**THE FILIPINO CHASE.**

General Wheaton to Head Off Ag-  
 uinaldo From the North.

**REBELS NOW BOUND FOR ILOOOS.**

Gen. Lawton, too, is rushing North-  
 ward with a view to preventing the  
 enemy's escape—Manila Reported to  
 Be Threatened by Highlanders.

Manila, Nov. 23.—The next move of  
 importance in the chase for Aguineldo  
 is to be made by General Wheaton,  
 who will go up the coast by transport  
 to Virac at the mouth of the Abaya  
 river. This will land his forces far to  
 the north of where Aguineldo is sup-  
 posed to be, the intention being to cut  
 off his retreat to the north. East of  
 the route Aguineldo is taking are  
 mountains, inhabited by tribes which  
 are not friendly to Aguineldo, and  
 would be likely to attack him if he at-  
 tempted to cross their territory. The  
 country along the coast is quite well  
 settled. There are several little rivers,  
 making harbors from which it is fear-  
 ed Aguineldo may escape by boat.

General Young, it is believed, is watch-  
 ing the smaller ports with a part of  
 his force.

It does not appear that the efforts to  
 capture Aguineldo and the larger por-  
 tion of his army will be successful.  
 The intention of General Young to  
 prevent Aguineldo reaching Bayam-  
 bong seems evident, but this seems  
 scarcely probable now.

News from the pursuit of Aguineldo  
 is not expected for a day or two. Yes-  
 terday a report reached General Law-  
 ton by courier from General Young  
 that people knowing the country think  
 Aguineldo's destination is Iloos.

With General Lawton's troops in a  
 position to move toward Bayam-  
 bong by every road from the south and  
 with impenetrable mountains, peopled by  
 unfriendly, semi-savage tribes behind  
 Bayampong would be a poor refuge.

It is reported that General Lawton  
 is moving northward from Tayung  
 with infantry to head off Aguineldo.

General Young has only one troop  
 of cavalry and the Macabbes, who  
 originally numbered 300. Aguineldo  
 is supposed to have two days' start  
 from Avangay.

General McArthur, it is known  
 here, is operating not far from Tar-  
 lac. No alarm is felt regarding the  
 situation of General Wheaton, who  
 has been for some time beyond tele-  
 graphic communication.

The Chinese imperial consul general  
 has come into conflict with a Chin-  
 amandarin in Manila named Palanco,  
 a mandarin and the uncrowned king of  
 all the Chinese in the Philippines. He  
 is a man of great wealth and influence  
 among the Chinese, who look to him  
 rather than to the consul general,  
 is antagonizing the latter on the ground  
 that he has no right to exercise any  
 authority over the Chinese except the  
 Cantonese. As an aid to his effort to  
 overcome the consul general Palanco  
 is organizing alleged Chinese benevo-  
 lent societies, which are regarded as  
 nothing more than societies of high-  
 linders.

**Glorious News.**

Comes from Dr. D. B. Cargile, of Washita,  
 I. T. He writes: "Four bottles of Electric  
 Bitters cured Mrs. Brown of a disease  
 which had caused her great suffering for  
 years. Terrible sores would break out on  
 her head and face, and the best doctors  
 could give her no relief. Her cure is com-  
 plete and her health is excellent." This  
 shows that thousands have profited—that  
 Electric Bitters is the best blood purifier  
 and the best remedy for eczema, scurf,  
 rheum, ulcers, boils and running sores. It  
 stimulates liver, kidneys and bowels,  
 expels poisons, helps digestion builds up  
 the strength. Guaranteed.

to the coffee drinker. Coffee drinking is a  
 habit that is universally indulged in and  
 almost as universally injurious. Have you  
 tried Grain-O? It is almost like coffee but  
 the effects are just the opposite. Coffee  
 upsets the stomach, ruins the digestion,  
 effects the heart and disturbs the whole  
 nervous system. Grain-O tones up the  
 stomach, aids digestion and strengthens the  
 nerves. There is nothing but nourishment  
 in Grain-O. It can't be otherwise. 15 and

**Georgia's Prohibition Bill.**

Atlanta, Nov. 23.—The Willingham  
 bill, providing for prohibition in Geor-  
 gia, was passed by the lower house of  
 the general assembly yesterday. The  
 measure received a majority of five  
 votes more than the two-thirds neces-  
 sary. It is not assumed that it will  
 become a law, however. It is said that  
 of the 44 members constituting the  
 state senate 23 oppose the measure,  
 and this means its defeat. Great pres-  
 sure was brought to bear upon every  
 section of the state, and its passage  
 by the lower house is considered a  
 signal victory for prohibition.

**BLUE TRADING STAMPS.**

Always Encourage Our Home Industries.

The syndicate of merchants whose names appear in this directory  
 and who represent the leading and enterprising business people in their  
 lines in this vicinity, are anxious to secure new customers and thereby  
 increase their cash trade by giving Blue Trading Stamps, and to that  
 end they have contracted with Blue Trading Stamp Co., so that by  
 dealing with those merchants you will receive one Blue Trading Stamp  
 for each ten cents represented in your cash purchase.

When you have saved 300 Trading Stamps, 600, 900, 1200, or  
 more from any or all of the merchants combined with whom we have  
 contracted, they can be exchanged at our store, which are permanently  
 located or at any branch store for very useful and attractive premiums.

By asking for Blue Trading Stamps and trading only with mer-  
 chants who give them you can get free a 10-cent Trading Stamp with  
 every 10-cent purchase, 10 Trading Stamps for \$1 purchase, and in the  
 same ratio for the full amount of your bill.

Bear in mind the merchants make no advance in the prices of their  
 goods, but on the contrary increase of trade secured to them by this  
 plan will enable them to sell closer than ever before. Merchants may  
 unintentionally neglect to give you Blue Trading Stamps unless you ask  
 for them; therefore the remedy lies with the customer; you should not  
 hesitate to ask for Blue Trading Stamps from any merchant whose name  
 appears in this Directory.

This system enables merchants to pay cash for their goods of the  
 wholesaler, and thereby obtain all discounts. Are you not entitled to  
 discount for cash trade also? Blue Trading Stamps put the merchant's  
 business on a cash basis, and saves the customer from paying losses  
 which the merchants sustain by reason of bad debts, which losses are  
 inevitable where a merchant does a credit business.

Ask for Blue Trading Stamps, save them, and you will feel proud  
 of our handsome premiums.

**MR. HOBART'S FUNERAL.**

Private Ceremony for the Family  
 and Cabinet Officials.

**BODY WILL NOT LIE IN STATE.**

But Will Be Exposed in the Library of  
 the Hobart Home For Three Hours  
 on Friday—Government Troops Will  
 Act as Escort.

New York, Nov. 23.—The funeral of  
 the late Vice President Garret A. Hobart  
 will take place on Saturday. The  
 morning service at the residence will be  
 attended only by the members of  
 Mr. Hobart's family, President McKinley  
 and his cabinet and Mr. Hobart's  
 most intimate friends. At the Church  
 of the Redeemer in Paterson the  
 public service will be held at 2:30  
 o'clock in the afternoon. As the special  
 accommodation of the church is  
 entirely inadequate, seats will be  
 reserved for the various national, state  
 and local officials, representatives of  
 the organizations with which Mr. Hobart  
 was connected and intimate personal  
 friends of the family. It is,  
 therefore, impossible to provide for  
 the general public until these friends  
 have been accommodated.

The services in the Hobart residence  
 will probably be conducted by Rev. Dr.  
 Magie, of Paterson, Rev. Dr. Ham-  
 lin, of Washington, and the blind  
 chaplain of the senate, Rev. Dr. Mil-  
 burn.

The body will not lie in state in the  
 city hall, as was desired by the city au-  
 thorities, but on Friday afternoon the  
 casket will be open in the library of  
 his home and for three hours the pub-  
 lic may view the face of the late vice  
 president.

Four companies of regular soldiers  
 from Governors' orders will take part  
 in the funeral ceremony and will prob-  
 ably act as an escort from the late  
 residence of the vice president to the  
 residence of the vice president to the  
 church. The military will also act as  
 an escort to President McKinley and  
 his party.

It is expected that President McKin-  
 ley and his cabinet, the supreme court  
 justices and other officials from Wash-  
 ington will arrive before noon on Sat-  
 urday. A special train, bearing the  
 senators and representatives and other  
 United States officials will start from  
 New York, and committees will be at  
 hand at Paterson to take charge of  
 those on board. There will be about  
 42 members of the lower body.

All of the public buildings in Paterson  
 have been draped, as well as many  
 of the private residences throughout  
 New Jersey.

Dr. Newton, the vice president's  
 physician yesterday filed the certificate  
 of death, giving the cause of  
 death as "dilatation of the heart, due to  
 myocarditis."

Mr. Hobart was a member of the  
 Order of Free and Accepted Masons,  
 of high rank, a thirty-third degree  
 Scottish Rite Mason and a Knight  
 Templar. In reply to inquiries of  
 representatives of various Masonic  
 bodies it has been explained to them  
 that the family deem it best not to  
 have a Masonic funeral.

Up to the present the names of the  
 pall bearers have not been announced.  
 Mr. Hobart two months ago, when  
 he feared something might happen,  
 named six of his most intimate friends  
 in New Jersey, and it is believed that  
 these will act as his pall bearers. It is  
 understood that the vice president left  
 a will naming as his executors Col-  
 onel William H. Barbour and E. T. Bell,  
 both personal friends, and it is more  
 than likely that they are two of the  
 pall bearers selected.

A Washington dispatch says that un-  
 less present intentions are altered  
 neither Mrs. McKinley nor the ladies  
 of the cabinet and the supreme court  
 will attend the funeral of the vice  
 president. While they are anxious to  
 show all respect to the memory of the  
 distinguished dead, it is felt that the  
 long journey to and from Paterson  
 would prove too trying, especially for  
 Mrs. McKinley, and the decision has  
 been reached to confine the Washing-  
 ington party to gentlemen.

**Newfoundland's Shipping Disasters.**

St. John's, N. F., Nov. 23.—Reports  
 of shipping disasters continue to ar-  
 rive, showing considerable loss of life  
 during the recent gales. The schooner  
 Josephine, Pet. Minnehaha, Em-  
 meline and Clara Belle are ashore at  
 different points along the coast, and  
 the schooner Marianna is now known  
 to have foundered with a crew of six.

**Mr. A. L. Hines and Death Fight.**

Mr. A. L. Hines of Manchester, Ia., writ-  
 ing of his almost miraculous escape from  
 death, says: "Exposure after months in-  
 duced serious lung trouble, which ended in  
 Consumption. I had frequent hemorrhages  
 and coughed night and day. All my doctors  
 said I must soon die. When I began to use  
 Dr. King's New Discovery for Consumption,  
 which completely cured me. I would not  
 be without it even if it cost \$5.00 a bottle. Hun-  
 dreds have used it on my recommendation,  
 and all say it never fails to cure Throat,  
 Chest and Lung troubles." Regular size 50c  
 and \$1.00. Trial bottles free at A. Wasley's  
 drug store.

 Leslie Mestrez, supreme court judge,  
 and the prorogation of Judge Hopper

**ALLEGED ATTEMPTED BRIBERY.**

Charged With Trying to "Fix" Jury  
 in Indiana Narcotics Case.

Philadelphia, Nov. 23.—Charged with  
 attempting to influence the jury in the  
 conspiracy and bribery cases against  
 former United States District Attorney  
 Elmer P. Ingham and his law partner,  
 Harvey K. Newitt, three men were  
 yesterday arrested by secret service  
 operatives. They are Thomas O'Dea,  
 Harry J. Fairbank and George W.  
 Peifer, all of this city. Ingham and  
 Newitt were convicted in the United  
 States district court of complicity in  
 the famous revenue stamp counter-  
 feiting conspiracy, headed by William  
 M. Jacobs and William L. Kendlig,  
 of Lancaster, Pa. They are now await-  
 ing sentence.

The three men arrested yesterday  
 were arraigned before United States  
 Commissioner Edmunds and were  
 committed in default of \$5,000 bail  
 each for a further hearing tomorrow.  
 Little was developed at the hearing.  
 District Attorney Beck said the gov-  
 ernment would contend that the de-  
 fendants were simply the tools of  
 others. The chief act, Mr. Beck said,  
 consisted in the fact that on Satur-  
 day, Oct. 14, two of the three defen-  
 dants approached the brother-in-law of  
 one of the jurors with the request that  
 he influence the juror to vote against  
 conviction. The juror was to receive  
 \$500 and the brother-in-law \$400. The  
 district attorney asserted that other  
 attempts were made to bribe.

The name of the juror was not  
 divulged, but as Isaac W. Gearhart, of  
 Robeson, Pa., was the only one of  
 the panel present it was presumed that  
 he was the man approached.

**Hunter's Desperate Fight With a Bear**

Stroudsburg, Pa., Nov. 23.—Eugene  
 Harps, a Wilkesbarre Pa., hunter, was  
 found Tuesday night on the Pocono  
 mountains near Stauffers, this county,  
 unconscious and horribly lacerated.  
 Beside him lay dead a huge black bear.  
 Harps started on his hunting trip on  
 Monday. On Tuesday his dog returned  
 to the village covered with blood, and  
 a searching party found Harps in a  
 dense thicket and in a dying condition.  
 There was every evidence that a des-  
 perate struggle took place.

Mrs. Claus Nelson, of Pico Heights, Los An-  
 geles, Cal., Box 31, writes: "I send you my pic-  
 ture taken with my little boy. I got sick and  
 as now as I do in the picture: I was sick then  
 and I thought my days would not be long, but  
 your kind and merciful words got me up and  
 you have my heart-ful thanks for your  
 kind advice. I have not my sickness, and for  
 your book which I received two years ago, and  
 which I could not do without. It is all the Doc-  
 tor's fault, but since you got me up and saved  
 trouble, and Dr. Pierce's Favorite Prescription,  
 together with the advice given in his book,  
 cured me of six years' illness."

The book Mrs. Nelson mentions is Dr.  
 Pierce's 100 page "Medical Adviser," the  
 most useful "doctor book" published. A  
 copy in stiff paper covers sent on receipt of
