Increase in Factory Employees.

Hartshorn, Dec. 1.—The annual report of Factory Inspector James Campbell for the fiscal year ended Oct. 31, 1899, shows that there were 182,370 more persons employed in the manufacturing establishments under the supervision of the factory inspector in 1899 than in 1898. Mr. Campbell says that if the demand for skilled workmen and laborers could be supplied the increase would be greater. There were 127 illiterate children during the year and 2,323 accidents reported, three-fourths of which were due to carelessness. Sixty sweat shops were suppressed during the year.

How to Fall Unhurt.

"People wonder how an actress can fall on the stage without hurting herself, but it is the easiest thing in the world," said an actress. "The great secret of falling is to relax. If you slip and fall some time when you do not wish to, if you can only remember to relax your muscles, you will be saved perhaps from a serious injury. Children and drunken people fall relaxed."

Consumption Cured.

BROUGHT BACK FROM THE GRAVE. Last November Mr. Joseph James, painter, of 325 W. Pearl St., Indianapolis, Ind., was at death's door with quick consumption. Wasted to a skeleton; his lungs a mass of ulceration; his death was hourly awaited by his doctor and family. He was kept in a constant stupor with opium. A friend, thinking to relieve his terrible cough, gave him a bottle of Brazilian Balm. Seeing its wonderful effect, the doctor advised he continued use. Mr. James soon after dismissed his doctor, and depended on the Balm alone. His recovery was rapid and complete, and in February he returned to work. His lungs are sound, and his weight greater than at any time in his life. His recovery is regarded as almost a miracle.

CONSUMPTION CURED. In consumption because of cough mixtures and prescriptions that contain opium. Opium paralyzes the nerves, and gives the comma bacillus a good chance to destroy the lungs. It is always fatal. Brazilian Balm does not contain a trace of any opiate, but stimulates the nerves with new life and power, destroys the microbe, and restores all that is left of the diseased lungs to a sound and healthy state which no other remedy has ever been known to accomplish.

PITHY POINTS.

Happenings Throughout the Country. Chronological for Hasty Perusal. Are well paper at Cardin's for 5 and 6 cents per roll. Come and see them. The County Commissioners will this month appoint a mere, little appraiser. The young men of Port Carbon will organize a gymnasium club. The Pennsylvania Railroad will advance freight rates on January 1st. "Jack" McPartly is in another deal, this time to start a newspaper at Reading. The new Holy Trinity German Catholic church, at Hazleton, was dedicated yesterday. In a county contest for wretched sidewalks Shenandoah is a loser. A horse was sought to be fixed up before bad weather sets in. Harry Russell, of Tanawha, has been elected captain of Company B, Eighth Regiment, N. G. P. The annual inspection of Watkin Waters Post, G. A. R. will take place this evening. Less than one hundred people heard Eugene Dubs lecture at Shamokin. Shoe buyers in search of "real" shoe bargains should read the Boston Factory Shoe Store "ad" on the second page of to-day's issue. The Thanksgiving dance of the Schley orchestra at Robbins' opera house last night was well attended by strangers. The orchestra is establishing itself as a popular dispenser of music for dancers. "I suffered for months thro from sore at Electric Oil cured me in twenty-four hours." M. S. Gist, Havesville, Ky.

Violated Liquor Laws. Wm. Evans and Mrs. Con. Leonard, of High Point, were arraigned last evening before Squire Brennan, of Mahanoy township, charged with selling liquor without a license, on oath of Constable John Kowley. The suit is an outgrowth of a quarrel started by a man named Morris Beckler, who had been drinking in the place until intoxicated on Labor Day. As a result of the fight a law suit ensued, and Mr. Rowley was directed by Judge Henning to bring prosecution against the parties above mentioned.

State School Appropriation. The share of the state school appropriation to which Shenandoah is entitled is expected shortly. The amount announced having been made at Harrisburg that payment of the school moneys would be made for this section of the state within the next two days.

Wilkesbarre Stated. The Potomac male chorus was a prize of \$75 and a silver cup at the big elated held at Wilkesbarre yesterday. The male chorus consisted of 30 voices, under the leadership of Prof. David J. Williams of St. Clair. The chorus was organized especially for this contest, and the selection rendered was "All Through the Night."

THE MODERN MOTHER. Has found that her little ones are improved more by the pleasant Syrup of Figs, when in need of the laxative effect of a gentle remedy, than by any other. Children enjoy it and it benefits them. The true remedy. Syrup of Figs is manufactured by the California Fig Syrup Co. only.

New Telephone Line Opened. The Shamokin Valley Telephone line from Shamokin to Ashland will be opened to the public to-morrow. The extension to Shenandoah, Mahanoy City and Pottsville are under way, and the line men have poles erected up to the borough line of this town.

A Card. We, the undersigned, do hereby agree to refund the money on a 50-cent bottle of Greene's Warranted Syrup of Tar if it fails to cure your cough or cold. We also guarantee a 25-cent bottle to prove satisfactory or money refunded.

Good Old Sport. William Richards 80 years old and father of Mine Superintendent Richards of Mahanoy City, went hunting in the woods in Locust Valley yesterday and shot a fine specimen of a silver gray fox weighing 18 pounds.

A Great Offer. The first five persons procuring the Endless Chain Starch Book from their grocer, will each obtain one large 10c. package of "Red Cross" starch, one large 10c. package of "Haberger's Best" starch, two Shakespeare panels, printed in twelve beautiful colors, as natural as life, or one Twentieth Century Girl Calendar, the finest of its kind ever printed. All absolutely free. All orders procuring the Endless Chain Starch Book will obtain from their grocer the above goods for 5c. "Red Cross" laundry starch is something entirely new, and is without doubt the greatest invention of the twentieth century. It has no equal, and surpasses all others. It has won for itself the praise of every part of the United States. It has superseded everything heretofore used, or known to science in the laundry art. It is made from wheat, rice and corn, and chemically prepared upon scientific principles by J. C. Hubinger, an expert in the laundry profession, who has had twenty-five years practical experience in fancy laundering, and who was the first successful and original inventor of all five grades of starch in the United States. Ask your grocer for this starch and obtain these beautiful Christmas presents free.

Philadelphia's Get Rich Quick Trust. Philadelphia, Dec. 1.—It is probable that legal steps will be taken today to protect the interests of some of the customers of the Investors' Trust, a concern similar to Miller's Franklin syndicate, of Brooklyn, which closed its doors a few days ago. A number of investors whose money is tied up will arrive here today and hold a conference, after which the wheels of the law will probably be started in motion. That no proceedings have been instituted against the trust before this time is due to the fact that nearly all of its customers live in faraway cities and states and in foreign countries.

Conduits Shipped to Havana. Philadelphia, Dec. 1.—The Earn Line steamship Hindustan sailed from here yesterday for Havana, Cuba, carrying in her hold the biggest shipment of terra cotta conduits that ever left a port of the United States, amounting to 700 tons, and this quantity will be followed by much more. The conduits are consigned to the Havana Electric Railway company.

A Thanksgiving Day Robbery. Lancaster, Pa., Dec. 1.—Robbers broke into the home of I. W. Leidigh, vice president of the People's bank, yesterday afternoon while the family were absent to church. The robbers made a large quantity of silverware, a considerable sum of money and a valuable seal skin sack. Entrance was gained to a second story window by means of a ladder.

Senator Hayward's Illness. Nebraska City, Dec. 1.—At midnight Dr. Whitten posted the following bulletin: Senator Hayward has had a very restless day, having slept very little. His temperature is 100, pulse 89, regular and softer than in the morning; respiration 24, and still intermittent. He is more conscious of his condition. Paralysis remains.

THEATRICAL.

"THE SINGERS." "The Singers," a stirring melodrama, replete with startling situations and a strong plot, has been booked for Ferguson's theatre, Saturday afternoon and night. In the production 5,000 pounds of special scenery is shown. The company is headed by Mr. Gus Cohen, the clever German singing and dancing comedian, in the amusing role of Mr. Gensmeyer. At the matinee the prices will be 10 and 20 cents. At the evening performance popular prices, 10, 20 and 30 cents will prevail.

"HEARTS OF THE BLUE RIDGE." The charming comedienne, Miss Dorothy Lewis, will present her latest success, the beautiful drama, "Hearts of the Blue Ridge," at Ferguson's theatre next Monday evening, supported by an exceptionally strong company. The piece deals with one of the feuds so common in North Carolina, and although the drama is very old, it has not an uninteresting line, in fact all who know or have seen productions from the pen of this famous author know that he has the gift of swaying his audience at his will; no expense has been spared by the management to make this production complete in every detail. A special feature this season with the company is the famous Blue Ridge Colored quartet.

"IRISH VISITORS." Of all the shows that have appeared at the Opera House this season, none has pleased better than "Pat Maloney's Irish Visitors" that opened last night to a house packed to the doors, every seat being filled when the curtain went up and many had to be content to lean up against the wall. Of the performance too much can be said in praise of the splendid array of talent in the Pat Maloney show. The program is clean, bright and humorous, the music is up to date and catchy, and the specialties all of the highest order, the excellent work of Mr. Tom Waters, the well known Boston humorist, entitles the gentlemen to a place among the highest artists. To give all the artists the space they are entitled to would mean that this column would be a strictly impartial standpoint, we will say it is by far the most satisfactory entertainment of the season.—Worcester Daily Gazette. The show will appear at Ferguson's theatre on Dec. 7th.

A very large audience witnessed the production of "St. Plunkard" at Ferguson's theatre last night and gave vent to frequent expressions of approval. The play is one that has some very amusing situations and many clever specialties are introduced, embracing monologue, stinging and dancing and juggling. The orchestra was a feature of the entertainment, the descriptive fanfare "Soldiers' Life" being especially rendered. It is a unique and effective composition.

Editor's Awful Plight. F. M. Higgins, Editor Seneca, (Ill.), News, was afflicted for years with Piles that no doctor or remedy helped until he tried Bucklen's Arnica Salve. He writes two boxes wholly cured him. It's the surest Pile cure on earth and the best salve in the world. Cure guaranteed. Only 25 cents. Sold by A. Wasley, druggist.

"Uncle Tom's Cabin" company played a packed house here on Tuesday night. John Kennedy, of New York, is spending a few days with his parents on Second street. The fifth annual supper and dance under the auspices of the Ladies' Catholic Society at the armory hall last evening was a success in every way. After everybody had satisfied their appetites dancing was continued to the wee hours of the morning to the sweet tunes of Sweeney's orchestra. James Blows is visiting friends in Danville.

Thanksgiving Sports. Benjamin Mahanoy, of Trearton, defeated John Bearick, of Weisport, in an exciting shooting match for a purse of \$300 at the Mahanoy City park yesterday. A large crowd witnessed the match. Each man shot at 35 birds. Macheer succeeded in killing 30, while Bearick only brought down 25. Patrick Ferguson and John Chalmers shot at seven birds apiece yesterday, at Oakland field, near Ashland. The latter gave Ferguson one dead bird, and that gave him the match. The fourteen-hirds got away safely.

Buy Royal Patent Hirds. It is the best in the market. Coal Prices Advanced. The Philadelphia and Reading Coal and Iron Company has issued a new coal circular relative to prices which will prevail this month as applied to the line and city trade. The principal changes are in pea and buck-wheat sizes, there being an advance in the former size of from 10 to 15 cents per ton and in the latter of from 10 to 15 cents per ton. This circular goes into effect to-day.
