The council referred the resolution to its arbitration committee. The communication from the employers is thought to foreshadow the greatest struggle in which purely local labor or-ganizations ever have become involved.

Remedy

**Paralysis** 

Mr. H. N. Warner, of Kearney,

"In 1894 I was attacked with paralysis in my left side. You might stick a pin to the head into my he hip and I would not feel it. I was unable to do any kind of work, and had to be turned in bed. I fully made up my mind that I could not be cured, as I had used all kinds of medicine and had tried many doctors. At last I was advised to try Dr. Williams' Pink Pills for Pale People, and I very reluctantly commenced their use last September. Before I had finished my first box I began to feel much better, and by the time I had used six boxes the paralysis disappeared; and although two months have passed since I finished my last box, there has been no recurrence of the disease."

From the Advertiser, Aztell, Neb.

Dr. Williams' Pink Pills for Pale Peopts contain, in a condensed form, all the elements necessary to give new life and richness to the blood and restore shattered nerves. They are an unfailing specific for such discusses as locomotor staxia, partial paralysis, St. Vitus' dance, aciatica, neuralgia rheumatism, nervous headache, the after-effects of a grippe, palpitation of the heart, pule and sallow complexions, all forms of weakness either in male or female.
