 7.—Admiral Dewey has elected to accept a house in Washington, already constructed, instead of having one built for his occupation. At the meeting of the Dewey home fund committee yesterday he frankly expressed his gratification at the tender, which he immediately accepted.

The admiral showed a decided preference for the section in which he had made his home during his former details of duty in Washington. He wished the house to be located in the northwest section, somewhere west of Sixteenth street, north to far as the First of all, he wanted the house at the earliest possible moment, so that he might "go in and hang up his hat at once," as he put it. Of course, that precluded the idea of erecting a house to meet his special needs. He expressed his appreciation for the character of the home he desired, and asked that the house be modest enough in appointments and cost to permit of the retention of a sufficient sum of money from the purchase fund to defray the expenses of furnishing it.

Sight Restored by X-Rays. Chicago, Oct. 7.—Harriet Heilbuth, 5 years old, and for two years blind and a paralytic, has had her sight and the use of her limbs restored through the agency of the x-rays.

His Life Was Saved. Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of his escape, he took with him Typhoid Fever, that ran into pneumonia. My lungs became hardened. I was so weak I could not sit up in bed. Nothing helped me. I expected to soon die of consumption, when I heard of Dr. King's New Discovery. One bottle gave relief. I continued to use it, and now am well and strong. I can't say too much in its praise."

Dewey's Thousand Dollar Watch. Bhaton, Oct. 7.—Admiral Dewey will receive a \$1,000 watch from the municipality of Boston. The city will spend \$12,000 giving the admiral a welcome. The money will be used for various purposes in connection with the parade, which will be a feature of the celebration, and also for decorative features, one of which already suggested is the illumination of Bunker Hill monument. The governor is desirous that the people of the commonwealth should observe Oct. 14 as a holiday.

FINANCE AND TRADE.

Despite the Dewey Demonstration, Transactons Are Very Heavy. New York, Oct. 7.—R. G. Dun & Co.'s weekly review of trade says: The grand demonstration in honor of Admiral Dewey effectively stopped business of most kinds for two days at the chief city of our country, and yet the remaining transactions of the week would have excited wonder a year ago.

The Romeliest Man in Shenandoah. A Moving Submarine Checked. Columbus, Ga., Oct. 7.—At an early hour in the morning a hackman drove up to the home of T. W. Bates, cashier of the Merchants and Mechanics' bank, and delivered a note signed by the chief of police, Wiley Williams, asking Mr. Bates to come to the bank at once, as the chief had discovered a plot to rob the institution. Mr. Bates, fearing it was a scheme to trap him, declined to go to the bank. He sent the note to the chief of police an hour later, and the latter pronounced it a forgery. The hackman is under arrest. He says the note was given him by a shabbily dressed man in front of a saloon.

By a special and particular arrangement with the manufacturers of Dr. David Kennedy's Favorite Remedy, free trial bottles of this great medicine for the Kidneys, Liver, Bladder and Blood, Rheumatism, Dyspepsia and Constipation, will be sent absolutely free, postpaid, to all persons suffering from any of the diseases mentioned above who will send their full name and post office address to the DR. DAVID KENNEDY CORPORATION, Rondout, N. Y., providing they mention this paper when they write.

A very simple test to determine whether your Kidneys or Bladder are diseased is to put some of your urine in a glass tumbler and let it stand 24 hours; if it has a sediment or a cloudy,ropy or stringy appearance, if it is pale or discolored, you do not need a physician to tell you that you are in a dangerous condition. Dr. David Kennedy's Favorite Remedy specifically cures the most serious symptoms of a pain in the back, inability to hold urine, a burning scalding pain in passing it. Frequent desire to urinate especially at night, the staining of linen by your urine and all unpleasant and dangerous effects produced on the system by the use of whisky and beer.

By a searching investigation it was found that over 91 per cent of the people who sent for a sample bottle were so much benefited by it, that they purchased a large sized bottle of their druggist, which in most cases cured them, while in some rare instances it took as many as two or even three bottles to effect a permanent cure.

Dr. David Kennedy's Favorite Remedy is sold by all druggists at \$1.00 per large bottle, or six bottles for \$5.00.

The case is attracting considerable attention as raising a new issue under the flag law. The attorney general of the exhibition will defend the case.

McFadden Defeats Lavigne. New York, Oct. 7.—George McFadden, of this city, knocked out George (Kid) Lavigne, ex-lightweight champion of the world, in the thirteenth round before the New Broadway Athletic club last night. They met at 133 pounds, and put up a fight which was as sensational as it was profligate of hard hitting and clever ring work. McFadden's blocking of the Kid's rushes and leads was phenomenal, and toward the end of the bout he had the Saginaw boxer very raw and sore. Lavigne was well battered, while McFadden left the ring virtually without a mark.

Rejected Lover's Double Crime. Atchison, Kan., Oct. 7.—Mrs. Fanny Gantner was shot and killed last night by William Zink, a tailor, who then shot himself. Mrs. Gantner's refusal to marry him is supposed to have prompted Zink to commit the crime. Mrs. Gantner, who leaves two small children, ran a grocery store west of town. Zink was dissipated, and is said to have had a divorced wife and two children in Chicago.

GENERAL GRANT'S VICTORY.

Drive Rebels From the Entire West Bank of Imus River.

Manila, Oct. 7.—General Grant, with three companies of the Fourth Infantry, two companies of the Fourth Cavalry and a band of scouts attached to the former regiment, advanced from Imus yesterday, driving the insurgents from the entire west bank of the Imus river. Three Americans were wounded. It is estimated that ten of the Filipinos were killed. Captain's and H. with the scouts, crossed the river at Big Bend and advanced westward in the direction of the Binacayan road, the insurgents firing volleys, but retiring. Twenty Filipinos were discovered entrenched on the Binacayan church, about midway between Bacoor and Cavite Viejo. These were routed, six being killed. Riley's battery of the Fifth artillery made an effective sortie about a mile south on the Bacoor and shelled the west bank of the river at close range. The bank is now held by the Americans.

General Shaw Gratified. Peoria, Ill., Oct. 7.—General Albert D. Shaw, of New York, commander-in-chief of the G. A. R., was in the president's party yesterday, and spoke highly of the feeling displayed toward the organization which he represents. "The men who marched with Grant and Sherman," said the general, "were considered by the people of Peoria as worthy of the first place in the parade, and the commander-in-chief of the veterans was accorded the place of honor beside the president on the stand, during the exercises. This shows that the hearts of the military west, which responded to the late call to arms under an airy deity second to no other section, still beats high at the recollection of the deeds wrought by the soldiers of the civil war."

One Girl Who Was Saved. Miss Frankie Hathaway, of Sixteenth Street, Holland, Mich., says: "I am twenty-one years old, at sixteen I was pale and weak. By the time I was nineteen years old I was so weak I could not walk across the floor. I was terribly emaciated and my skin had lost all color. The doctor pronounced the disease anemia. Being advised to try Dr. Williams' Pink Pills for Pale People, I bought a box, and before I had taken all of the pills found that they were doing me good. Appetite increased and the healthy color began to show in my cheeks and lips. I continued to use the pills until I found myself permanently cured. Since then I have had no return of my old trouble. I know that Dr. Williams' Pink Pills for Pale People saved my life and I believe that no other medicine could have done it." From Ottawa Times, Holland, Mich.
