Evening Herald.  
WEDNESDAY, OCTOBER 11, 1899.

OUR COUNTRY: First, Last and Forever.

It was a matter of much regret to the people of Shenandoah that Col. James E. Barnett was unable to greet them last evening. He has a serious attack of malaria as a result of his patriotic work in the Philippines.

The Republican county candidates stormed Shenandoah last evening and were favorably received. Wherever these candidates appear they add to their popularity. Those who are seeking re-election have made capable officials, a fact conceded even by the Democratic press.

A TOTALLY unexpected feature of the great demand for coal in the bituminous region has developed in a scarcity of mining labor. Miners are receiving exceptionally good wages, but in spite of that fact nearly every colliery in that region is running short-handed. More than 1,000 men are needed in Cambria county alone, and in the six counties adjoining fully 6,000 men are needed. This, coupled with a continued shortage, closed down several mines last week for several days.

The Democratic press, which apparently cannot be just to a political opponent, still insinuates that Charles E. Berger, candidate for District Attorney, was responsible for the Lyon-Dunn contest, notwithstanding the denial of Mr. Berger and the further denial of John W. Ryan, Esq. It might be well to state right here that the HERALD and other Republican papers have refrained from such unfair attacks upon the Democratic nominees, but now they feel at liberty to meet our friends the enemy along those lines, and Mr. McLaughlin, the Democratic nominee, has only his indiscreet newspaper friends to blame.

Aguinaldo a Democrat. If there was any doubt as to the party in the United States to which Aguinaldo looks for help, that doubt is dispelled by the latest utterances of the Filipino chieftain. He calls upon his followers to "pray God that the great Democratic party may win the next Presidential election, and that imperialism fall in its mad attempt to subjugate us by force of arms." If there is any party in the country that favors the pulling the American flag down in the Philippines it is the Democratic party, under the leadership of Col. Bryan.

It is not to be inferred from this that there are no Democrats who are just as loyal to the flag as any Republican, for there are many such, and they have, by words and deeds, shown themselves to be strongly in favor of the policy of President McKinley. But the great leader of the Democracy—he who has the strongest hold upon the masses of the party—has pronounced against the actions of the Administration in dealing with the Philippine problem, and it is his election for which Aguinaldo hopes and prays.

Nor does Chief Aguinaldo fail to render due praise to the Copperhead Atkinson, who is to a large extent responsible for the present condition of affairs in the islands, and also for the loss of life which has resulted from the carrying on of the war.

Aguinaldo's hope of Democratic success will fall short of realization, for the people of the United States

A Young Girl's Experience. My daughter's nerves were terribly out of order. She was thin and weak, the least noise started her, and she was wretched at night. Before she had taken one package of Celery King she was as well as usual, and she could hardly be taken for the same girl. She is rapidly growing well and strong, her complexion is perfect, and she sleeps well every night.—Mrs. Lucy McJunk, Brush Valley, Pa. Celery King cures diseases of the Nervous System, Liver and Kidneys. Sold by druggists, 25c and 50c.

"I GAVE little thought to my health," writes Mrs. Wm. V. Bell, 230 N. Walnut St. Canton, O., to Mrs. Pinkham. "until I found myself unable to attend to my household duties."

"I had had my days of not feeling well and my monthly suffering, and a good deal of backache, but I thought all women had these things and did not complain. I had doctored for some time, but no medicine seemed to help me, and my physician thought it best for me to go to the hospital for local treatment. I had read and heard so much of your

THOUGHT-LESS WOMEN

Vegetable Compound that I made up my mind to try it. I was troubled with falling of the womb, had sharp pains in ovaries, leucorrhoea and painful menses. I was so weak and dizzy that I would often have severe fainting spells. I took in all several bottles of Lydia E. Pinkham's Vegetable Compound and Blood Purifier and used the Sanative Wash, and am now in good health. I wish others to know of the wonderful good it has done me, and have many friends taking it now. Will always give your medicine the highest praise."

Mrs. A. TOLLE, 1946 Hill-ton St., Philadelphia, Pa., writes: "DEAR MRS. PINKHAM—I was very thin and my friends thought I was in consumption. Had continual headaches, backache and falling of womb, and my eyes were affected. Every one noticed how poorly I looked and I was advised to take Lydia E. Pinkham's Vegetable Compound. One bottle relieved me, and after taking eight bottles am now a healthy woman; have gained in weight 95 pounds to 140 pounds, and everyone asks what makes me so stout."

STILL ANOTHER RACE FLUXE. The Great Sailing Yachts Did Not Even Leave Their Mooring. New York, Oct. 11.—Hard luck continues to pursue the big single stickers. On the three days last week when the yachts made attempts to sail light, fluky winds left them stranded on the course when the time limit expired. Yesterday a fog bank prevented them from even leaving their mooring boys. This was by far the most dismal fluke of all.

But the weather bureau, with its scientific meteorological methods, had predicted fair weather, with freshening winds, and a few clung vainly to the hope that the weather bureau pronouncements would turn out true for once. Of course, the poor, misguided public went like lambs to the slaughter. They backed Uncle Samuel's weather oracle and put to sea. But not in such numbers as last week. Many of the eighteenth who witnessed the three flukes of an average cost per fluke of from \$5 to \$25 had lost their interest, and it will take a race to restore it.

Shortly after 1 o'clock, after consulting with Sir Thomas and Mr. Iselin, it was decided to abide by the decision not to sail a race today. The next attempt, therefore, will be made tomorrow, and thereafter daily until the series is completed.

Clergyman Charged With Postal Fraud. Springfield, Ill., Oct. 11.—Rev. J. A. Harston, of Owenville, Ind., has been arrested by the postoffice authorities charged with violating the postal laws by using the mails for a scheme to defraud. It is alleged that he has been robbing money ostensibly for the use of the Red Cross society, to be sent to Miss Clara Barton, at Trinidad, Cuba, and that the money was never sent to the Red Cross society. United States District Attorney Humphrey states that Marsten has made a confession.

TO ANTICIPATE BOND INTEREST.

The Government Prepared to Pay For the Entire Fiscal Year. Washington, Oct. 11.—Assistant Secretary Vanderlip has decided to anticipate the interest on government bonds for the entire fiscal year. The period ending with July 1, 1900. The interest due Nov. 1 will be paid in full without discount, but if holders of bonds wish to take advantage of the offer to anticipate interest due at subsequent dates a discount at the rate of two-tenths of 1 per cent a month will be exacted. The amount of interest due from now until the end of the fiscal year is about \$30,000,000. "The treasury is in a position to undertake very readily the prepayment of all the interest due during this fiscal year, large as is the amount," said Assistant Secretary Vanderlip. "The cash balance is an extraordinarily large one, being now nearly \$290,000,000. It was larger than this a year ago, but we were then just receiving the payment of the \$100,000,000 loan. Our cash balance now, however, is far larger than it has averaged for many years, and if receipts continue to bear anything like so favorable a relation to expenditures as they have recently, it promises to be still larger, instead of being reduced. The total amount of interest due before the end of July 1 is \$25,830,535, by the holders of all the bonds issued this month take advantage of the offer for the prepayment of interest it would be a saving to the government of \$249,478 in the rebate which would be demanded."

BRAVE KANSANS HOME AGAIN.

General Funston Predicts a Speedy End of the Philippines War. San Francisco, Oct. 11.—The United States transport Tartar arrived last night from Manila via Yokohama with the Twentieth Kansas regiment, under the command of Colonel Metcalf, and 500 discharged soldiers from various regiments. The Tartar was met at Angel Island by Governor Stanley, of Kansas, and party.

Brigadier General Funston was the passenger most eagerly sought for. Owing to the rough condition of the sea it was impossible to get a very exact report from the general, who is expected as his future plans he replied: "They depend considerably on what the authorities wish me to do."

General Funston further said that he was in excellent health. He had little to say about conditions in the Philippines, beyond expressing the opinion that the war should soon be ended. He spoke in highest terms of the good work done by the men of his command. He was glad to get back to the United States, though he did not regret the time and energy expended in the attempt to subdue the Philippines, which was confident would ultimately prove successful.

Brave Men Fall Victims to stomach, liver and kidney troubles as well as women, and all feel the results in loss of appetite, nervousness, headache and tired, listless, run-down feeling. But there's no need to feel like that. Listen to J. W. Garner, Idaville, Ind. He says: "Electric Bitters are just the thing for a man when he is all run down, and don't care whether he is all run down, or not, and don't care to get any good appetite than anything I could take. I can now eat anything and have a new lease on life." Only 50 cents, at A. W. Waseley's drug store. Every bottle guaranteed.

BLUE AND GRAY REUNION. Veterans of the Union and the Confederacy Feasting in Evansville. Evansville, Ind., Oct. 11.—The program arranged for the opening of the blue and gray national reunion yesterday was not carried out in its entirety, because the platform arranged for the speakers was not finished until late in the afternoon and some of the invited speakers did not arrive until evening, among them Governor Mount, of Indiana.

It was not until late in the afternoon that the reunion was really begun. Mayor William M. Akin, Jr., welcomed the blue and the gray veterans, and Captain J. H. Harbo, of Nashville, Tenn., responded. The principal address of the day was delivered by

Colonel Polford B. Hall, of Macon, Ga. He said in part: "The majority of my comrades, while rich in legacies of valor, are poor in this world's goods. Though poor we be, yet if there be any within the sound of my voice who tremble at the old rebel yell, though given in honor of a national event, and whose slumbers are disturbed by visions of hungry Confederates feeding from the public crib, rest in peace. That can never be. We want no pensions from the United States government, and are not entitled to them. No man can retain his self respect and accept that not his due. Comrades in blue, we want only your friendship and moral support."

After the speeches a dress parade of the military organizations was held. The evening was devoted to a general campfire of the veterans at Camp Farragut.
