IN SENATE AND HOUSE.

Discussion on the Senate's Finance Bill. Washington, Dec. 20.—Discussion in the senate of the financial measure drafted by the Republican majority of the committee on finance will begin on Tuesday. It is expected that after the holiday recess this announcement was made in the senate yesterday by Mr. Aldrich (R.), chairman of the finance committee, in connection with his report of the senate committee for the financial bill passed Monday by the house. Mr. Aldrich, who will have charge of the measure, declared his purpose to press the measure to passage as soon as possible. Mr. Vest (M.) desired it to be understood that the bill reported by the finance committee, did not represent the views of the minority of the committee. Hon. W. V. Allen, appointed by Governor Dwyer as senator from Nebraska, took the oath of office.
