GEN. EZETA IN MEXICO.

Ex-President of Salvador Constantly Watched by Salvadoreans.

SAID TO BE PLOTTING A REVOLT.

He Has Frequent Interviews With President Diaz, Who Receives Him Only as a Private Citizen—Success of American Security Bank in Mexico.

City of Mexico, Oct. 24.—General Carlos Ezeta, ex-president of Salvador, who is sojourning in this city, is constantly watched by the Salvadoreans here, who regard all his movements with the utmost suspicion, believing he is engaged in preparing for another revolution. General Ezeta has had interviews with President Diaz, who receives him cordially, but only on the footing of a private citizen, for Mexico is on terms of cordiality with Salvador. In the interviews ex-President Ezeta speaks in pleasant terms of his old enemies in Salvador and has brought out the fact that when he became dictator after the fall of President Memendez he refused to institute prosecution against the former officials, notably against Dr. Zaldivar, who had preceded Memendez in the presidency, and against whom the latter cherished a profound enmity, having accumulated a room full of documents to base legal charges on. Ezeta, on taking power, burned these papers.

Zaldivar is Salvadorean minister to this country and naturally has kept watch on Ezeta's movements. Ezeta claims that during his administration he did not permit the publication of incriminating articles against his enemies, and protected the good name of Zaldivar, of whom he speaks in the highest terms. There seems to be no doubt that Ezeta desires vindication, and that he still has powerful friends in Salvador. He has made many friends here, and is apparently not losing any time in maturing his plans.

The success of the American Security bank has been so marked and so rapid that the institution will soon treble its effective capital, and it is expected that soon more German capital will be invested in the banking business here. A good deal of gold has been received here lately from the new Guerrere mines, and that state, now opened up by railways, is destined to become one of the greatest gold producers of all the states of the republic.

Glorious News.

Comes from Dr. D. B. Cargile, of Washita, I. T. He writes: "Four bottles of Electric Bitters has cured Mrs. Brewer of scrofula, which had caused her great suffering for years. Terrible sores would break out on her head and face, and the best doctors could give no help; but her cure is complete and and her health is excellent." This shows what thousands have proved,—that Electric Bitters is the best blood purifier known. It's the supreme remedy for eczema, tetter, salt rheum, ulcers, boils and running sores. It stimulates liver, kidneys and bowels, expels poisons, helps digestion builds up the strength. Only 50 cents. Sold by A. Wasley, druggist. Guaranteed.

The Czar in Excellent Health.

Darmstadt, Oct. 24.—With reference to a report circulated in the United States that the head of the czar had been operated upon recently, it is pointed out that his majesty, during his stay here, was in the best of health, accompanied the czarina and the Grand Duke and Grand Duchess of Hesse on frequent excursions last week, and on Sunday attended the services at the Russian church here. The trepanning story, therfore, is pronounced to be untrue.

Many of the mountain people spent a sleepless night, lest the fire should steal upon them and destroy their homes. BOERS SURROUNDING KIMBERLY.

Cecil Rhodes Sends an Urgent Message Calling Attention to the Need of Sending Reinforcements—Five Hundred Boers Killed at Mafeking.

London, Oct. 24.—A Cape Town dispatch says that General Ben Viljoen and Colonel Schiel were marched into Ladysmith with General Jan Kock and 200 other Boer prisoners, the latter general dying soon after reaching Ladysmith.

The capture of General Ben Viljoen is a cause of great satisfaction to the outlanders. He is the author of a blasphemous and violent pamphlet virtually intended to incite the Dutch of the colony to rebellion, and it is sincerely hoped that he will be brought to trial and punished as he deserves.

It is difficult to gauge exactly the amount of feeling excited among the Dutch by the recent British victories. Their behavior, on the whole, is excellent, considering the great amount of sympathy they feel for their kinsmen in the Transvaal and Orange Free State. The British receive the news of each success in Natal and of the grand stand at Mafeking with the wildest enthusiasm, but the Dutch are silent. Now and then a few who are more violent than the rest express their sorrow openly, but the general feeling is perhaps one of relief at the thought that the British success will not compel them to face the possibility of giving active support to the enemy.

The reports of the kind treatment accorded to the Boer wounded meet with unstinted admiration, bringing into marked relief the magnanimity of Great Britain, a magnanimity which the Dutch admit they had not expected to be displayed toward the Boers. The mists of acrimonious discussion are being dispersed by Great Britain's magnanimity and splendid tolerance, tending to make the Dutch in Cape Colony proud of their British citizenship.

The Daily Mail says it understands a message was received in London yesterday from Cecil Rhodes, dated at Kimberley, Oct. 19, declaring in substance that the inhabitants of Kimberley desired to draw the attention of the government to the need of speedily sending reinforcements there, as the town was being surrounded by increasing numbers of Transvaal and Free State Boers. The matter, according to The Daily Mail, has been submitted to the cabinet.

The correspondent of The Daily Mail at Durban, Natal, says: An official of the Bonanza mine, who has just arrived from Pretoria, declares that while there he heard that Colonel Baden-Powell, the British commander at Mafeking, has captured General Cronje and 20 other Boers and had killed 500.

The Daily News publishes the following dispatch from Ladysmith, dated Sunday night: A large force under Commandant General Joubert and Commandant Vogan opened fire on Dundee yesterday. The firing was continued today. The result is not known here.

The Daily Telegraph has received the following from Ladysmith, dated Sunday at 2:10 p. m.: The Boers, reported to be 9,000 strong and under the command of Commandant General Joubert and President Kruger in person, are again attacking Glencoe. General Yule, commanding our troops, has moved his camp back into a better defensive position.

The Daily Mail publishes the following description of the battle of Elandslaagte from its special war correspondent, G. W. Steevens, filed at Ladysmith:

The battle was a brilliant, complete success. The Boers numbered from 1,200 to 2,000 and probably had about 100 killed and 150 wounded.

The fight itself was like a practical illustration of hand book tactics, each arm represented doing its proper work to perfection. The Gordon Highlanders in their attack advanced in magnificent order. They were immediately saluted with a heavy fire, which told from the first. Their major fell with a bullet in his leg, but as he lay where he fell he lit a pipe and smoked placidly while the advance continued. As man after man dropped supports were rushed into the firing line, our men darting from cover to cover, splendidly led and ever advancing. Yet, as ridge after ridge was won, the Highlanders still found a new ridge confronting them, and thus they fought their bleeding way until the final ridge was neared, with nearly every officer down.

Then, slamming every available man into the firing line, Manchesters, Devons and Light Horse all mixed, with bugles chanting the advance, bagpipes shrieking, and the battle a confused surge, our men swept yelling forward and the position was won. Meanwhile squadrons of Lancers and Dragoons lapped around the Boer left flank, catching the enemy as they retired in disorder, goring and stamping them to pieces.

STILL PURSUING FILIPINOS.

Our Soldiers Chase the Dusky Rebels For Three Miles.

Manila, Oct. 24.—The insurgents around Calamba and Angeles have bothered the Americans lately with their repeated attacks, like most of the Filipino attacks, consisting of shooting a lot of ammunition into their opponents' camp from long range. Major Cheatham's battalion of the Thirty-seventh infantry, three companies of the Twenty-first infantry, a battery of the Fifth artillery and a Gatling gun sallied out yesterday morning from Calamba, drove the Filipinos from their trenches and pursued them for three miles, inflicting heavy loss on them. One American was killed and three were wounded of the Twenty-first infantry.

Lieutenant Fergus, with 20 scouts of the Thirty-sixth regiment, reconnoitering near Lahao, encountered a party of mounted Filipinos. He killed six of them and captured eight, with ten rifles.

Four men from the gunboat Marivelos were lured ashore 18 miles from Iloilo by a flag of truce and the insurgents killed one of them, wounded one and captured a third. The gunboat was unable to fire for fear of wounding the Americans.

The Second battalion of the Nineteenth regiment, Major Reefe commanding, embarked for Iloilo yesterday to reinforce the troops there.

PEACEFUL SAN DOMINGO.

No Truth in the Reported Opposition to President Jiminez.

New York, Oct. 24.—Senor Emilio C. Joubert, the newly appointed consul general from San Domingo to this country, has just assumed charge of the Dominican consulate in this city. In regard to the affairs of the new government Senor Joubert said: "There is no truth in any of the rumors that have been circulated of late to the effect that General Horacio Vasquez has any designs on the presidency of the government. He is in the most perfect accord with the newly elected president, Jiminez, and in the office of vice president, to which he has been elected, he will heartily second the president. There have been no demonstrations of a revolutionary character since the new government was organized. Our citizens are all contented, and the island is rapidly becoming very prosperous."

The right kind of flesh means health. Nearly all sick people lose flesh; and Dr. Pierce's Golden Medical Discovery restores it with wonderful rapidity.

But it does not make flabby fat; it will not increase the weight of corpulent people; it gives the substantial healthy muscular tissue that is accompanied by strength and vitality.

"I am thankful to say I am feeling entirely well once more," writes Mrs. Hannah J. Watkins, of Raccoon, Laurel Co., Ky., in a memorable letter to Dr. R. V. Pierce, of Buffalo, N. Y. "When I wrote you first I was feeling very badly, and the reason I want this published is because I think it may induce some poor suffering one to try Dr. Pierce's medicines and get well.

"But I can only give you a small idea of how I was suffering with what doctors pronounced indigestion and womb trouble. I had been troubled with my stomach for four years and with womb trouble about thirteen years, or ever since my first baby was born. When I wrote to Dr. Pierce I had such terrible misery I could not tell how I was suffering.

"Sometimes I felt that I would rather die than live. My stomach was all out of order and I would belch nearly all the time; nothing I ate agreed with me. I was sick at my stomach half the time; my shoulders ached, my sides hurt, my legs and arms ached, and I was tired and sick all over. My bowels were either too loose or bound up all the time. I have taken in all seven bottles of Dr. Pierce's Golden Medical Discovery and five of 'Favorite Prescription,' also I followed the advice I found in the little book called 'Woman and Her Diseases.' Now doctor, I am so thankful I wrote you, and for your kind advice. You were so kind to write me and not charge me anything for consultation. When I commenced taking your medicine I weighed one hundred and four pounds and now I weigh one hundred and sixteen, and I am gaining all the time."

If constipation is also present, Dr. Pierce's Pleasant Pellets should be taken. They never fail; they never gripe. Medicine dealers sell Dr. Pierce's medicines.
