OVER AN EMBANKMENT.

The small engine which is used for hauling cars between Packer colleries Nos. 1 and 2 was forced over the embankment at the latter colliery yesterday by a trip of rock. The truck was a 1000 lb. one and the engine was unable to hold the trip in check. Resulting in this, the engine jumped from the embankment and was about 25 feet in the air and it escaped injury. The engine rolled down the embankment about twenty feet and landed upon the road with two men on top of it. The machinery of the engine was not damaged.

Midnight Show.

At 12:30 o'clock this morning the fire companies responded to a call from No. 24, Main and Poplar streets. The fire was discovered in the cellar of Edmund Harris grocery store, 204 South Main street. Mr. Harris saw flames shooting from the cellar window. After much difficulty the family was awakened from their slumbers. The house filled with smoke Mr. Harris ran down stairs into the store room and seized a bucket of water, with which he extinguished the flames, which were confined to the coal bin in the cellar. How the fire originated is a mystery, as there was no inflammable material near the bin. The fire companies were on the scene, but were not pressed into service.

Conventions of the Senior and Junior Branches at Mahanay City.

THEY CLOSED THIS AFTERNOON.

Officers Elected For the ensuing Year and Minersville Was Selected as the Place For the Convention to be Held in October, Next.

At last evening's session of the tenth annual convention of the Schuylkill County Union of Christian Endeavor, held by St. John's English Lutheran church, Mahanay City, Rev. A. D. Bruner, of Pottsville, opened the devotional services.

After prayer, Rev. I. L. Lehr delivered an address of welcome and Rev. H. E. Franziska, of Tanawagon, responded in behalf of the delegates. Singing by the choir and congregation was followed by an address on "My Church According to the Holy Scriptures" by Rev. O. W. Koster, D. D., of York.

Reports of committees were then taken up by the convention and a report was made by the committee on the proposed convention at Minersville, which was held in the afternoon, after which adjournment was taken until 10:30.

Today's session opened this morning with what was called "Service Sunday" in St. John's church. It was led by Miss Mary L. Ketcher, of Pottsville.

A song and piano service followed and was conducted by Mr. E. H. Ness, of Pottsville, after which Rev. E. W. H. Lashley, of Ashland, delivered an address on "The Secret of Success in Christian Endeavor Work."

The best order of business was entitled "A Model Business Meeting" conducted by the Society of St. John's English Lutheran church, under the direction of Mr. A. J. Michael, its president. Rev. J. H. Eastman, D. D., of Pottsville, then delivered an address on "Open Meetings" after which, at 10 p. m., the session adjourned.

The delegates then proceeded to the First Presbyterian church, where the first annual rally of the Junior Christian Endeavor was held. It commenced with a praise service conducted by Miss Florence S. Richards, of Delano, and Rev. J. H. Eastman, D. D., of Pottsville, read the invocation.

Erwin Currel, of St. John's Lutheran church, Mahanay City, delivered the address of welcome to the junior delegates, and Miss Jennie Walters, of the Trinity Reformed church, Pottsville, responded, after which Prof. J. M. Schrage, of Delano, president of the county union, delivered the greeting.

This was followed by an interesting talk by Rev. Robert F. Y. Pierce, of Scranton, who was given the chairman's salute as he entered the church in a hearty manner.

The consecration of the junior societies of the county was then taken up, after which adjournment was taken.

At 2 o'clock this afternoon the senior delegates assembled in St. John's church and the session opened with singing and devotional services conducted by Rev. C. E. Smith, of Minersville.

The duties of the office of Register and Clerk of the Orphan's Court are entrusted to one officer in this county. The office is one in which careful attention is required. The interests of the widow and orphan are, in a large measure, in the care and custody of that office. The keeping of the records of wills and the bonds of executors, administrators and guardians is one of the important duties of that office. Therefore, it is meet and proper that the official be one who is meticulous, orderly and painstaking as well as considerate and urbane in manner. Stipulated salaries are not to be tolerated for a moment in all those who are familiar with the duties required of the Clerk of the Orphan's Court and Register of Wills of Schuylkill county, and it is their testimony that the present incumbent, Frank C. Rees, measures up to every requirement. Mr. Rees is the nominee of the Republican party for re-election. It has been the practice to elect to a second term, and it is believed that this year will be no exception to that custom. Mr. Rees enjoys the confidence and esteem of all having business relations with him, and deserves a re-election.

JOSIAH ADAMS' SUCCESSOR.

Ex-United States Senator Alsholtz May be the Republican Candidate.

Philadelphia, Oct. 21.—It was learned last night from trustworthy sources that ex-United States Senator John L. Mitchell, of Iowa county, will be named as a candidate for judge of the superior court by the Republican state committee at its meeting today, to fill the vacancy created by the withdrawal of Josiah R. Adams, of this city. Whether ex-Senator Alsholtz will be named as his second choice as a common pleas judge of the Iowa county court, will not be learned at this writing, as he could not be reached by wire. It is understood, however, among the Republican leaders that he will not decline the honor if the committee favors his name on that ticket.

It is understood that Judge Mitchell was decided upon early yesterday morning, but the fact was kept closely guarded until certain of the leaders had been heard from. Senator Quay, who is in Florida, was communicated with, and he quickly advised his acquiescence to whatever the leaders on the ground might decide upon. Senator Penrose, who has been on a stumping tour in Ohio, arrived here yesterday, and also looked with favor on Judge Mitchell's nomination. It is said that Judge Mitchell's name was advanced by Governor Stone, who is a strong supporter and a warm friend of Judge Mitchell.

Other names mentioned yesterday for the vacancy were those of Judge Dimmer Bonner, of this city; ex-Attorney General Palmer, of Luzerne county; V. Gilpin Robinson, of Delaware county; Judge Archibald, of Lackawanna, and Judge John M. Greer, of Butler.

AN APPEAL FOR A NEW TRIAL.

Pending a Decision the Appeal the Hall of the Defendants is Increased From \$20,000 to \$10,000—The Jury Was Out Two Days.

Philadelphia, Oct. 21.—Ellery P. Ingham, ex-United States district attorney, and Harvey K. Newitt, his law partner and former assistant district attorney, were yesterday found guilty of conspiracy and bribery in connection with the recent stamp counterfeiting plot headed by William M. Jacobs and William J. Lemley, the Lancaster cigar manufacturers. The case was given to the jury at 11 o'clock Wednesday afternoon, and its verdict was returned at 4 o'clock yesterday afternoon. When the case resumed after Judge McManus's absence, they stood eight to four for conviction, but after the failed bid of one of the four who stood out for acquittal joined the majority, and from that time until an agreement was reached three of the jury insisted that a verdict of not guilty be rendered. Those three finally reversed their opinion yesterday afternoon, after the jury came to the court and asked for instructions regarding certain mooted questions.

On two previous occasions the jury announced that they were unable to agree, but each time they were sent back to Judge McManus, who insisted that they endeavor to reach a verdict. Yesterday afternoon the jury-men said a promise to the judge asking them to acquit.

"Is a man or woman an offender in the government?" "Would the purchase of money to Operative McManus by Mr. Newitt constitute a bribe?" "Was the employment of McManus in the capacity of a private detective in the government's employ?" "Is it probable that men of Ingham and Newitt's standing would attempt to bribe?"

"Was the employment of McManus in the capacity of a private detective in the government's employ?" "Is it probable that men of Ingham and Newitt's standing would attempt to bribe?"

After receiving the message Judge McManus sent for the jury and answered the questions. He said that the counts in the indictment which charged a conspiracy were not proved, but he said with regard to the conspiracy in the meaning of the section of the revised statutes under which the indictment was drawn, if the money was paid by McManus for information concerning the government, his honor announced, he constituted a bribe. If McManus was employed in good faith as a private detective there was no bribery, in answer to the last question Judge McManus said the matter of probability should not be discussed by the jury, as it had no part in the evidence.

The jury then retired, and a few minutes later rendered their verdict, with a recommendation for mercy.

A. S. L. Shields, counsel for the defendants, made an appeal for a new trial. The bill of the defendants was increased from \$20,000 to \$100,000, and was furnished by Alexander Haffner, a paper manufacturer of this city, and William H. Clark, cashier of the Quaker City National bank.

The trial covered a period of 11 days, and on the 10th of the defendants were indicted. Mr. Ingham is at present special counsel for the government, and represented the United States in the famous hat riddle case tried in the United States court here.
