CELERY KING
NATURE'S CURE

A Cure for Nervous Headache.

For eight years I suffered from constipation and severe nervous headache, the headache usually lasting three days at a time. Headache powders relieved me temporarily, but left too bad an effect. Since I began taking Celery King I have greatly improved in health, seldom or never have headache, have gained in flesh, and feel decidedly well.—Mrs. E. S. Hatch, Temple, N. H.

AGUINALDO AGAIN PROCLAIMS.

Says Congress Will Decide "Imperialistic Policy" in December.

Manila, Nov. 3.—Aguinaldo has issued a proclamation announcing that the American congress will meet in December to decide whether "the imperialistic policy" and "this bloody work" are to be continued. He exhorts his soldiers to conduct themselves so that congress will consider them worthy of independence, and requests the priests to abstain from politics and to redeem the church from the bad name the misdeeds of the friars have given it.

A crisis in the Filipino cabinet is predicted as the result of the resignations of Paterno and Buencamino, two Filipino leaders who have lost the confidence of the rabid revolutionists.

Some Filipinos who attempted to come to Manila with the Spanish commission received a message from Major General Otis saying the women and children would be given American protection, but that the men who had cast their lots with the insurrection must remain with it. The party included a brother of General Luna, who was assassinated by the guard before Aguinaldo's house, with his family and the Filipino secretary of the treasurer's family. The families returned to Tarlac.

Radical College Professor Resigns.

Des Moines, Nov. 3.—The trustees of Iowa college received last night the resignation of Professor George B. Herron from the chair of applied Christianity. In his letter he says: "It seems to be the generally accepted opinion that men who have money will not give to the college while I remain in its faculty; that the church will not support the college because of my interpretation of the teachings of Jesus. It is certainly true that the doctrines of property which I hold are subversive of the existing industrial and political order. I do believe that our system of private ownership of natural resources is a crime against God and man and nature."

A Night of Terror.

"Awful anxiety was felt for the widow of the brave General Burnham of Machias, Me., when the doctors said she could not live till morning" writes Mrs. S. H. Lincoln, who attended her that fearful night. "All thought she must soon die from Pneumonia, but she begged for Dr. King's New Discovery, saying it had more than once saved her life, and had cured her of Consumption. After three small doses she slept easily all night, and its further use completely cured her." The marvelous medicine is guaranteed to cure all Throat, Chest and Lung Diseases. Only 50c and $1.00. Trial bottles free at A. Wasley's drug store.

The Corner in Broom Corn.

Chicago, Nov. 3.—The corner in broom corn, which has recently more than doubled the price of that commodity, was, it has just been learned, engineered by W. L. Rosenboom and A. J. Klein, dealers in this city. They control 2,000 out of a possible 2,500 tons, worth about $1,200,000, and expect to realize $1,000,000 profit out of the coup.

Guam a Fine Field For Merchants.

San Francisco, Nov. 3.—The first direct advices that have been received here for months from the Island of Guam arrived here on the China, and will be forwarded to Washington. The foreign traders who controlled the business of Guam seem to have vanished, and the place has suddenly opened a fine field for a limited number of merchants. There was no trouble at the island when the letter left, but the natives are likely to cause some anxiety if the Spanish agitators are not taken in hand.

THE FIGHTING BOERS.

They Have Reoccupied Their Old Positions and Remounted Guns.

GENERAL JAN H. M. KOCK DEAD.

The Boer Leader Succumbs to His Wound in Ladysmith Hospital—The Havas Agency in Paris Publishes Heavy Losses For the British.

London, Nov. 2.—Special dispatches from Ladysmith, dated Tuesday, give further details regarding the renewal of the bombardment. The Boers, having reoccupied their old positions, remounted big guns. Their firing was accurate, but almost harmless. Some of the troops were slightly injured by splinters.

Lieutenant F. G. Egerton and his men from the Powerful did splendid work and quickly silenced the Boer guns.

The Boers acknowledge having suffered heavy losses in men and horses in the previous battle.

General Jan H. M. Kock, who was second in command in the Transvaal forces, and who was wounded in the battle of Elandslaagte, died in the hospital at Ladysmith on Monday night.

A dispatch to The Daily Telegraph from Ladysmith, filed Monday night, giving a description of the battle, says: A similar mule stampede occurred to Lieutenant Colonel Grimwood's column on the Bulwan side. The ammunition was lost, but our infantry quite held their own. It was a serious misfortune that the Powerful bluejackets were not summoned sooner, as the result of the engagement would have been different.

The Havas agency in Paris last evening published the following extraordinary dispatch from Cape Town which the agency says was received through its correspondent at Brussels:

"The news of the Boers' two victories around Ladysmith has created considerable excitement among the Afrikanders, who do not conceal their joy. Sir Alfred Milner, the British high commissioner, is much perturbed at their attitude. General White, in these two engagements, lost about 350 men killed, wounded and prisoners. The second victory was won by the Free Staters, commanded by Lucas Meyer, who seized Colenso, thus cutting off the retreat of General White, who is wounded. The investment of Ladysmith is complete and the Boers are masters of Pietersmaritzburg and the Durban railway.

"News has reached General White that Mafeking is closely besieged, and that the Boers have successfully repulsed the sorties. The surrender of Mafeking is expected. It is also confirmed that the Free Staters have seized Colesburg."

The secretary of the war office, who was shown the above dispatch, said the statements made were utterly baseless. Brussels, where the Havas dispatch originated, is the headquarters of Dr. Leyds, the diplomatic agent of the Transvaal, and it is thought the Cape Town dispatch may be an exaggerated Boer version of the recent fighting.

Little light is thrown on the actual situation by the news at hand. The magnitude of Monday's fight, however, is more than ever evident. Virtually three actions were raging simultaneously, but it is obvious that the intention to roll back the Orange Free State troops was not achieved.

The Daily News has a dispatch this morning from Ladysmith, dated Tuesday, at 10:30 a. m., which gives the first independent account of the cutting off of Lieutenant Colonel Carleton's column in the engagement at Farquhar's farm. The correspondent says: The column was sent out Sunday night, made a wide detour and reached the spurs of the Drakonsburg before dawn. Colonel Carleton stormed the heights with the bayonet and maintained his position against great odds, until his ammunition was exhausted and surrender had become inevitable. Nearly 200 had then been killed and wounded.

News has reached here from Lisbon that a British warship in Delagoa bay has fired on a sailing ship which was entering the harbor without having displayed a flag. The vessel proved to be British, but there is some question in Lisbon as to the right of Great Britain to do police duty in a Portuguese port.

Cold Steel or Death.

"There is but one small chance to save your life and that is through an operation," was the awful prospect set before Mrs. I. B. Hunt, of Lime Ridge, Wis., by her doctor after vainly trying to cure her of a frightful case of stomach trouble and yellow jaundice. He didn't count on the marvelous power of Electric Bitters to cure Stomach and Liver troubles, but she heard of it, took seven bottles, was wholly cured, avoided surgeon's knife, now weighs more and feels better than ever. It's positively guaranteed to cure Stomach, Liver and Kidney troubles and never disappoints. Price 50c at A. Wasley's drug store.

Says Germany Must Give Up Samoa.

Berlin Nov. 3.—The Vossische Zeitung says: "We learn from a well informed source that the Samoan negotiations for a definite settlement are drawing to a close. Germany has made strenuous efforts to secure the main island, but the hopes of success are very slight. Germans must learn to reconcile themselves to the idea that it is impossible to keep Samoa."

Spanish Invasion of Cuba.

FUNSTON'S WELCOME HOME.

Kansas Gives Her Returning Heroes a Royal Greeting.

Topeka, Nov. 3.—Returning warriors never received a more royal welcome here than that accorded yesterday to the soldiers of Kansas' famous "fighting Twentieth" on its arrival from San Francisco. General Frederick Funston and his wife came in for the lion's share of attention, and the "little hero of Manila" was literally taken off his feet by his admirers in their eagerness to display their regard for him.

At every station cheering crowds met the soldiers and greeted them in unstinted fashion. The schools and the colleges along the line were closed, business was practically suspended and the people flocked to the trains by the thousands.

When the train reached Topeka, in four sections, so many people were on the platform and the railroad tracks that the train had to fairly crawl into the depot. The soldiers leaped from the car steps before the train stopped and fell into the arms of friends, who grasped and hugged them and passed them on to eager relatives and sweethearts. Fathers and mothers pushed through the crowd in a frantic endeavor to find "their boy." Many affecting scenes were enacted.

CROKER DEMANDS A HEARING

And Prevented Mazet Committee Adjourning Over the Election.

New York, Nov. 3.—The plan of the Mazet investigating committee to adjourn yesterday afternoon until after election was upset by the appearance of Richard Croker, who made a demand to the committee that he be permitted to give further testimony. Committeeman Hoffman insisted that Mr. Croker be permitted to take the stand at once, but Counsel Moss insisted that no such privilege be allowed him, and Chairman Mazet decided to have an extra session today, so that the Tammany chieftain could take the stand. In the light of Mr. Croker's recent utterances denouncing Mr. Mazet there was every reason to believe that his statement on the stand would demand an answer.

Although Mr. Mazet, in reply to Mr. Hoffman, declared that today's session is in no way a special session, he declined to deny that but for Mr. Croker's appearance no such session would have been held. At the conclusion of yesterday's session Mr. Moss intimated that there was no chance for Mr. Croker to be permitted to make his statement and then leave the court room.

EUREKA!

As you travel through southeastern Kansas about one hundred and twenty-five miles south of Topeka and eighty-five miles east of Wichita, the brakeman sticks his head in the doorway and yells: "Yreeky!" and a couple of minutes later the train pulls into Eureka, the prosperous county seat of Greenwood County.

One of the happy inhabitants of Eureka is Mrs. Sarah E. Taylor, and the reasons for her present happiness are set forth in the following letter addressed to Dr. R. V. Pierce, chief consulting physician to the "Invalids' Hotel and Surgical Institute," of Buffalo, N. Y.

Mrs. Taylor says:

"I had been a sufferer for fifteen years and in August 1898 was taken with severe cramping pain in my stomach. A hard lump about the size of a goose egg formed in my right side. It became so sore I could scarcely walk about the house, and I had no appetite. I consulted two of the best doctors in town and they said medicine would do me no good. I gave up all hope of ever getting well again. One day I thought I would write to you telling you of my condition. You told me I had enlargement of one of the lobes of my liver and the gall bladder, and advised me to take your 'Golden Medical Discovery' and 'Pleasant Pellets.' I had not taken more than half a bottle of each when I began to feel better, and my appetite came back, and for a little over a year since I began to do my work."

"I consulted two of the best doctors in town."

Dr. Pierce's Golden Medical Discovery is a medicine that cures on rational, scientific principles. It is the discovery of a regularly graduated, practicing physician of high standing. It tones up the stomach, stimulates the liver and regulates the bowels. It brings all the digestive organs into healthy activity. It neutralizes and eradicates all poisonous, effete matter in the blood and fills it with the rich, vital, red corpuscles of health and vigor.

The "Discovery" is a temperance medicine. It contains no alcohol in any form.
