SAVED BY MRS. PINKHAM.

At last inflammation of the womb and ovaries resulted and then I suffered agonies, had to give up my profession (musician and piano player), was confined to my bed and life became a terrible cross. My husband summoned the best physicians, but their benefit was but temporary at best. I believe I should have contracted the morphine habit under their care, if my common sense had not intervened.

"One day my husband noticed the advertisement of your remedies and immediately bought me a full trial. Soon the pain in my ovaries was gone. 1 am now well, strong and robust, walk, ride a wheel, and feel like a girl in her teens. I would not be without Lydia E. Pinkham's Vegetable Compound; It is like water of life to me. I am very gratefully and sincerely your wellwisher, and I heartily recommend your remedies.
