POLITICAL POINTS.

The local statesmen are preparing for the borough election.

S. G. M. Hollinger, Esq., of town, the recent Prohibition candidate for District Attorney, is in receipt of bulky legal documents notifying him that he was not elected, and that he received a total of 196 votes. Mr. Hollinger does not believe in contests, but he wants what is due him. He therefore had the records corrected and his vote increased to 190, which was done. The county is thus saved an expensive contest.

The friends of Michael Graham are urging him to allow the use of his name in connection with the Citizens nomination for Chief Burgess.

The appointment of Samuel Delbert, the present chief deputy, as the successor of the late Chief Burgess, is a matter of course and has already received the County Commissioners' approval. Mr. Delbert is familiar with every detail of the office, having served as clerk and deputy for the past six years. He is one of the most obliging and courteous officials on the hill, and Treasurer-elect Deacons could do no better than retain Mr. Delbert as his chief deputy when he assumes office.

Mr. Delbert is a candidate for re-election. The name of Frank Brennan has also been mentioned in this connection.

Many prominent Republicans are favorable to the nomination of John T. Schoener for Congress next year. John T. Schoener of the County by handsome majorities, with exceedingly strong and popular candidates against him. Mr. Schoener is looked upon by many as the ideal candidate for Congressional honors. He has already been spoken to by many to allow the use of his name, but is reluctant to again enter a political contest. It may be that the Republican nomination will be forced upon him, and if it is there is no doubt but that this congressional district will be represented by a Republican as the successor to Congressman Ryan.

Emmanuel Jenkyn, who was defeated for re-election to the office of Recorder, has no intention of contesting the election of Joseph H. Nichter rumors to the contrary, notwithstanding. Mr. Jenkyn accepts his defeat gracefully.

The Miness' Journal is now anxious to get back in the Republican party, and in a long editorial cries for harmony. The Journal should be given the same harmony it accorded some of the Republican candidates.

What can Mahanoy City expect from the next Republican county convention?

There are said to be a small array of applicants anxious to succeed Commissioner-elect Ople as deputy sheriff.

It is rumored that Hon. Thomas Higgins will be allowed to name one of the clerks under Recorder-elect Nichter, and that Tom would fill the bill.

Ex-Mayor Mulholland, the big, good natured Democratic boss of Shenandoah, is looking up for something big next year. He regrets the defeat of his friend Brennan for Commissioner, as well as that of Ex-Representative Higgins for Clerk of the Courts.—Journal.

There will be a clean sweep in the District Attorney's office when M. P. McLoughlin assumes charge on January 1st, says a prominent Democrat, who adds that all of the present deputies must go. It is further reported that Mr. McLoughlin will appoint but two deputies, reducing the force just one-half.

Was in a Boer Skirmish.

Samuel C. Thompson, of Pottsville, son of Major Hester Thompson, writes his father of an exciting experience he had in South Africa. He is employed for a British firm over Johannesburg. He was on board the train attacked by Boers in October, en route from the mines to Cape Colony. The soldiers of Oom Paul captured \$200,000 in gold which was on the train on its way to England. Two men were killed in the attack, the defense of the precious metal, and he himself had a narrow escape from being shot.

Pennsylvania Day at the Exposition.

Governor Stone having designated Thursday, November 16, as Pennsylvania Day at the National Export Exposition, Philadelphia, and the same having been set apart by the managers, the Pennsylvania Railroad Company will sell excursion tickets on November 16, from all points on its line in Pennsylvania, east and south of, and including Harrisburg and Sunbury, to Philadelphia and return, at a rate of one cent per mile each direction, plus admission to the Exposition (no ticket is to be sold for less than one dollar). Tickets will be good to return until November 17, inclusive. Governor Stone and state officials will attend.
