The Anthracite Quartette, of Scranton, composed of Messrs. The house was well filled and it is scarcely necessary to add that all present thoroughly enjoyed the excellent entertainment. Dr. F. A. Cross is manager of the Quartette and was also present. The Quartette also kindly sang on Sunday and a number who seldom attend church were present and we hope will come again. Rev. Webster preached his baccalaureate sermon.

On the first of July John Gillner will have the pleasure of carrying the mail from Ledgedale to Moscow.

What is wrong with Uncle Sam's mail? The Hawley Times, which should arrive at Uswick on Friday afternoon arrives Saturday or Monday afternoon. The Citizen and the Wayne Independent, printed at Honesdale, should also arrive on Friday afternoon and they arrive Saturday or Monday afternoon. The Civil Service examination for fourth-class postmaster at Uswick, Pa., was held at Hawley postoffice on March 27, 1909. This examination was all finished at 11 o'clock a. m. and should have left Hawley about 3 o'clock in the afternoon on March 27. A communication from the Civil Service Commission was received at Uswick on May 5th, stating that this examination paper did not arrive at Washington, D. C., until April 21st, fully twenty-five days after the examination took place. It should take two days for a letter to reach Washington, D. C., from Uswick. Thus this examination paper could have gone to Washington, D. C., and returned again just six times while it was going there only once. Now, Uncle Sam, we think it is time for you to wake up and see where the United States mail is being delayed.
