DEWEY'S HONEYMOON.

Admiral and His Bride at the Waldorf in New York.

EMBARRASSED BY THE CURIOUS.

Despite the Manifest Desire of the Bridat Couple to Avoid Publicity, They Were Greeted by Cimering Crowdsat Jersey City and Ne Woork.

New York, Nov. 10 -- Admiral and Mrs. Dowey arrived in New York last night from Washington. They were driven direct from the West Twentythird street ferry to the Waldorf-Astoria, where they are the guests of Mr. Boldt, the proprietor of that hotel. The admiral and his bride did not reginter.

The admiral and Mrs. Hazen were married yesterday at the parsonage of St. Paul's Catholle church, Washington, the ceremony taking place in the parsonage because the admiral is not a Catholic. The ceremony was performed by Rev. Father Mackin, recthe ceremony except Mrs. Washington McLean, the bride's mother, and Mrs. Ludiow, the bride's sister, and Lieutenant Caldwell, who waited on the groom. John R. McLean, defeated candidate for governor of Ohio, brother of the bride, did not arrive in time to witness the ceremony.

The admiral and Mrs. Dewey got away from Washington without at-tracting any attention. They came to New York in an ordinary chair car. Passengers who came over, Secretary of War Root among them, said that of war Root among them, said that the admiral and hig bride were not generally recognized by the other pas-sengers till after Philadelphia had been passed. Then there was a gen-eral desire on the part of everybody on the train to see them. People house the dairs on the fact for the see bought chair car tlekets for the pur-pose of being in the same car, and others who did not get chairs walked the car for the purpose of seeing the bride and groom. A group of passengers got around

the admiral when he left his seat for a few moments near Elizabeth, and a

AGUINALDO LOCATED. Our Forces Will Follow Up the In-

surgent Lender's Scattered Bands. Washington, Nov. 16 .- The war de-partment definitely located Aguinaldo yestsrday on his way to the town of Boambang, about 75 miles northesat of Tarkas. The recent calculations have been that the insurgent leader was at the town of Bayambang, not far from Tarke, in which case the several forces under Generals Mac Arthur, Lawton, Young and Wheator would have had him practically sur rounded. There has been some doubt however, as to the name Bayambang, and yesterday this was cleared up by definite information fixing Boambang, instead of Bayambang, as the place of Aguinaldo's refuce

It is expected that the insurgent capital now will be shifted to Boambang and the efforts of the American military forces will be directed toward that point. It is in the mountainous

ountry of the north, and apparently out of the fertile and populous regions in which Aguinaldo thus far has conducted his operations. This leaves the rebel leader little or no opportunity of communicating with the cost or get ting in supplies. He has also left the tailroad behind. It is said at the war department that the column of Gentor of the church, assisted by Fathers eral Young and General Wheaton will Herbert and Foley. No one witnessed push on to the north, tollowing up the immirgent leader and his scatterod hunds.

sembly. Lowis says he has a solid Passair delegation with him as a starter, and he also expects to secure support in Essex and other northern counties. Mr. Lewis led the assen blymen candidates in Passale in the election on Tuesday.

British Forces Are Belog Repidly

London, Nov. 10 .- The scanty and

conflicting news from the seat of war and the fact that General White has not

yet said a word about the alleged fight-

ing around Ladysmith are again pro

ducing a feeling of gloom. It may be that General White has sent news that

General Buller has thought best to keep it to himself. Indeed, this is the

version that is heginning to be believed, as it is held to be impossible that

the news of the heavy fighting brought by kaffirs in such circumstantial detail

can be wholly groundless. If this be so it is ominous, for there could be no

ground for concealing favorable news. It cannot be long, however, before a

change occurs. General Builer's forces will soon arrive at Burban, and will

probably begin to advance to the relief of Ladysmith about Nov. 15.

The Boars, if they ever entertain the idea of a real invasion of Cape Colony,

have probably abandoned it, and will devote their whole energies to reduc-

ing Ladyamith. They have only about a week in which to do this. The fact

that they are rather inactive indicates that they are walting for something

which they feel sure will justify their delay. The intest Estcourt dispatches

seem to hint that the garrison is about to retire further southward.

Orders have been received at Wool-wich and Devonsport for the mobiliza-
