### TO SUE CORPORATIONS.

Illinois Will Claim \$2,1,000,000 For

Violation of State Laws. Chicago, Oct. 26.—Twenty-four milion dollars is to be demanded through the courts from corporations in Cook county for violations of the Illinois statutes. State's Attorney Deneen will make the demand in a few days by filing 3,000 suits, the largest batch ever seen at one time in the offices of the court clerks of the county.

The purpose of these proposed suits

is to satisfy the law which calls on every corporation in Illinois to file a statement with the secretary of state every year. Failure to comply is punishable by a fine of \$50 a day. There are 14,000 corporations whose names are on the books of the secretary of state that did not file the required statements in 1898. The number of days clapsed since they became de-linquents makes a total liability to the state of \$8,000 for each corporation. Mr. Deneen has picked out 3,000 corporations to form the first lot against which he will proceed.
