BLUE TRADING STAMPS.

Always Encourage Our Home Industries. ······

The syndicate of merchants whose names appear in this directory and who represent the leading and enterprising business people in their lines in this vicinity, are anxious to secure new customers and thereby increase their cash trade by giving Blue Trading Stamps, and to that end they have contracted with Blue Trading Stamp Co., so that by dealing with those merchants you will receive one Blue Trading Stamp

for each ten cents represented in your cash purchase.

When you have saved 300 Trading Stamps, 600, 900, 1200, or more from any or all of the merchants combined with whom we have contracted, they can be exchanged at our store, which are permanently ocated or at any branch store for very useful and attractive premiums.

By asking for Blue Trading Stamps and trading only with merchants who give them you can get free a 10-cent Trading Stamp with every 10-cent purchase, 10 Trading Stamps for \$1 purchase, and in the same ratio for the full amount of your bill. Bear in mind the merchants make no advance in the prices of their

goods, but on the contrary increase of trade secured to them by this plan will enable them to sell closer than ever before. Merchants may unintentionally neglect to give you Blue Trading Stamps unless you ask for them; therefore the remedy lies with the customer; you should not

hesitate to ask for Blue Trading Stamps from any merchant whose name appears in this Directory. This system enables merchants to pay cash for their goods of the wholesaler, and thereby obtain all discounts. Are you not entitled to discount for cash trade also? Blue Trading Stamps put the merchant's business on a cash basis, and saves the customer from paying loses which the merchants sustain by reason of bad debts, which loses are

inevitable where a merchants does a credit business. Ask for Blue Trading Stamps, save them, and you will feel proud
