This is a public road and is a disgrace to Paupack township. Heretofore there has been very little travel on this road but people are now passing over this road every day as they find it much nearer to drive this way.

**HAWLEY LOSES A GREAT GAME**

**The Phoebe Snow Team of Scranton, Wins in the Third Inning.**

Two hits, a long fly and a sacrifice in the third inning gave Phoebe Snow the game on Saturday last. The score shows that Hawley outbatted and had fewer errors than their opponents, but dame fortune smiled on the Scranton boys when it was needed most.

In Scranton's fast inning, Smith struck out Murtha and O'Toole, Phillips liner to Gaffney which was an easy out to first.

In Hawley's half of the first, Boyd hit three men and allowed one hit. McNamara hit a slow one toward second base and was called out at first; it was a close decision and we will give the umpire the benefit of the doubt, but it meant a whole lot to the home team as the next man was hit by pitcher, and Siler the third man hit a Texas leaguer to left-field. Thielke and Smith were both hit by pitcher, forcing Edwards home. Rose, the next man to face Boyd, had a chance to win the game with three men on bases. Any kind of a hit meant two runs, but the best he could do was to drive one right into Boyd's hands, forcing Siler out at home. McAndrew finished the inning by sending an easy one to Cluman and was thrown out at first. In the second inning neither team saw second base.

Phillips was the whoa whoa man for Scranton in the third. Graham hit to Edwards and reached first on a fumble, but was forced out at second when Mac fielded Lewis's hit to second. Boyd put up a fly to McAndrew in second and by fast fielding Lewis was held at first. Murtha hit a long one between center and left, advancing Lewis to third and going to second himself when Hawley made the play for third base. Phillips hit a Texas leaguer over third scoring Murtha and Lewis. Saville ended the agony with a slow one to Smith, which he fielded to Thielke. Siler started the third by reaching first base on an error by O'Toole but was caught at second when Thielke dropped one in front of the plate which Graham threw to second catching Siler. On the first ball up to Smith Thielke made a neat steal of second. Smith drove an easy fly to center. Thielke tried to steal third while Rose was at the bat but was caught three feet from the base by a neat throw from Graham to Phillips. In the fourth inning both teams went out in one, two, three order. In Scranton's half of the fifth a strikeout and two high flies which were picked by Langon and McNamara. Langon brought the fans to their feet by putting a side jump for the speeding pellet which would have been good for two bases if it had got away. Langon can certainly field and when that newness wears away—when he is at the bat—the home team will have a hustling left fielder. McNamara got a half Nelson on the fly put up by Boyd after a hard run to short left. In the fifth we had another one of those chances to do things. Gaffney struck out. McNamara made a scratch hit along first base line and beat it out. Edwards drove a high fly to Cluman who dropped it, advancing Mac, to second. Siler hit a slow one to Boyd and was thrown out at first; it was a good sacrifice, advancing Mac, and Edwards. A hit meant two runs. It was now up to Thielke but he disappointed the crowd by driving a long high fly to deep center which Strunk got under after a hard run through the hay field.

The Scranton team in their half of the seventh got one run on a base on balls, a long fly and two sacrifice hits. Hawley boys got one run after two men were out by a two-base hit by Edwards and two errors by Phillips and a fly hit by Thielke which Strunk let get away from him. Scranton went out in order in the eighth, an assist on O'Toole's liner from Edwards to Tilky. Saville's fly to Rose, and Cluman struck out.

Hawley opened their half of the eighth with a hit by Rose who was caught between third and second after being forced as Gaffney hit the air three times, and on his third strike Graham muffed and Gaffney started for first, Graham touched him out, but the base runners thinking they had to run or be forced were caught by that old-fashioned double play.

Scranton made a run in the ninth on a hit and two errors. During Hawley's half McNamara dropped one in front of Boyd and was thrown out at first; Edwards got a base on balls; Siler struck out, and Boyd fielded Thielke's grounder.

The score follows:

**HAWLEY.**

	R.	H.	PO.	E.	A.
M'Nara, ss.	0	1	1	1	3
Edwards, 3b.	2	1	1	2	1
Siler, c.	0	1	7	2	1
Thielke, lb.	0	0	9	0	0
Smith, p.	0	1	0	0	7
Rose, rf.	0	3	1	0	0
M'Anrew, cf.	0	0	2	0	0
Langon, lf.	0	1	2	0	0
Gaffney, 2b.	0	0	4	0	1
Totals.	2	8	27	2	13
Hawley	0	0	0	0	0
Phoebe Snow	0	2	0	1	0

Struck out by Smith 7; by Boyd 2. Base on balls, off Smith 2; off Boyd 1. Two base hits, Smith 1, Murtha 1. Umpire, E. McNarana; time of game, 2 hours.

**NOTES ON THE GAME.**

Rose batted like an old timer. Langon and McAndrew certainly did take care of the dangerous ones. A little more signal practice boys. We might have scored a run in the sixth if McAndrews had known where to look for the signals. Edwards is fast on the bases and ought to be heading the batting list. "Billy" Smith had hard luck. The game he pitched would win nine out of ten. It was "Billy's" first game of the season.
