OUR COUNTRY: First, Last and Forever.

FORMER Congressman Brumby has been in Washington the past few days—not as representative of the people, but in an effort to retain his son in a government position with a fat salary.

Those burglars are still at large, and the good people of Shenandoah, who pay dearly for protection, are nightly in danger of being "visited." And still we have a force of six regular policemen and two or three special watchmen.

The suggestion of a new combination of Republican leaders in this county, by our county seat correspondent, is still the topic of conversation in Republican circles, not alone in this county but at state headquarters as well.

SENATOR MARK HANNA'S advice to young men "is to leave politics alone as a profession." This admonition, coming as it does from a man who has achieved national prominence in politics, seems rather inconsistent, yet it is true and can be followed with profit.

THE Miners' Journal says that B. Jefferson Yost, of East Mahanoy Junction, is a candidate for the Legislature "in the Second district." The fact that Mr. Yost is a resident of the third district doesn't prohibit our erratic contemporary from locating him somewhere else.

Sensible Railroad Flanager.

The general manager of the Delaware, Lackawanna & Western R. R. is evidently a man of more than average good sense. Immediately after the recent frightful accident at Paterston occurred the general manager issued orders to the division officials to afford the newspaper men every possible facility to enable them to procure all the facts in order that their reports might be accurate and truthful. He preferred that the exact truth should go out to the public rather than possible exaggerations based on surmise.

This was sensible reasoning. It is too much the practice of railroad officials, when accidents occur on their lines, to throw every possible obstacle in the way to prevent reporters from securing facts. The folly of such a policy is readily seen. The truth cannot be suppressed for a length of time, and there is no possible advantage to the railroad company concerned in preventing the facts from becoming known at once.

The Delaware, Lackawanna & Western official went so far as to give orders that, if necessary, special arrangements be made for the return of newspaper men who might not be able to leave on regular trains. This was such a radical innovation from what reporters have been accustomed to that they were fairly dazed.

Virtually the company officials rendered the reporters all possible assistance, and as a result the first published reports of the accident contained the exact truth and practically all the facts, even to the names of those who were responsible for the calamity. Here is a pointer for other railroad officials.

What is true of railroads is equally true of certain mine officials in this section. It always pays to be honest and frank with newspaper representatives.

DYSPEPSIA

"My wife suffered for many years from Nervous Dyspepsia, indigestion, constipation and Nervous Debility," writes John Kellous, Philadelphia. "I tried many physicians and numerous remedies, but with no result until I heard of Johnson's Dyspepsia Cure. We bought six boxes, and the result for supposed cured patients. She now eats and sleeps well, is pale in flesh, and her color, which had got to be yellow and sickly, is now as fresh as when we were first married, and I feel her that Johnson's Dyspepsia Cure has made her ten years younger."

Morrow's Kid-noids, the scientific kidney remedy and backache cure, is daily gaining favor in Shenandoah. No medicine has ever been sold in this city for Kidney ailments, backache, nervousness, sleeplessness and general debility that has gained such popular favor as Morrow's Kid-noids.

We give you the experience of Mrs. Mary Fritz, 913 West Coal street, Shenandoah, Pa., says: "As to the high value of Morrow's Kid-noids I can cheerfully attest. Before taking Kid-noids I suffered with a constant dull pain in the small of my back and at times would have sharp shooting pains just over the kidneys, extending up spine to shoulders. I was so nervous and would have spells of dizziness and could not sleep nor rest. Since I have taken Kid-noids my troubles have been greatly relieved and my general health is much improved."

Morrow's Kid-noids are not pills, but Yellow Tablets and sold at fifty cents a box at all drug stores and at S. P. Kirlin's drug store.
