APPALLING DISASTER.

Italian Monastery, Hotels and Villas Carried Into the Sea.

THE LOSS OF LIFE VERY HEAVY.

An Enormous Rock Loosened, Carrying the Buildings Down and Crushing Four Vessels and Their Crews to the Bottom of the Sea.

Rome, Dec. 23.—A terrible disaster took place yesterday afternoon at Amalfi, the popular tourist resort on the Gulf of Salerno. About 2 o'clock an enormous rock, upon which stood the Cappuccini hotel, slid bodily into the sea with a deafening roar and without a moment's warning, carrying with it the hotel, the old Capuchin monastery below, the Hotel Santa Calerina and several villas.

Many people were buried in the debris, which crushed four vessels to the bottom of the sea, destroying their crews. The mass of earth which slipped was about 50,000 cubic yards.

The population is in a state of terror, fearing fresh calamities. Troops have arrived upon the scene and begun rescue work.

It is believed that the loss of life is heavy, including a number of monks and the occupants of the hotel. As yet it is impossible to ascertain the exact number.

Amalfi is a small, but lively town of 7,000 inhabitants, situated at the entrance of a deep ravine, surrounded by imposing mountains and rocks of the most picturesque forms. The Capuchin monastery was founded in 1212 by Cardinal Pietro Capuano for the Cisterians, but came into possession of the Capuchine in 1583. The building, which stood in the hollow of the great rock that rose abruptly from the sea to a height of 230 feet, contained fine cloisters.

No Right to Ugliness.

The woman who is lovely in face, form and temper will always have friends, but one who would be attractive must keep her health. If she is weak, sickly and all run down, she will be nervous and irritable. If she has constipation or kidney trouble, her impure blood will cause pimples, blotches, skin eruptions and a wretched complexion. Electric Bitters is the best medicine in the world to regulate stomach, liver and kidneys and to purify the blood. It gives strong nerves, bright eyes, smooth, velvety skin, rich complexion. It will make a good-looking, charming woman of a run-down invalid. Only 50 cents at A. Wasley's drug store.

Negroes Attack the Police.

Newport News, Va., Dec. 23.—A mob of negroes, 1,000 strong, attempted to take a prisoner away from two policemen in the negro quarter of the city yesterday. The officers fired on the negroes, wounding two. The blacks assaulted the policemen with sticks and stones and the entire police force was called out, preventing further trouble. The trouble grew out of the killing of a notorious negro burglar by Sam White, Cam Jacobs and Abe Levin, white men.

Right or wrong, we must continue friends with England." Foreign office officials admitted today that Germany would in all probability sign the protocol of the peace conference before New Year's day.

WORKING WOMEN.

Women are women after all. Mistress and maid are alike in physical make-up. Both are women. Both are subject to the ills and ailments peculiar to their sex. But the servant seldom gets any consideration. She is expected to do her work even if her head does throb and a dreary, dragging, bearing-down feeling makes her wish that each step might be her last.

Dr. Pierce's Favorite Prescription is made for maid as well as mistress. It makes weak women strong and sick women well, no matter what their station in life. It gives the poor working woman an equal chance with her richer sister and at exactly the same price.

The servant who uses "Favorite Prescription" at a moderate price per bottle is much more likely to get well than her mistress who calls in an expensive, local physician. If she will write plainly to Dr. R. V. Pierce, at Buffalo, N. Y., her case will have the attention of a physician who has cured more women than any one hundred other doctors and who has a record of over thirty years' successful practice. Her letter will be considered strictly confidential, will be promptly answered in a plain envelope, so that prying eyes of others may not get even a hint, and she will have the benefit of the very best medical skill without a cent of charge for it. Thousands of women have written and been cured. And by this method they have avoided the "examinations" and "local treatment" so invariably insisted upon by local practitioners and so abhorrent to every modest woman.

MRS. SANDERSON ACQUITTED.

Jury Decides She Did Not Feed Her Husband Ground Glass.

Marshall, Mich., Dec. 23.—The case of Mrs. Sanderson, charged with attempting to murder her aged husband by feeding him ground glass in his oatmeal, went to the jury last evening. In closing for the prosecution Assistant Prosecutor Clark admitted that the reputation of Marie Robertson, who swore to seeing the glass ground and placed in Mr. Sanderson's food, was bad, but held that that did not affect her testimony. Mrs. Sanderson's attorney, State Representative Crosby, declared that Miss Robertson's testimony was worthless, as she had been impeached by so many witnesses. At midnight the jury returned with a verdict of acquittal, and Mrs. Sanderson collapsed in her father's arms. When she was revived she thanked each juror personally.

Consumption Cured.

BROUGHT BACK FROM THE GRAVE.

Last November Mr. Joseph James, painter, of 325 W. Pearl St., Indianapolis, Ind., was at death's door with quick consumption. Wasted to a skeleton; his lungs a mass of ulceration; his death was hourly awaited by his doctor and family. He was kept in a constant stupor with opium. A friend, thinking to relieve his terrible cough, gave him a bottle of Brazilian Balm. Seeing its wonderful effect, the doctor advised its continued use. Mr. James soon after dismissed his doctor, and depended on the Balm alone. His recovery was rapid and complete, and in February he returned to work. His lungs are sound, and his weight greater than at any time in his life. His recovery is regarded as almost a miracle.

COMMA BACILLUS.

In consumption beware of cough mixtures and prescriptions that contain opium. Opium paralizes the nerves, and gives the comma bacillus a good chance to destroy the lungs. It is always fatal. Brazilian Balm does not contain a trace of any opiate, but stimulates the nerves with new life and power, destroys the microbe, and restores all that is left of the diseased lungs to a sound and healthy state which no other remedy has ever been known to accomplish.

Two Georgia Postoffices Robbed.

Atlanta, Dec. 24.—Safe blowers entered the postoffices at Fort McPherson and East Point, two small towns near here, last night and secured about $1,500. They made good their escape, and no trace of them has been found. It is believed by the officers that the same parties entered both places.

TRAVELING POSTOFFICES.

Some Opposition to the System in Carroll County, Md.

Westminster, Md., Dec. 23.—The rural free delivery which was inaugurated in Carroll county on Wednesday by the United States postal authorities is meeting with opposition in some quarters. It is thought, however, when the general public understands the system, it will be satisfactory to all concerned. To introduce the rural free delivery 64 fourth class offices have been abolished in the county. The new system contemplates the daily delivery to and collection from every resident of the county, outside of Westminster. To accomplish this task four "traveling postoffices" make daily trips of about 30 miles each. The wagons, in charge of postal clerks, start from Westminster at 6:30 a. m., the round trip forming a loop. In combination with the wagons are 26 cross country carriers, who connect with the postal wagons at designated points, thus making a chain system which covers the county. The complaints, as a rule, are made by persons who have not their mail ready when the wagon or carrier arrives, and their letters must wait until the following day. When the people understand that their important mail matter may just as well wait for the carrier in their homes as at the cross roads country store, which was formerly the postoffice, it is believed that instead of opposing the new arrangement they will clamor for it.

BRUTAL GERMAN PRINCE

Returning to Berlin For Sentence For Torturing His Dying Victim.

Berlin, Dec. 23.—Official reports received by the government regarding the crime of Prince Arenberg, who was recently court martialed in German Southwest Africa for killing a subordinate without provocation, and who is being brought here for sentence, show that the offense was much worse than the first reports indicated. Prince Arenberg, who is a nephew of the Centrist leader in the reichstag of the same name, not only murdered, but fiendishly tortured his victim while dying. There were 38 eye witnesses of the atrocity. The murdered man was a half breed, named Willie Keen, the son of an Englishman and a freed woman. The Berlin press expresses considerable curiosity as to what punishment will be meted out to the offender.

DWIGHT L. MOODY DEAD.

Famous Evangelist Passed Quietly Away at His Northfield Home.

NOTED PREACHER'S LAST WORDS.

"I See Earth Receding; Heaven Is Opening; God Is Calling Me—I Have Always Been Ambitious, But Not to Lay Up Wealth."

East Northfield, Mass., Dec. 23.—Dwight L. Moody, the famous evangelist, who broke down in Kansas City while conducting services there a month ago, and was compelled to return home, died yesterday. Mr. Moody first knew at 8 o'clock Thursday evening that he could not recover. He was satisfied that this was so, and when the knowledge came to him his words were:

"The world is receding and Heaven opening."

During the night Mr. Moody had a number of sinking spells. He was, however, kindness itself to those about him. At 2 o'clock in the morning Dr.

THE LATE DWIGHT L. MOODY.

N. P. Wood, the family physician, who spent the night at the home, was called at the request of Mr. Moody. The patient was perspiring and he requested his son-in-law, A. P. Fitt, who spent the first of the night with him, to call the physician that he might note the symptoms. Dr. Wood administered a hypodermic injection of strychnia. This caused the heart to perform its duties more regularly, and Mr. Moody himself requested his son-in-law and Dr. Wood to retire. Mr. Moody's eldest son, Will R. Moody, who had been sleeping the first of the night, spent the last half with his father. At 7:30 in the morning Dr. Wood was called, and when he reached Mr. Moody's room found his patient in a semi-conscious condition. When Mr. Moody recovered consciousness he said, with all his old vivacity:

"What's the matter? What's going on here?"

Some member of the family replied: "Father, you have not been quite so well, and so we came in to see you."

A little later he said to his boys: "I have always been an ambitious man, not ambitious to lay up wealth, but to leave you work to do."

In substance Mr. Moody urged his two boys and his son-in-law, Mr. Fitt, to see that the schools in East Northfield, at Mount Hermon and the Chicago Bible institute should receive their best care. This they assured Mr. Moody they would do.

During the forenoon Mrs. A. P. Fitt, his daughter, said to Mr. Moody: "Father, we cannot spare you." Mr. Moody's reply was: "I am not going to throw my life away. If God has more work for me to do, I'll not die."

Just before 12 o'clock the watchers saw that the end was approaching, and exactly at noon the great preacher passed away.

Just as death came Mr. Moody awoke, as if from slumber, and said with much joyousness: "I see earth receding; Heaven is opening; God is calling me." A moment later he expired.

Alleged "Lost" Will Barred Out.

New York, Dec. 23.—Surrogate Varnum yesterday handed down a decision refusing to admit to probate the will of Miss Rachel Lenox Kennedy, which the proponents of the will claimed to have been either lost or destroyed by some one other than Miss Kennedy. This decision wipes out about $250,000 of legacies to churches and charitable institutions, and benefits Mary Lenox Kennedy, the sister of the testratrix, and H. Van Rensselaer Kennedy, a nephew, by that sum.

Run on a Portland Bank.

Portland, Me., Dec. 23.—A rumor of unknown origin concerning the solvency of the Portland Savings bank started a run on the bank yesterday. Deposits were turned over as fast as the books were presented, most of the payments being in gold. The crowd reached such proportions, however, that officials of the bank concluded to guard against running short of ready cash by taking refuge behind the means provided by law, and the doors were closed.

His Life Was Saved.

Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with Typhoid Fever, that ran into Pneumonia. My lungs became hardened. I was so weak I couldn't even sit up in bed. Nothing helped me. I expected to soon die of Consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use it, and now am well and strong. I can't say too much in its praise." This marvelous medicine is the surest and quickest cure in the world for all Throat and Lung Trouble. Regular sizes 50 cents and $1.00. Trial bottles free at A. Wasley's drug store; every bottle guaranteed

Locomotive Wrecks Baggage Room.

El Paso, Tex., Dec. 23.—A Southern Pacific switch engine jumped the track while passing the station here yesterday and plunged headlong into the baggage room utterly demolishing it. Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

FOUR DOCTORS FAIL

18 months in a chair.

A Specialist also fails to even relieve a bad case of Asthma.

The BRAZILIAN BALM instantly relieves and effects a Radical Cure.

Shaker Station, Ct., Feb. 3, 1899.

Brazilian Balm has done wonders for me, after suffering 2 years with Asthma. I received no help from four of our local physicians and a specialist in Hartford, who is at the head of the hospital and receives all the critical cases I like a majority of the cities. For 3 months I never laid down—sat in a chair day and night and had to be drawn from one room to another. By my doctor's orders I went south and staid several months but received no benefit. At last Br
