OUR COUNTRY: First, Last and Forever.

THE latest: Aguinaldo's present location is unknown.

IF our arms had captured Aggie's mother-in-law, there would be no telling when the war would end.

EX-SPEAKER REED will have the satisfaction of knowing that his rules are to continue long after his rule is ended.

FOR a man of such small stature, citizen James Cleary seems to be carrying some very large chips on his shoulders.

WE are indebted to Hon. Charles N. Brumm for bound copies of the Congressional Record of the 54th Congress, for which he will accept our thanks.

THE "insurgents," according to newspaper reports, will carry the war against the "Old Man" to the bitter end. And the end is not yet—but who will reap the bitter end?

A MAN on a leaky steamship at sea is nothing compared to the feeling of those silver "leaders" as a result of the November election in this county. Ex-Senator King and his friends have the laugh on them.

THE Miners' Journal makes serious accusations against some of the Republican leaders in this county, and when requested to come out in the open and name the men charged, our contemporary fails to respond. In justice to other leaders the Journal should be more explicit.

THE First Assistant Postmaster has decided that it will be incompatible with the best interest of the service to retain married women as post office clerks. The department has ruled that when a woman clerk marries it will be necessary for them to resign from the service. The naughty department!

THE coming Spring election in Shenandoah, if it is possible to forecast from the expressions of voters of both parties, will be decided upon the merits of the candidates, irrespective of party affiliations. The independent voter will be out in force in February, and the party that selects the most capable and intelligent nominees for Council and School Board will control those bodies next year.

ONLY a little over two weeks remain before Christmas, and the holiday season in the stores has already started in encouragingly. Show windows are full of new and attractive things, and the stores themselves are packed with new stocks of holiday goods ready for the onslaught of the shoppers. Many people are wise enough to do their Christmas buying before the crowded days of the end of the season, thus avoiding the discomfort of the crowds, and also having the advantage of full stocks from which to make their selections. The jewelers, the dry goods men, the clothiers, the shoe men, the grocers, furniture men, haberdashers, milliners, stove men; indeed, all the merchants are showing unusual activity, and the streets in the shopping centre already present a much busier appearance than for many a day. The storekeepers expect a very busy season, and have prepared themselves for it in a generous fashion, and the prudent ones tell the people what they have to sell through the HERALD columns, whose circulation is equal to that of all other publications combined circulating in Shenandoah.

A PROPOSED INVESTIGATION

By Congress of Alleged Cruelties to Idaho Miners.

Washington, Dec. 9.—Representative Lentz, of Ohio, yesterday introduced a joint resolution reciting the charges growing out of the presence of United States troops under Brigadier General Merriam at the centers of mining troubles in Idaho, and asking for an investigation by a special committee of nine members, to be appointed by the speaker. The resolution says that it is a matter of general information that United States troops were sent to Idaho in defiance of and contrary to the federal constitution. It is asserted that General Merriam declared martial law, and "arbitrarily and without warrant of law" arrested hundreds of citizens and held them under "most brutal and tyrannical conditions."

The arrests, it is charged, included many members of the miners' union and the local sheriff. It is asserted that many men were imprisoned in a "bull pen," a place unfit for human habitation. Allegation is made that one prisoner became insane from the treatment, and escaping was shot as he jumped into a river. It is also charged that a dying prisoner was denied spiritual consolation. Specific acts of cruelty are given, including compulsory standing erect for seven hours each day in the hot sun, under penalty of death if attempt was made to move or sit down. It is alleged also that a captain under General Merriam "amused himself by calling prisoners 'cowardly curs,' while these punishments were being inflicted." The resolution also recites that the wives and families of miners were insulted by soldiers, and it is alleged that responsibility for the various actions recited rests with the mining companies of the locality.

Prohibition Defeated in Georgia.

Atlanta, Dec. 9.—By a vote of 26 to 14 the Willingham bill was killed in the senate yesterday and state prohibition defeated. The various roll calls consumed an hour, a great many senators rising to explain their votes. The debate was carried on with great vigor. Had the measure passed the senate it would have been so amended as to kill its purpose. The fight has been the fiercest the state has ever known along this line, but it is now believed the question is effectually settled for some time.

THE FINANCIAL DEBATE.

All Next Week the Gold Standard Measure Will Be Discussed.

Washington, Dec. 9.—The house yesterday adopted a special order for the consideration of the currency bill, beginning next Monday. By the terms of the order the general debate will continue until Friday. On Saturday amendments may be offered under the five minute rule, and on the following Monday the vote will be taken. The Democrats, Populists and Silverites presented a solid front against the adoption of the resolutions, and every Republican voted for it. Mr. Richardson, leader of the minority, taunted some of the majority leaders with their change of front in coming out for the gold standard, but Mr. Grosvenor and Mr. Cannon good naturedly replied that they had learned something with advancing years.

Representative Hitt, of Illinois, introduced a bill to provide a territorial form of government for Hawaii. It is similar to the measure reported to the house last year, providing a territorial governor, appointed by the president, and a legislature of two houses. Among the other bills introduced were: To prevent monopolies and trusts and for the free coinage of gold and silver; admitting veterans of the war with Spain to the homes for disabled soldiers; for additional homestead lands to those who participated in the war with Spain or with the Philippines; extending the contract labor laws to Hawaii; to create a commission to pass on claims of United States citizens growing out of the war with Spain.

Brookter, who was a clerk in the city auditor's department during the last city administration, under Mayor McKisson, was arrested on indictments charging him with obtaining money from the city upon false bills. This is the fifth arrest caused by the city council investigation now under way. Three secret indictments were returned by the grand jury yesterday.

Pennsylvania Fugitive in Maryland.

Towson, Md., Dec. 9.—Officers from York, Pa., arrived here yesterday and identified Harry S. Ainsbaugh, 19 years old, wanted in York for an alleged criminal assault upon 6-year-old May Ainsbaugh, daughter of Joseph Ainsbaugh, of Freystown, a suburb of York. The offense is said to have been committed Sept. 6, 1893. It is stated that Ainsbaugh, who is the uncle of his alleged victim, left home soon after. He was serving a sentence of 30 days in jail for a minor offense. The prisoner was committed for the action of the Pennsylvania authorities.

Argentine's Wheat Prospects.

Buenos Ayres, Dec. 9.—The wheat prospects in the Argentine Republic are excellent. There will probably be an exportable surplus of 2,000,000 tons. The linseed crop will reach 350,000 tons, and the total wool clip is about 225,000 tons, which guarantees an exportable surplus.

BE SURE.

Be sure you need medicine before you take it, but having once found out that you need it—lose no time in getting the best. If it's for the Kidneys, Liver, Bladder or Blood, Rheumatism, Dyspepsia or for Chronic Constipation, the best is Dr. David Kennedy's Favorite Remedy, and a very simple way to find out if you need it, is to put some urine in a glass tumbler and let it stand 24 hours; if it then has a sediment or a milky, cloudy appearance; if it is ropy or stringy, pale or discolored, you do not need a physician to tell you that you should take Favorite Remedy at once. It speedily cures such dangerous symptoms as pain in the back, frequent desire to urinate, especially at night, burning scalding pain in passing water, the staining of linen by your urine and all the unpleasant and dangerous effects produced on the system by the use of whiskey and beer. All reliable druggists sell Dr. David Kennedy's Favorite Remedy at $1.00 a bottle, or 6 bottles for $5.00.

By a special and particular arrangement with the manufacturers, our readers can try this grand medicine absolutely free. By simply sending your full name and post office address to the DR. DAVID KENNEDY CORPORATION, Rondout, N.Y., mentioning this paper, when a trial bottle of Favorite Remedy, together with a pamphlet of valuable medical advice, will be sent you by mail postpaid.

The publishers of this paper guarantee the genuineness of this liberal offer.

McFadden Defeats Kearns.

New York, Dec. 9.—George McFadden, of this city, defeated Tim Kearns, of Boston, in a hard fought battle of 25 rounds at the lightweight limit, 133 pounds, before the Broadway Athletic club last night. McFadden was stronger and more scientific than his opponent, but Kearns fought well and scored some clever points. McFadden outpointed Kearns in a majority of rounds.

A MOLINEUX WITNESS CAPTURED

Lured Into New York State and Placed Under Arrest.

New York, Dec. 9.—Several interesting points developed yesterday in connection with the trial of Roland B. Molineux for the murder of Mrs. Adams. First there was the capture of an important witness for the prosecution. This was Mamie Mullands, the young woman who cared for Molineux's rooms at Newark. Through a ruse she was induced to cross the state line from New Jersey to Suffern, N. Y., and was arrested and brought to this city. It is said she will be placed on the stand and compelled to testify that Molineux was accustomed to use the now famous blue paper surmounted by the three interlaced crescents.

The legal battle raged around the question of expert testimony and the admissibility of handwriting when "not disputed." Attorney Weeks fought gallantly for his client, but in the end the prosecution triumphed, the recorder saying that the court would be forced to consider the exhibits as being in the handwriting of the defendant unless the testimony of Expert Kinsley, who testified that in his opinion Molineux wrote the address on the poison package, should be impeached or contradicted by the defense in some manner. It seemed a day of victories for the prosecution.

CHEERFUL TRADE REPORTS.

Many Evidences of Prosperity For the Coming Year.

New York, Dec. 9.—R. G. Dun & Co.'s weekly review of trade says: The approach of a new year usually brings so much of hesitation in business that the small shrinkage this year is surprising. Probably never before have the productive forces of the country been so largely covered by contracts at this date, ensuring employment and profit far into the coming year. This results not from any mere speculative excitement, but from actual demands for consumption running far beyond the producing capacity heretofore, and pushing it to remarkable expansion. The increase in foreign trade has been insignificant compared with the increase of $24,000,000,000 in payments through clearing houses. For the week the payments have been 20.3 per cent larger than last year and 38.1 per cent larger than in 1892.

Bradstreet's review says: The last month of the year has opened auspiciously, finding trade and industry generally well employed, demand treading close upon and even passing supply, labor troubles, averted in some instances by widespread advances in wages, of small importance except in one or two cities, and with the general level of values of staples at the highest point reached for eight years past. Holiday demand has opened well, and collections from retail trades, therefore, show some improvement.

An Italian Murder Sensation.

Rome, Dec. 9.—A great sensation has been caused throughout Italy by the trial of two railroad men on the charge of murder and robbing in a railroad car, near Palermo, Signor Netarbartolo, a former director of the Bank of Sicily, and one of the most notable citizens of Palermo. The murdered man's son accuses Signor Palizzelo, a member of the chamber of deputies from Palermo, of giving the order for the murder of Signor Netarbartolo. As a result of this accusation the chamber of deputies authorized the prosecution of Signor Palizzelo, who was arrested in Palermo last evening.

Sick Headache

Is the cause of untold suffering to many women; of neglected families and unhappy homes. Pleasure is banished from the life that is subject to these attacks, and yet it is possible to be free forever from such trying ordeals. Dr. Williams' Pink Pills for Pale People, by enriching the blood, toning up the nerves, and strengthening the stomach, make sick headache impossible, and restore nervous energy to the despondent sufferer. The full name:

Dr. Williams' Pink Pills for Pale People

is on every package of the genuine.

Mrs. Fannie B. Stoffle, of Martinsville, Mo., says: "I used to have terrible sick headaches, which I had as far back as I can remember. In recent years they were getting worse. A few years ago I took treatment of a specialist in Kansas City, but it only relieved me for a while. When I came here two years ago my health was miserable. My husband, who had great faith in Dr. Williams' Pink Pills for Pale People, insisted that I commence using them. After taking a few doses I could see an improvement, and my headache spells were not so severe. I used four boxes, and since that time I have not had any of those attacks, and I never felt so well in my life."

—From the Republican, Bethany, Mo.

No discovery of modern times has proved such a blessing to mankind as Dr. Williams' Pink Pills for Pale People. Acting directly on the blood and nerves, invigorating the body, regulating the functions, they restore the strength and health in the exhausted patient when every effort of the physician proves unavailing.

These pills are sold in boxes at 50 cents a box, or six boxes for $2.50, and may be had of all druggists, or direct by mail from Dr. Williams Medicine Co., Schenectady, N.Y.
